MOFFAT'S

Life Pills and Phœnix Bitters.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be healthful:—

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind, Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill Temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all virulent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction to others.

The LIFE MEDICINES have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

ALSO WORMS, by dislodging from the turnings of bowels the slimy matter to which these creatures adhere.

ASTHMA and CONSUMPTION, by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, become hardened, and produces these dreadful diseases.

SCROFULA, SORES, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and continental malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well known to hundreds in the city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY YEARS; and that he lived in vain every remedy prescribed within the whole compass of the Materia Medica. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, and after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.

Try them, be satisfied, and be cured.

BILIOUS FEVERS and LIVER COMPLAINTS, GENERAL DEBILITY, Loss of Appetite, and Diseases of Females—these medicines have been used with the most beneficial results in cases of this description. King's Evil and Scrofula in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all Kinds, Prostration of the Heart, Painter's Colic, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla.

Prepared and sold by Dr. W. B. MOFFAT, 335 Broadway, N. Y. For sale by all Druggists.
