DR. LINDSEY'S IMPROVED
BLOOD SEARCHER.
A STANDARD MEDICINE

For the speedy, radical and effectual cure of ALL DISEASES arising from IMPURITY OF THE BLOOD.

This medicine has wrought the most miraculous cures in desperate cases of

Scrofula,	Cancerous formations,
Cutaneous Diseases,	Erysipelas, Boils,
Pimples on the face,	Sore Eyes,
Old, Stubborn Ulcers,	Scald Head,
Tetter affections,	Rheumatic Disorders,
Dyspepsia,	Costiveness,
Jaundice,	Salt Rheum,
Mercurial Diseases,	General Debility,
Liver Complaint,	Loss of Appetite,
Low Spirits,	Foul Stomach,

Female Complaints, and all Diseases having their origin in an impure state of the Blood.

The above is a portrait of David McCreary, of Napier township, who, on the 31st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his *lip, nose, and a portion of his left cheek were entirely eaten away!* He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

We also refer to the case of Nancy Bleakney, of Elderton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than McCreary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.

BŒRHAVE'S
HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND AGUE,
And the various affections consequent upon a disordered
STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY!

The Genuine highly concentrated Bœrhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle, or six bottles for FIVE DOLLARS. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

Beware of Imposition. See that our name is on the label of every bottle you buy.

Sold by Druggists generally. It can be forwarded by Express to most points.

MEDICAL HOUSE,
NO. 11 SOUTH FREDERICK STREET
BALTIMORE.

DR. SMITH

HAS FOR MANY YEARS DEVOTED his whole attention to the treatment of Private Complaints, in all their varied and complicated forms. His great success in those long standing and difficult cases, such as were formerly considered incurable, is sufficient to commend him to the public as worthy of the extensive patronage he has received. Within the last eight years Dr. S. has treated over 29,600 cases of Private Complaints in their different forms and stages; a practice which no doubt exceeds that of all other Physicians now advertising in Baltimore, and not a single case is known, where the directions were strictly followed, and medicines taken a reasonable time, without effecting a radical, a permanent cure; therefore persons afflicted with diseases of the above nature, "no matter how difficult, or how long standing the case may be," would do well to call on Dr. SMITH, at his office, No 11 South Frederick street.

The afflicted should bear in mind that Dr. S is the only regular physician advertising, who has for many years devoted his whole attention to the treatment of this class of diseases.

His Medicines are free from Mercury and all Mineral poisons; put up in a neat and compact form, and may be taken in a public or private house, or while travelling, without exposure or hindrance from business, and except in cases of violent inflammation, no change of diet is necessary.

We are called upon every few days to cure Chronic diseases which were supposed to have been cured years ago, but instead of which were only checked, driven into the system by Mercury or Copavia, and therefore seemed to be well, but in a longer or shorter time, by some slight cause, broke out in its worst and most difficult forms, producing ulcers in the throat, nose or roof of the mouth, eruptions of the skin, pains or swelling of the bones, etc. On account of the number of such cases which have lately come under my care, and the immense suffering which a little neglect or improper treatment in the first stages of the disease may cause, Dr. Smith thinks it his duty to advise the unfortunate, *particularly strangers*, to be careful that they are not deceived by *false advertisements of boasting quacks*, who make promises which could not be fulfilled; even by the most experienced physicians. By neglect or improper treatment, the patient is often reduced to a state which makes the case extremely difficult to cure. Therefore all should be aware of the importance of consulting a skillful physician in the early stage of the disease.

CONSTITUTIONAL DEBILITY.

Young men! Beware of the pernicious indulgence and almost fatal injury you inflict upon your constitutions by evil examples and the morbid influence of the passions.

How many young persons do we daily behold, whose countenances and debilitated constitutions depict diseases arising from that horrible and devastating vice.

It could be shown how attenuation of the frame, palpitation of the heart, derangement of the nervous system, cough, indigestion, and a train of symptoms indicative of consumption, are often ascribed to wrong causes when in reality they are the consequence of an alluring and pernicious practice, alike destructive to the mind and body.

DR. SMITH gives his special attention to the treatment of this destructive malady. Patients can be cured at home by addressing a letter to Dr. Smith describing symptoms and receive medicine securely packed from observation, forwarded by express or otherwise to any part of the country.

