WILLIAMS IS CANDIDATE

In the characteristic letter to the Republican voters of the First, or Eastern Shore, district, former State Senator Frank E. Williams, editor of the Elkton Whig, announces that he will be a candidate for Congress. Two years ago, he says, he declined to be a candidate, believing that every American citizen owed undivided support to the Government. His two grown sons were then fighting overseas. Now the war is over and the country is faced with vast domestic and economic problems requiring men in Congress "freed from political shackles," to solve them in the interest of the whole people. He opposes militarism and the trend of Wilsonism. He says he "may not get a handful of votes," but he hopes "to give the people some plain talk" on the League of Nations and American issues.

Mr. Williams was pastor of Northminster Presbyterian Church in Baltimore for some years before taking to the newspaper business at Elkton and becoming active in Republican politics on the other side of the Susquehannah.

IN MEMORIAM

In sad but loving memory of Mrs. Mary E. Joiner, who departed this life March 19th, six years ago today.

Farewell dear mother until in that happy land,
We shall behold thy face again,
Into sweet rest she has entered no more grief or pain to bear,
In that dear land with the angels,
Mother, I know you are happy there.

RESOLUTIONS OF RESPECT.

Massey Lodge No. 157 I. O. O. F.,
Massey, Md., March 15th, 1920.

Whereas, The great and supreme Ruler of the universe has in his infinite wisdom removed from among us one of our worthy and esteemed brothers, William B. Maslin, a charter member, and, whereas, the long and intimate relation held with him in the faithful discharge of his duties as an officer and member of our order, makes it eminently befitting that we record our appreciation of him; therefore,

Resolved, That the wisdom and ability which he has exercised in the aid of our Lodge by service, contributions, and his conscientious work in maintaining a Lodge in our midst, will be held in grateful remembrance;

Resolved, That the sudden removal of such a life from among our midst leaves a vacancy and a shadow that will be deeply realized by all the members of our order, and will prove a serious loss to the community in which he has resided from childhood;

Resolved, That with deep sympathy with the bereaved relatives of the deceased we express our hopes that even so great a loss to us all may be overruled for goodby Him who doeth all things well;

Resolved, That a copy of these resolutions be spread upon the records of this Lodge, a copy printed in the Kent News and a copy forwarded to the bereaved family.

FARMERS TO THE RESCUE

America owes all to the farmer, and the man with the hoe is the one man who has the persistency and the loyalty to the needs of the nation to work without flagging for the interest and advantage of all other classes. Secretary Meredith in his address before the Merchants Association of New York laid emphasis, and deserved emphasis, upon this fact. He points out that the farm workers have increased in numbers from 5,900,000 in 1870 to 13,700,000 in 1919, and the production of each farm worker in terms of leading cereals also has increased. In the period from 1856 to 1874 each farm worker produced an average of 266 bushels annually. In the period from 1906 to 1914 the average of 406 bushels, while in the five years, 1915 to 1919, the average production per farm worker was 418 bushels.

He adds that during the war the farmer increased his planted acreage, despite labor scarcity. "During the war, in spite of the labor shortage, the farmers increased their planted acreage by 33,000,000 acres, and their yield by 635,000,000 bushels over the average for the pre-war period." Is there a brighter showing anywhere? Why are the men who work in mines or upon the roads or in the shops worthy of special consideration when the farmer, rising above all other considerations makes it his aim to supply the population with food. This is not alone his task but his ideal. Let him be heard and heeded and the mouths of the rampant and idleness-inciting industrial elements be shut with shame! Why cannot all labor with a common aim and apart from agitation?—Ex.

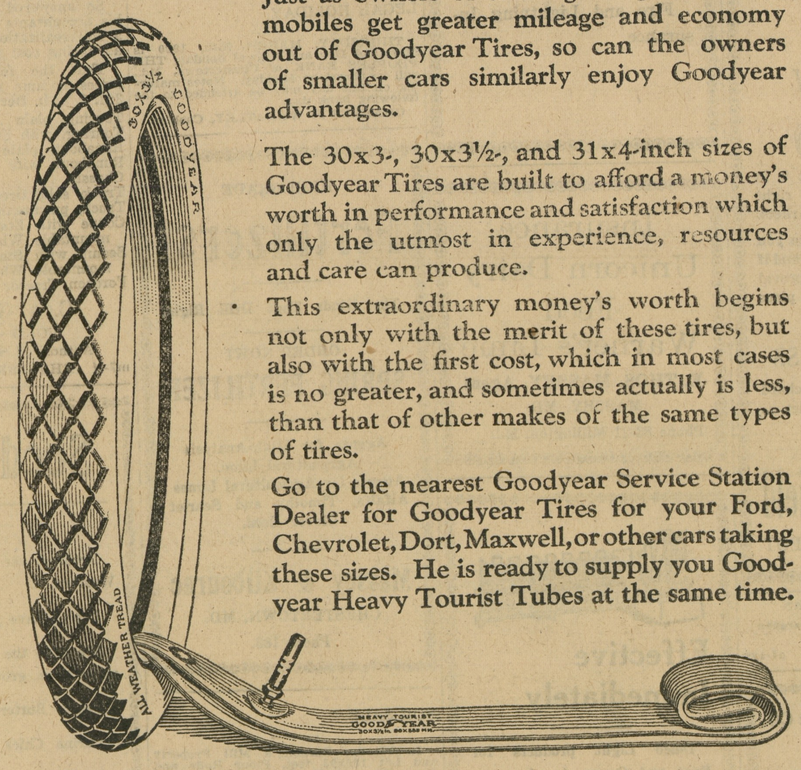
Get Goodyear Tire Economy for That Smaller Car



Just as owners of the highest-priced automobiles get greater mileage and economy out of Goodyear Tires, so can the owners of smaller cars similarly enjoy Goodyear advantages.

The 30x3-, 30x3½-, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... $23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... $21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size *in water-proof bag*..... $4.50
