"Babe" Ruth, the great pitcher and champion home-run hitter of the Boston Americans, has been sold to the New York Americans for $125,000, and his salary for baseball services the coming season will be not less than $20,000. Some one remarks "how thankful "Babe" must be that he is not a talented university professor, or possibly president of a large educational institution."

An advance of one cent per gallon in the price of gosoline and kerosene, effective Monday, was announced by the Standard Oil Company of New Jersey. The new prices apply to both export and domestic trade. Is this to pay for the magnanimous donation made Xmas by Rockefeller? Why not cut out this advance and let the users of gasoline give some money to charity?

NEW STATE'S ATTORNEY

S. Scott Beck, Esq., was sworn in as State's Attorney for Kent county on Monday last by Judge Lewin W. Wickes. Mr. Beck was elected at the last election by the Democrats by a most flattering vote, in fact he got the highest majority of any candidate on the ticket. We believe he will fill this office with honor to himself and satisfaction to the citizens of Kent county.

ExAttorney Vickers has made one of the most faithful and efficient officials the State has ever had. He has been alert to convict all offenders and has greatly assisted in preserving law and order.

Senator Wm. F. Russell, Representatives Ellsworth C. Bowers and Carson W. Harris were in their places.

LARGE PUBLIC SALE

I will hold my first sale for 1920 at my stables, in Cecilton, Md.,

THURSDAY, JANUARY 15, 1920

Beginning at 11 o'clock A. M., Rain or Shine, in heated building.

150 HEAD LIVE STOCK

50 Head First-Class Cattle, about 25 of which are extra good fresh cows and close springers, and balance of cattle of every description. I have one party consigning 10 head good cattle and another party 5 head. I will have belonging to myself 15 of the best fresh cows that money would buy.

Something Special. In May, 1919, I sold a Registered Holstein Heifer, by name, Una Rubbe Maid Donovan, No. 459662, now owned by Mr. Olin S. Davis, Golts, Md., and which made such a record in the cow testing association last spring; since I sold this heifer last spring I have tried on many occasions to get her back, and last week made a tempting offer and got her. On January 1st, 1920, she dropped a calf by Colantha Johanna De Freule Lad, No. 169743, while not as large as her mother I believe in right hands will beat her mother; cow and calf to be sold separate.

Next sale middle of February.

The Baltimore Sun cartoonist has already "signed up" Kent's Senator and afforded lots of fun for his friends. Senator Russell says he knew he had a big mouth and nose but was surprised at his shortness.

It is not the high cost of living, its the cost of high living. Who complains at the price of an automobile or gasoline with which to whiz down the road? We hear much complaint of price of milk but who kicks at price of Cocoa Cola or Bevo? Mr. Schauber has a $150 outfit delivering milk while Blackway Bros. carries his "Pop" about in a $3,000 truck. Let's be consistent.

The annual meeting of the Peninsula Horticulturalists at the college this week brought together men from four States experts in various phases of farming and we were disappointed that more of our farmers did not attend to hear the result of years of experimenting. Walter B. Harris, the President, Wesley Webb, the efficient secretary, Vice-President W. Irving Walker, and others are to be congratulated upon bringing such an array of speakers here. The college is an ideal place for such meetings and everyone was enthusiastic in words of appreciation for the use of same. Come again, gentlemen, and we'll turn out in larger numbers.