N B—Persons afflicted with any of the above disorders will do well to avoid *boasting imposters*, whether foreign or native, as also the numerous Specifics advertised as a certain cure for any and every Disease. These preparations are put up to sell but not to cure, and often do much more harm than good, therefore avoid them.

"A word to the wise is sufficient."

Address DR. J. B. SMITH,
No. 11 S. Frederick st., Baltimore, Md.

No letters will be answered unless they contain a remittance or Postage Stamp to pay postage on the answer. May 11,—1y.

GOOD NEWS AT LAST!
LET THE AFFLICTED READ!

And learn that a perfect and radical cure is warranted and guaranteed to all who are afflicted with weakness, debility, nervous complaints, melancholy thoughts, depression of spirits, distress and anguish of mind, loss of sleep, loss of memory, loss of energy and muscular power, puny growth, wasting away, and a want of confidence in themselves, fainting fits, convulsive tremblings, impotence and disgust of life. Some physicians require to be told the nature of your disease—the ENGLISH BOTANIC PHYSICIAN does not. His perfect knowledge of the human system enables him to describe the disease without any information from the patient, to explain its original cause, and to guarantee its cure. And, what is more valuable still, he will honestly and frankly tell whether you can be cured or not, thus saving you trouble, expense and disappointment. His examinations are made without any information from the patient; therefore he thoroughly understands their Physical condition and Phrenological development, without which he never could have performed so many astonishing cures. It should be remembered that this Botanical Physician performs cures thought impossible."—*Medical Journal.*

Let skeptics, and more especially those who have tried others and got no relief, let them read the following facts, and judge for themselves, of the good effects of the Botanic Physician's New Remedies. As all his correspondence is strictly private and confidential, honor prevents from giving names.

YOUNG MEN, READ THIS!

"I am now twenty-five years of age; I have suffered from the following symptoms since I was seventeen years old; I employed every means; I consulted a number of medical men, and spent a little fortune for medical treatment, and got no relief, until I tried the Botanic Physician. Under his treatment, I was restored to perfect health, both mentally and physically. The following were the symptoms I felt:—At the age of seventeen, palpitations of the heart came on, and which were afterwards induced on the slightest exertion or excitement; periodical headaches, noise and buzzing through the ears; imperfect vision, objects like falling stars annoying the sight; temporary attacks of squinting; pimples and blotches on the face; a shrivelled state of the frame, with constant cold feet and hands; loss of memory; incapacity to turn the attention to any one subject; frequent fits of abstraction; total inability to study; dislike to society; attacks of despondency, melancholy, involuntary shedding of tears; heats and flushes on the face on the slightest occasion, and thoughts of suicide; difficulty of breathing on the least extra walking, running, or going up stairs, or up a hill. The stomach was constantly out of order; the appetite became capricious; sometimes it increased, and at other times nearly absent; fanciful tastes and a longing for strange food. A train of dyspeptic symptoms set in, such as flatulence, constipation and looseness; extreme heaviness and torpor after eating; great thirst, restless nights, frightful dreams, cough, night sweats, fetid breath, decay of teeth, constantly furred tongue. The chief symptoms of which, in addition to the preceding, were pain and debility in the back and loins, creeping and shivering sensations down the spine, as though ants were traversing that column. I was engaged to be married, but dared not, for fear my infirmity might be known. I felt a sense of fear, distrust and shame, with a dread lest my infirmity should be suspected or discovered; a wasting away followed, and my friends thought I was consumptive; my complexion became sallow, my eyesight dim: I had a downcast and an abashed look; I was unable to stand the gaze of other people; I would blush when spoken to; my forehead and face became blotched and pimpled; a loss of flesh followed, and a great drowsiness, with an indifference to everything but seclusion; appearances of rupture began to show themselves. I began to pine away; for seven years I suffered all these symptoms and kept the secret in my own bosom; and I believe I should have taken the secret to an early grave, had I not consulted the Botanic Physician. I write these facts for the sake of suffering humanity, hoping they will save some of my fellow-creatures from a life of suffering and a premature grave. Yours, truly, &c., —— ——."

