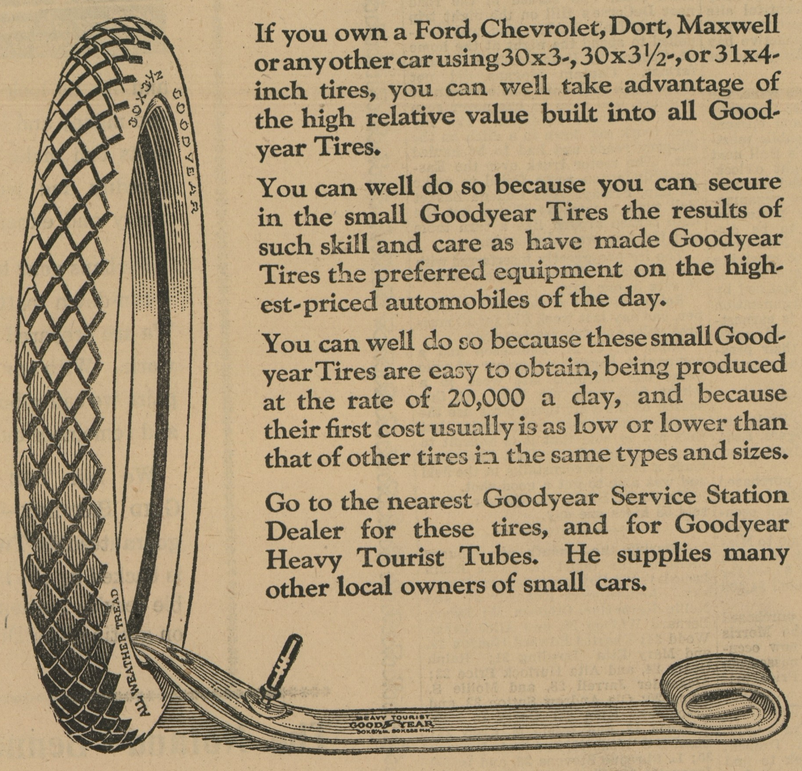
Equip Your Small Car With Goodyear Tires



If you own a Ford, Chevrolet, Dort, Maxwell or any other car using 30x3-, 30x3½-, or 31x4-inch tires, you can well take advantage of the high relative value built into all Goodyear Tires.

You can well do so because you can secure in the small Goodyear Tires the results of such skill and care as have made Goodyear Tires the preferred equipment on the highest-priced automobiles of the day.

You can well do so because these small Goodyear Tires are easy to obtain, being produced at the rate of 20,000 a day, and because their first cost usually is as low or lower than that of other tires in the same types and sizes.

Go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He supplies many other local owners of small cars.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... $20.00

LOCAL NOTES

Negroes Appointed To County Offices.—For the first time in the history, Prince George's County, Maryland has a negro deputy sheriff. Richard Johnson, Fairmount Heights, in Salt Pleasant district, took the oath for this office in Upper Marlboro, before Clerk of the Court, S. D., Hall. Thos. Perry, colored, of Upper Marlboro, has been appointed keeper of the county jail in Upper Marlboro, a position heretofore held by a white man.

A Pretty Sight.—The magic wand of the Ice King has touched nature with its fingers and made a scene of strange and fantastic beauty which rivals the claim of spring and the rich, fruitful glory of summer and fall. A visit down town to the Square or into the country, especially by some shaded woods, and there forgetting the dangers of treacherous footways and the discomforts endured, drink in the rare and unusual grandeur. Every tree stands incased in a gleaming armor of ice. Each tiny twig shimmers in the wan light as if it were made of some mysterious metallic substance. The cedars so heavily burdened bow their heads as if in graceful submission to a condition they are too wise to question, and all around there is an enchanting sense of silvery solitude.

Marriage licenses were issued Saturday in Elkton to Clarence E.Berry, of Smyrna and Marion J. Coverdale, of Clayton, Del., Charles E. Roland and Grace M. Tuber, of Baltimore.

James Greer, aged 17 years, who resides with his grandfather, W. C. Greer, on the Wilson farm near Pylesville, was seriously gored by a bull, Saturday. While feeding the cattle young Greer was attacked and knocked down by the animal. His intestines were punctured and he was hurried to a Baltimore hospital for an operation. His condition is serious.

M. P. Minister Resigns.—Rev. C. E. McCullough, pastor of Queen Annes charge of the Methodist Protestant Church at Ruthsburg, has resigned the pastorate on account of ill-health. Rev. McCullough was pastor of this charge twenty-four years ago, and last spring when the charge was without a pastor asked to be sent there. He entered upon the work with enthusiasm and has taken considerable interest in the affairs of the churches, but recently suffered another breakdown, and was advised by his physician to seek a milder climate. He will return to the home of his son, Dr. Kenneth McCullough, at Waycross, Ga., where he spent three years prior to coming to Queen Annes for the second time. Rev. Lewis W. Gordon, of Carmichael, will fill the pulpit at Hayden until the annual conference which will be held in April.

A REAL INVESTMENT

We know that this Oakland Sensible Six Touring Car costs less to own, operate and maintain than any other automobile built. Our customers are regularly reporting mileages from it of from 18 to 25 per gallon of gasoline and from 8,000 to 12,000 on tires.

Touring Car, $1075; Roadster, $1075; Sedan, $1650; Coupé, $1650
F.O.B. Pontiac, Mich. Additional for wire wheel equipment, $75

The Best Machinery Investment You Can Make

Ask any user of the John Deere Spreader, and he will tell you it is the best machinery investment he ever made—not only because it saves hard work and valuable time, but because it makes every forkful of manure count for a bigger crop yield.

Manure goes farther and does more good when you use a John Deere Spreader. You can spread manure evenly, heavy or light—no under-fertilized or over-fertilized spots.

Come in and see this spreader. We want to show you why it will do better work, why it will last longer than others, why it will cost less for repairs, and why it is easier to load and operate.

Mounting the beater on the axle of the John Deere gives you a combination of advantages you can't get in any other spreader.

Come in and know the reasons why there are so many satisfied users of John Deere Spreaders.

We Have a Machine Set Up for Your Inspection

I am needing a few more orders to complete my carload. See or call me and I will give you the carload price. Phone 88.
