COUNTY AGENT'S NOTES

The farmers of Kent county have, so far, taken advantage of the soil testing opportunity to the tune of 88 samples. All of these samples have been forwarded to the Maryland Experimental Station for the test. Returns will be made in two or three weeks giving plenty of time to order lime for use this spring where necessary. I am sure the determined effort which carried these progressive farmers through the ice and snow will be rewarded in dollars and cents.

Farmers Institute Meetings will be held in Kennedyville and Chestertown this year, during the second week in March. Specialists from the State College Extension Service will be heard on Dairying, Poultry, Fruit Growing, etc. The special feature of these meetings will be lectures by our progressive and successful farmers of Kent county. These meetings cost nothing. Come and get new ideas.

Now is the time to make up your spray schedule for the year. Determine what spray materials you are going to use and find out where they can be obtained cheapest. The Farmers Institute Meetings will take up the subject of spraying fruit trees.

In view of the bad weather conditions for taking of samples of soil for lime requirement test, the Experimental Station advises that an extension of the time has been made. The County Agent will therefore be glad to receive soil samples any time during the next two weeks.

Gilbert Henry, a 20-year old colored man employed by S. G. Fogwell, was instantly killed yesterday morning by the Kent county freight train. Henry was driving a dearborn loaded with milk cans to the Massey creamery and when trying to get across the track at the Bibbstown crossing, near Massey, his wagon was struck by the freight and he was killed. The horse was uninjured, but the wagon was wrecked. An inquest was not deemed necessary.

EXPENSE HIGHER, TAX RATE LESS

Governor Ritchie presented the budget to the General Assembly.

Despite increases in salaries and in costs of all materials a decrease in the State tax rate for 1921 and 1922 of two cents is assured.

For public schools, including increases in teachers' salaries, there is an increase for 1921 of $750,000 over this year.

For new road construction a bond issue is recommended.

For a memorial to the veterans of the Great War an appropriation of $200,000 is recommended.

State tobacco warehouses will be reconstructed at a cost of $200,000.

A new bridge over the Severn river $360,000.

HAND OF DEATH

Mrs. Hester A. Bennett, widow of the late John R. Bennett, died at her home in Kennedyville Tuesday, aged 81 years. She had been in declining health for some months and the end, while not unexpected, came suddenly as there had been, apparently, a marked improvement in her condition during the past two weeks. Mrs. Bennett, whose maiden name was Cavender, was born near Christiana, Del., removing to Kent many years ago with her husband. In the community of Kennedyville, where she resided for the better part of her life she was much beloved and honored by all who knew her. She is survived by seven children, viz., John N. Bennett, former county commissioner, and president of the Noland-Bennett-Russell Company, of Chestertown; James residing in Wilmington; Mrs. Susie Shallcross, Mrs. J. L. Smyth, Mrs. E. E. Hudson, Mrs. George W. Bolton, and Mrs. Wm. H. Krusen; she leaves also twenty-one grandchildren and eight greatgrandchildren. Funeral will be held Saturday morning from her late home in Kennedyville, interment in Still Pond Cemetery, Wm. H. Krusen, undertaker. The funeral will be held at 11 a. m.

She was a loyal and devoted memer of the Presbyterian Church.

Mrs. Sara Hepbron, widow of the late James M. Hepbron, and a former school teacher of the Still Pond school died at the University Hospital on Thursday afternoon at two o'clock of double pneumonia, aged about 55 years. She leaves one daughter, Miss Bessie Hepbron, of Baltimore. Body will be brought to Still Pond on this morning's train, and interment will take place in Still Pond Cemetery at 11.30 o'clock, Rev. S. S. Hepburn officiating, undertaker W. H. Krusen.

Rev. Clinton T. Wyatt, D. D., who was a member of the Wilmington Conference of the Methodist Episcopal Church, for 34 years died at Denton, Md., Saturday night. Death resulted from heart trouble. Dr. Wyatt had spent three weeks at the Methodist Episcopal Hospital, Philadelphia.

Dr. Wyatt was born in Caroline county, Md., and was 55 years old. He had received a pastoral invitation from Easton, and expected to go there next month.

