CHURCH NOTES

Christ M. P. Church, Rev. J. L. Ward, pastor. Sunday services, sermon by the pastor, "The Glorious Easter Hope," 10.30 a. m.; Sunday School, Fred. G. Usilton, Superintendent, 2.30 p. m.; the missionary anniversary 7.30 p. m. All welcome.

The Maryland Annual Conference will convene in First Church, Washington, next Wednesday. It is thought that the five year term of presidential office will be renewed, which had been the rule for years, until the annual session of the Md. Annual Conference three years ago in Baltimore, when the term of office was shortened to three years. This caused some dissatisfaction among the ministers with the result of two of them declining the presidential candidacy. Dr. L. F. Warner was elected at that session and has served three years, and Dr. Warner has made an excellent record as head of the Maryland Conference and is the logical man for another term of office.

St. James, Special Easter sermon, Sunday school 10 a. m., preaching 11.

Lynch, Sunday school 2.30 p. m., preaching 3 p. m. Being Easter Sunday and the last Sunday in the conference year, may we all enjoy the services at St. James and Lynch.

Kennedyville M. P. Church, Rev. J. F. Wooden, pastor. Sunday services April 4th will begin at 10.30, at which time an Easter program will be rendered by the school choir, followed by Decision Service. At 7.30 the pastor will preach on the Resurrection.

The two methodist congregations worshiped in the Methodist Protestant Church, Chestertown, Sunday. Rev. J. L. Ward preached in his characteristic tender manner at the morning service and Mr. Ballard, of the College, rendered the "Palms" in a most masterly manner. At night St. James' big preacher occupied the pulpit and gave a splendid sermon followed by a sweet duet by Mr. and Mrs. J. Hydie Thompson.

There will be no changes in the M. E. Pulpits until after Easter.

The minimum salary is $1200 hereafter in the Wilmington Conference.

Rev. J. L. Ward has been invited to become pastor of Congress Street M. P. Church, Cumberland, for the coming year, at a salary of $2,000. He was serving this congregation at the time of his appointment to Chestertown and the fact that he can return speaks well for both people and pastor.

Bond and Mowbray Chapels: Services for Easter Sunday are as follows: 11 a. m. sermon, subject, "The Glories of the Resurrection." Evening services at Mowbray at 7.30. The retiring pastor would be glad to have everybody in the two communities attend these services as they are the last he will hold on the charge.

Services in Emmanuel P. E. Church, Chestertown, on Easter Day at 11 o'clock. The following musicale program will be rendered:

"Christ Our Passover" in D by Wilkinson.
"Te Deum Laudamus" in A by Gribel.
"Jubilate Deo" in G by Read.
Anthem, "He is Risen" in F by Simper.

Members of the choir—Mrs. Allan A. Harris, Misses Harriette Welch, Helen Connelly, Louise and Susan Stam, Miss Fannie Stuart, T. W. Perkins, W. W. Chapman; Mrs. Jesse Medders, Organist.

Easter will be observed throughout the day tomorrow in the M. E. Church. At the request of the presiding bishop, supported by a unanimous resolution of the Conference, the pastors who remove to other fields will remain in their old pulpits for the Easter services. Therefore, Dr. G. T. Alderson will occupy the pulpit both morning and evening. In the public service at 10.30 in the morning he will preach an Easter sermon and the choir will render special music. The Sunday school session will be at 2.15 in the afternoon. In the evening at 7 o'clock the Epworth League will conduct a devotional service and at 7.30 Dr. Alderson will again discuss an Easter topic which will be his concluding service in this charge. Rev. O. E. Jones, who was appointed to this charge, is expected to move on Thursday.

DIRECTORS KENT COUNTY PRODUCE EXCHANGE MEET

Wednesday afternoon, March 31st, the Board of Directors of the Kent County Produce Exchange held their first meeting since the organization was completed. E. A. Corey presided as chairman. The resignation of W. G. Smyth as secretary was accepted and Arthur L. Harris was elected to that office.

Important information was received from the Peninsular Tomato Growers' Association regarding the tomato situation and the price for 1920. It is not deemed advisable to make public at present any decisions regarding price. However, any paid member can obtain this information from any member of the Board of Directors.

The Kent County Produce Exchange as well as the Peninsular Tomato Growers' Association recommends that the acreage in tomatoes this year be cut about half in order to get a fair price for tomatoes. This severe cut is recommended in order that farmers may get back their cost of production plus a profit.

Cost of production is the main features the Board of Directors requests all members to figure out. If you are going to grow tomatoes at a loss it is best not to grow them. Remember the figures presented at the first meeting, $118.50 per acre, and this was decided to be a little low for Kent county conditions.

The Kent County Produce Exchange is now affiliated with the Peninsular Tomato Growers' Association. One hundred and twenty-four Kent county farmers have joined and paid their yearly dues of $1.00. All Kent county farmers who wish to become members will give their name and dues to any member of the Board of Directors.

Next meeting of the Board of Directors will be held in the Court House on Wednesday, April 14th, at 1.30 p. m.

MUSKRAT BILL INTRODUCED

A bill has been introduced in the Legislature relating to muskrats which is of vital interest to Kent countians who own land on the bay or river shores. The bill provides for the regulation of the catching law, and it also provides for licenses for trappers. The total cost of eahc license is $1.75. In addition the bill provides that "Every person who purchases, barters or sells muskrat furs, except persons who kill such muskrats, shall pay to the Clerk of Court of said county or city the sum of $50 as a traders' licenses, unless said person or persons are merchants holding a traders' license."

The bill establishes restrictions for their preservation and protection. The demand for the pelts of the little animals is their worst menace. Twenty years ago the pelts were drugs in the market at 25 cents each. Today they find ready sale at $4. The carcasses, which formerly went to the waste heap, is now 25 cents each. A trapper in Kent county is said to have made over $5,000 during the present season. The total sales of pelts in Kent county, according to reports, have exceeded $100,000 for the season.

The bill was not introduced by any member from Kent, but this delegation should be communicated with in the event of opposition or approval of the measure.

TO OLD SUBSCRIBERS.—Please look at the label on your Kent News paper and see when it is paid up to Your attention to this will be appreciated.

KEY'S SON STILL LIVING

Messrs. Editors:

Sirs: In a late issue of the Baltimore Sun appeared an article headed "The last descendant of Key dies." Then states that Mr. John Ross Key, an artist living on St. Poul street, had passed away this day before.

I do not doubt that the gentleman passed away at the time stated but that he was "the last descendant of Key" is a mistake for out at the Confederate Home lives John Key, a son of Francis Scott Key, who was the youngest son of the author of that immortal poem "The Star Spangled Banner."

I am sure that if he read the article in the Sun he thought as Mark Twain did when he read an account of his own death. He said "It was greatly exaggerated."
