SERVICE SAFETY

Come to Sunday School

TOMORROW

And Every Sunday

Kent County is favorably known for many advantages, but none surpass the facilities for training the young in the great need of the age—Christian character.

It is not only a great privilege of parents to send their children to Sunday School, but a duty. Come with the child if possible, otherwise see that he goes without you.

God needs you in our Sunday Schools. We must run our farms to produce bread. So we must run our Sunday Schools to develop Christian character.

Our supreme need is Christian womanhood and manhood to save ourselves and rightly teach a troubled world. Our Sunday School Army is striving to help our homes plant Christian character in our children. We must all go partnership with God in this divine business.

Since the days of Moses the commandment has been on us to "gather the people together, men, women and children, and the stranger within thy gates, that they may hear God's laws and learn to fear the Lord."

"The law of the Lord is perfect" and only by obeying it can we hope for any perfection in our children, in our government and in our dealings with all nations.

Superintendents of the different Sunday Schools of our good county join in asking everybody to attend and support our schools Go to the church of your choice, and go partners with God. Gather up the children and lead them to Sunday School, Help to bring them up with perfect Christian habits. We can do no greater service for our homes, our town, our county, our nation and our friends.
