Congressman Andrews announces his candidacy for a renomination. He will have opposition, Senators Gibson and Roberts being mentioned as likely candidates.

The friends of President Wilson sympathize with him in his sickness. His treatment of Lansing is to be regretted and is only accounted for by the fact that the President is sick. In our humble opinion the Vice-President should play a more important part in affairs.

The truly great become universal. They have a message not confined to place nor to the age in which they live. These words from Washington's Farewell Address sound as if spoken to this age of unrest and party factions: "This government, the offspring of your own choice, has a just claim to your confidence and your support. Respect for its authority, compliance with its laws, acquiescence in its measures are duties enjoined by the fundamental maxims of true Liberty. All obstructions to the execution of the laws, all association with the design to control or awe the regular action of the constituted authorities, are of fatal tendency. They put in place of the delegated will of the nation, the will of a party."

Washington passed down the truth that real freedom means the surrender of the individual self to the larger and freer self, not lessening but extending one's own personal achievement. If our lawmakers and citizens generally would practice this truth what a great America we'd have.

Clifton Tucker Slaughter celebrated his eleventh birthday on Saturday, February 14th, 1920, with a Valentine Party. A number of his young friends from town, together with his schoolmates spent a most pleasant afternoon. After numerous games the young people were invited to the dining room, a table beautifully decorated in pink and dainty refreshments awaited them. The favors were pink bon bon cups with a cupid suspended through a heart bearing the name of each guest and were filled with cream mints. On leaving the table each guest was requested to draw their fortune from hearts suspended above the birthday cake, the reading of which caused much fun. In the game of "Heart Target" Miss Alice Rote and Sterling Townshend carried off the first prizes, while Miss Clorea Baxter and Nelson Leverage received the booby prizes. The guests bade Master Clifton good night, wishing many returns of the day. He was the recipient of many beautiful presents. Those present were:

Misses Alice Rote, Margaret Rasin, Hilda Tucker, Clorea Baxter, Elizabeth Baxter, Laura Fields, Georgina Robinson, Margaret Smith, Mary Fields, Louise Price, Margaret Jefferson, Dorothy Baxter, Edna Smith, Dorothy Tucker, Calvin Copper, Allen Stradley, Sterling Townshend, Parks Rasin, Jr., Harry Tucker, Calvin Price, Walter Robinson, Harry Smith, Edwin, Nelson and Ernest Leverage, Charles Tucker and Sylvester Gable.

ANNAPOLIS NEWS

The Senate defeated the Suffrage Amendment 18 to 9 and the House 64 to 36. Kent's delegates voted with the majority. It was a foregone conclusion that this would be the result with the politicians against the ladies.

A bill has been introduced giving the ladies a right to vote for vestrymen in the Protestant Episcopal Church.

An enabling act has been presented by Representative Harris for a $17,000 school house at Still Pond. There is no referendum attached.

Another request is made for $6,000 to reimburse the committee for money advanced in furnishing Galena school.

A Bill to increase the pay of our Orphans' Court Judge from $4 to $7 will be introduced next week.

Increased representation for Baltimore city has been favorably reported by Committee in House.

The Merit Bill has been passed by the House.

ROCK HALL

Bert Atkinson was driving along the public road one day last week when his horse suddenly became ill and died.

J. E. Coburn, who lives on his farm purchased from Walter Hadaway, had a mule slip on the ice Monday near Harry Jeffers' gate and kill itself.

Maurice Jones' team could not negotiate the ice Monday and the Piney Neck girls had to walk much of the way to the High School here.

Howard Strong lost a mule at his saw mill this week.

Prof. W. A. Strang was in Annapolis this week as one of the committee representing the teachers to meet the State Superintendent.

Mrs. Joseph Downey, Jr., has been housed by illness from bronchitis for a couple of weeks.

Mrs. Isaac Leary continues quite sick.

Sterling Jones, of Chester, is the guest of his family.

Mrs. Frank Sewell has returned from a week's visit in Washington, D. C.

Mrs. Katie Hague is visiting her sister, Mrs. Mary Crouch, near St. Paul's.

James Rodney has gone to Underwood Sanitorium since his condition did not make the desired improvement.

Walter Wirts has influenza and Mrs. Wirts is yet under medical care.

Friends of Mr. and Mrs. Hynson Carter tendered them a most delightful surprise Monday evening at their home.

The Suffrage question has created much interest our people being about equally divided. One lady says, "When the men want a good meal cooked, the sick attended to or money raised, they know who to call on, and it seems strange they are afraid to give us the ballot."

The fire at Chestertown could be plainly seen here.

A CARD OF APPRECIATION.

The undersigned, feeling the tender solicitation evidenced by my friends in extending their sympathies and assistance at the burial of my daughter, I take this method to extend to them all my heartfelt thanks.

HARRY C. HAMILTON.

"ONLY ONE THING BREAKS MY COLD!

"That's Dr. King's New Discovery for fifty years a cold-breaker"

NOTHING but sustained quality and unfailing effectiveness can arouse such enthusiasm. Nothing but sure relief from stubborn old colds and onrushing new ones, grippe throat-tearing coughs, and croup could have made Dr. King's New Discovery the nationally popular and standard remedy it is today.

Fifty years old and always reliable. Good for the whole family. A bottle in the medicine cabinet means a shortened cold or cough. 60c. and $1.20 all druggists. Give it a trial.

Regular Bowels Is Health

Bowels that move spasmodically—one day and stubborn the next—should be healthfully regulated by Dr King's New Life Pills. In this way you keep the impurities of waste matter from circulating through the system by cleansing the bowels thoroughly and promoting the proper flow of bile.

Mild, comfortable, yet always reliable, Dr. King's New Life Pills work with precision without the constipation results of violent purgatives. 25c. at usual at all druggists.

Come In and See This Spreader Work.

We announced a short time ago that we have the agency for the **New Idea Spreader.** We believed at the time that this was the best spreader made, and now, after scores have examined it thoroughly and commented favorably, we are more than ever convinced that we have the ideal spreader—the original wide-spreading machine.

We want our customers to come in and see this practical, low-down, light-draft spreader. We have it all set up and can put the mechanism in motion just as you'd see it in the field.

Perhaps you don't need a spreader. No matter! Come in just the same and see the "New Idea." Our word for it, you'll be interested anyway. The

NEW IDEA Registered U.S. Pat. Off.

Manure Spreader

stands unique among spreaders. It puts manure on the soil in the best possible condition to furnish necessary plant food. A chain conveyor carries the load to a pair of cylinders, revolving one over the other, where it is thoroughly pulverized and thrown to swiftly revolving paddles that distribute it evenly over three corn rows. The feed can be easily regulated, 3, 6, 9, 12, 15, 18 loads per acre, or shut off entirely.

The New Idea Spreader will carry a big load of manure—never clogs, and with reasonable care will last a lifetime. It is the

First Wide-Spreading Spreader Ever Built

and got the name "New Idea" because it first embodied this great improvement—wide-spreading.

WE'VE AN INTERESTING BOOK TO GIVE YOU. Called "Helping Mother Nature." Tells more about manure than you ever thought of. Shows how fresh manure, distributed by the New Idea Spreader, builds up soil fertility and increases farm profits. Don't miss your copy—it's here when you call.
