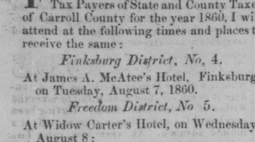
BŒRHAVE'S
HOLLAND BITTERS



THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND ACUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally speaking in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY!

The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle, or six bottles for FIVE DOLLARS. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

☞ Beware of Imposition. See that our name is on the label of every bottle you buy.

Sold by Druggists generally. It can be forwarded by Express to most points.

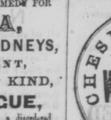
CHESTNUT GROVE WHISKEY



(The Purest Medicinal Agent ever known) has furnished the community a Stimulant, Pure, Healthful, and Invigorating at the same time a mild delicious beverage which will take away with the vile drugged stuff that is palmed off on this community, and which is injurious to body and mind. In addition to the certificates beneath, he has received a diploma from the State Agricultural Society, and additional testimony from DR. JACKSON, of Boston, who testifies under oath to its genuine purity.

CERTIFICATES.

Philadelphia, September 9, 1858.

We have carefully tested the genuine Chestnut Grove Whiskey which you sent us, and find that it contains none of the poisonous substance known as Fusil Oil, and is the cheapest and purest article ever offered of the Whiskeys in general use.

BOOTH, GARRET & CAMAC,
Analytical Chemists,
New York, September 3, 1858.

I have analyzed a sample of Chesnut Grove Whiskey, received from Mr. Charles Wharton, Jr., of Philadelphia, and having carefully tested it I am pleased to state that it is entirely free from poisonous or deleterious substances. It is an admirably pure and fine flavored quality of Whiskey.

JAMES R. CHILTON,
Analytical Chemist,
Boston, March 7, 1859.

I have made a chemical analysis of commercial samples of Chesnut Grove Whiskey, which proves to be free from the heavy Fusil Oils, and perfectly pure and unadulterated. The fine flavor of this Whiskey is derived from the grains used in manufacturing it.

Peale's Court of Death.

THE most elaborate and noted work of Art ever painted by an American Artist, is the "COURT OF DEATH," by REMBRANDT PEALE. This painting covers 312 square feet of canvas, containing 23 Life Size Figures, and has never been valued at less than

25 000 DOLLARS.

It has been gazed upon with admiration and delight by tens of thousands. The subscriber has purchased the right, and is about to issue a splendid

Chromo Lithographic Engraving

Of it, presenting a perfect *Facsimile Copy* of the original painting, *both of its beautiful colors and size.*

The size of the Engraving is 23 by 33 inches and the price ($1.50) which is the lowest ever asked for the same number of similar works—100,000 being issued instead of 5,000 the usual number. The home of every family in the land should be graced with a copy of this work, as besides its beauty as an ornament, the lesson it teaches illustrating the evils of *Intemperance and War*, and the end of *Infidelity*, are unrivalled. Mr. Peale says of the Engraving: "I can certify that it is an accurate and admirable copy of the Original Painting." Testimonials without number, have been received from distinguished Clergymen in praise of the Engraving. Many who received it say they would not part with it for ten times its cost, if they could not procure another.

Clergymen and Church Societies supplied in quantities of not less than 20 copies at a time, on very liberal terms.

Terms for 1 copy, $1 and 4 letter stamps, or 5 copies for $4 without stamps. For a letter of Agency stating special terms, and 1 copy, $1 and 6 letter stamps, sent in strong roll by return mail, with a description. MOFFAT'S
Life Pills and Phœnix Bitters.

THESE Medicines have now been before the public for a period of THIRTY YEARS and during that time have gained a high reputation in almost every part of the globe for their extraordinary and immediate power in restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind.

FLATULENCY, Loss of Appetite, Heartburn, Headache, Restlessness, Ill Temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all internal obstruction in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and Gout in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of bowels the slimy matter to which these creatures adhere.

ASTHMA and CONSUMPTION, by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.

SCROFULA, ULCERS, and INVETERATE SORES by the perfect purity which these LIFE MEDICINES give to the blood and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallowy, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and tormenting complaint, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well known to thousands in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS; and that he tried in vain every remedy to procure a cure within the compass of the Materia Medica. He discovered at length how the Medicine which is now offered to the public, and he was cured in a very short time, and after his recovery had been pronounced utterly unprobable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a sure, speedy, and certain remedy. Once a dose is taken, the system subject to a return of the disease—a cure by these medicines is permanent.

Try them, be satisfied, and be cured.

BILIOUS FEVERS AND LIVER COMPLAINTS,

GENERAL DEBILITY, Loss of Appetite, and Diseases of Females—these Medicines have been used with the most beneficial results in cases of this description: King's Evil and Scrofula in its worst form, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitations of the Heart, Painter's Colic, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla.

The author of the above volume is a graduate and Professor of Medicine of a century to the study and treatment of Syphilis and Sexual Diseases as a specialty he has become possessed of most invaluable secrets, which he can impart to the same and his skills to compress into pale maroon compounds, cunningly prepared to impose upon the Unfortunate and unsuspecting.