When the above gentleman called on me, he had no hopes of a cure; all he expected was a little relief. I first made a Phrenological and an Anatomical examination of him. Having satisfied myself that he had no chronic disease about him, I told him at once that I could cure him; but he had suffered so much disappointment in the other remedies he had tried, that he even doubted mine; however, I made the necessary Mathematical and Astronomical calculations; and having by these means ascertained what herbs, under planetary influence, were best adapted to his case, the cure was very soon accomplished. He soon recovered all his mental and physical energies; in short, he became a man again; and shortly after married, and I need not say became a happy man.

AFFLICTED, READ,

And hear what others have said of him and his cures:—

"This eminent English Botanic Physician has really performed some of the most astonishing cures on record, in this or in any other country, by his simple, innocent, but certain New Remedies.

"Every Man, Woman and Child, whether Father, Husband or Son; all Ladies, whether Young or Old, whether a School Girl or Matron, whether Mother, Wife or Daughter, whether Married or Single; all should consult the English Botanic Physician, if they wish to be permanently and radically cured.

"Let no young man enter the SACRED OBLIGATIONS OF MARRIED LIFE, without first consulting this eminent English Botanic Physician. He has cured hundreds of cases which have been pronounced incurable; and thousands have been radically cured by him, and the parties are now married and happy. Every one, especially young persons and those contemplating marriage, should consult him. He will describe your disease and the parts affected. He will describe the true cause of all your sufferings and infirmities. He will tell all the symptoms you have experienced, and will tell all these symptoms on your health and constitution. He will tell you how long you have been affected. He will also tell you how and when you can be cured. No deadly poisons, as Arsenic, Nux Vomica, Opium, or any other poisons; no Mercury, nor any deadly mineral—nothing but purely vegetable applications are prescribed by this wonderful Medical Botanist. We advise every one to consult the English Botanic Physician, and judge for themselves."—*Medical Journal.*

LADIES, READ THIS!

"I have been married ten years; I never had any children; it caused discontentment in my husband; we both were anxious to have children; and I tried several things to remove my barrenness, but they had no effect. About three years ago, I called on the Botanic Physician; I took his Remedies, and am now blessed with two lovely children; my health is much improved, and my husband is more contented and happy. Believe me, yours, &c., —— ——."

ANOTHER FOR THE LADIES!

"Eleven months after I was married, I gave birth to a daughter, but my sufferings were so great that the Faculty despaired of my recovery. This made me dread the thoughts of having any more children. I tried everything to prevent a repetition of my sufferings, but without succeeding. Two years after marriage, I was again confined, but my sufferings were so great that the child died. I was told by my Physician that if I had any more children, he feared my life would be endangered. I tried the BOTANIC PHYSICIAN'S **Preventive to Have Children.** His Remedies had the desired effect; they not only prevented me from having children, but they also improved my health. *To the pure, all things are pure.* Yours, sincerely, &c., —— ——."

LADIES

Whose delicate health makes it desirable not to have children, consult him. All those who are childless, and wish to have children, consult him. All Ladies consult him in the most delicate cases, with implicit and perfect confidence.

TO THE MARRIED LADIES, whose health will not admit of an increase of family, his Remedy is invaluable, as it can be successfully used as **A PREVENTIVE Against Having any Children.** If you have tried others, and got no relief—if you wish to enjoy good health and long life—if you are wise, you will go and consult the ENGLISH BOTANIC PHYSICIAN, at his private residence, No. 1336 LOMBARD STREET, PHILADELPHIA.

All interviews are strictly private and confidential. Thousands can testify to his honorable, fatherly and gentlemanly conduct; his standing and experience of half a century prove, beyond all contradiction, that they can confide all their little troubles and secrets to him as a father, a man of moral rectitude, and a man of honor and high sense of duty. Past experience has proved that all their little secrets are safe and sacred with him.

MARRIED MEN, READ THIS!

"I have been married fourteen years; about five years ago I began to lose my muscular power, so much so, that I feared I would become impotent. I applied to several medical men, but got no relief, until, by mere chance, I applied to the Botanic Physician; he told me mine was a case that required time, but that he would guarantee a perfect cure if I only followed his advice. I put my name on his books; he made a calculation and ascertained what herbs would be most efficient and best adapted to my case. Ultimately, by attending closely to his advice, I recovered all my lost power and energy, and I am now stouter and a stronger man than I ever was. Yours, gratefully, &c., —— ——."
