Who Will Pay the Loss?

When a man dies there are three deaths.

Death of the Husband.

Death of the Father.

Death of the Income.

Death means loss. Losses must be paid by some one. Who will pay the loss in case of your premature death during the productive period of your life?

Why not let a life insurance company take care of this loss?

Goldey Warren has a policy that will satisfy every man's need. Phone 107, Chestertown, Maryland.

HAVE YOU THOUGHT ABOUT WOMAN SUFFRAGE?

If you have not, it is time to begin to think about it.

Women will undoubtedly vote within a few months.

For fifty years women pled for a voice in this government.

In June, 1919, the Amendment passed the United States Senate, having previously passed the House of Representatives. It then went to the Legislatures of the States for verification by three-fourths of them.

Ratification has proceeded in the past six months, until twenty-eight States have taken action.

Eight more States are necessary.

Maryland should be one of them.

The public sentiment in favor of woman suffrage has grown until it cannot be denied. Men and women of the highest thought and character in all communities are pledged to it.

It has the official endorsement of numerous organizations of national scope, such as the Federation of Women's Clubs, the National Grange, the Farmers' National Congress, the American Federation of Labor, the Women's Trade Union League, the Women's Christian Temperance Union, the Young Women's Christian Association.

All national political parties are irrevocably committed to it.

Nine-tenths of the newspapers and magazines of the country have come to its support.

The first eleven States to ratify the suffrage amendment contain a majority of the entire population of the country and eleven other States have followed to increase this majority.

Petitions are being circulated in Kent County asking for ratification by the Maryland Legislature.

The following citizens of Kent County earnestly requests Senator Wm. F. Russell, Delegates Carson W. Harris, Ellsworth C. Bowers to vote for ratification of the Federal Suffrage Amendment:

Overland

TRADE MARK REG.

Since the signing of the armistice which terminated the great European war the American public have demanded an automobile moderate in price and economical to operate.

To give the public such a car the manufacturer must produce a light automobile.

In the New Overland 4 will be found an automobile light in weight, moderate in price, yet retaining the ease of control and riding qualities found in heavier and higher priced machines.

The Model 4 is the most economical automobile to operate as it only weighs 1825 pounds and is mounted on tires that cost less than $20.00.

Low up-keep and high mileage on gas, oil and tires, linked with an exceptional large second-hand value insures the owners of Model 4's a saving of several hundred dollars.