Mrs. Wyatt survives him, also the members of his conference class—Revs. George E. Wood, William W. Sharp, William R. Mowbray, Henry S. Dulaney, William G. Koons, James T. Prouse, Benjamin F. Jester and Wm. P. Taylor.

Mrs. Nettie W. Thomas, of Denton, is a widowed sister of Dr. Wyatt.

The Rev. Dr. James Monroe Buckley, one of the leaders of the Methodist Episcopal Church in America, for years continually in the public eye because of his vigorous attacks on atheism, and Christian Science, died Sunday of hardening of the arteries, in his home in Morristown, N. J., in his 84th year. Dr. Buckley was one of the hardest fighters in the celebrated controversy in the press back in the nineties between the church and "Bob" Ingersoll, a controversy in which all denominations, including the Catholic participated. He was called the maker of Bishops.

Susan Hadaway, widow of the late George W. Hadaway, died at her home in Baltimore on Friday last, aged 65 years. Her remains were brought to Chestertown on Monday with interment in Chester Cemetery on arrival of train.

The following were pall-bearers: Tilden C., J. Thomas, Grover C., John and Gilbert Hadaway and J. L. Faulkner. Rev. J. L. Ward officiating; C. L. Dodd, undertaker.

John Z., the infant son of Mr. and Mrs. Harry Clark, near Lynch, died Thursday, and interment took place in Chester Cemetery on Friday morning, Rev. Father Earner officiating. Undertaker, W. H. Krusen.

CITIZENS' MEETING

Firemen's Hall Scene Of An Enthusiastic Town Gathering—The Need Of Better Fire Protection, Better Streets And Garbage System Recognized—Action Taken.

One of the best and most practical meetings held in Chestertown by the citizens for a long time was that called by the Volunteer Firemen Wednesday evening. As usual, there were only a few present, but these took hold of the situation and better things are in store. M. Wilbur Thomas called the meeting to order and stated one of the objects, but before the meeting adjourned, many other vital questions were discussed and acted upon. W. B. Copper was called to the chair and Owen C. Smith made secretary. Hon. James A. Pearce, R. Hynson Rogers, Fred. G. Usilton, Walter Wright, Thos. D. Bowers, W. A. Burke, Samuel Cooper, J. W. Russell, E. J. Clarke, W. L. Fowler, Dr. F. B. Hines, H. E. Perkins and others took part in the discussions.

A resolution introduced by Fred. G. Usilton provided for a bond issue for better fire protection, better streets and a garbage system. A committee consisting of five appointed by the chair, three appointed by the President of Fire Company, together with the Town Commissioners, were authorized to draft a Bill, in which the referendum feature should be incorporated, and have it introduced at the present session of Legislature.

Fred. G. Usilton brought to the attention of the meeting the proposed increase in telephone and gas rates and proposed the following resolution which was unanimously passed:

Whereas, the C. & P. Telephone Co., and the Chestertown Gas Company have each filed an application with the Public Utility Commission of Maryland for an increase of rates and

Whereas, the people of Chestertown and Kent county are feeling the effects of the increased cost of living at the present rates, therefore be it

Resolved, by this meeting of Chestertown citizens, that we ask the Public Service Commission to carefully weigh the matter before taking action,

That a committee of five be named by the chair to compare our rates with similar communities and take up the whole question before the commission on behalf of the people of Kent and of Chestertown.

Resolved, That the expense of this committee shall be defrayed by a popular subscription to be raised by another committee of five named by the chair, said expense not to exceed $50.

W. B. Copper, chairman of the meeting, named the following committee Thursday:

Committee on Legislature—Fred. G. Usilton, Chairman; Owen C. Smith, Jas. A. Pearce, Dr. Frank B. Hines, Herbert E. Perkins.

Committee from Firemen—M. Wilbur Thomas; G. H. Cannan, Walter Wright.

Telephone and Gas Co. Rates—R. H. Rogers, Chairman; Thomas G. Wroth, L. Bates Russell, Thomas D. Bowers, J. Waters Russell.

Committee on Expense Account—J. Raymond Simpers, Chairman; A. S. Turner, Harry B. Rote, Arlington L. Sparks, C. Norman Jefferson.
