Horse Notes.—At Cecilton, Friday, a pure-bred Percheron stallion, weighing when in condition 2,000 pounds, was sold for a bill for keep, at auction sale for $110. This horse, along with eight or ten others of the same kind was sold about 18 months ago for $4,200, on the company ownership basis, 21 farmers subscribing $200 each toward the purchase of a horse. In each case the stallions were represented to be sound in every way, and to be imported Percheron stock. One sold at Kirkwood was found to be blind in one eye when he arrived at the station there, and one sold at Middletown was also found to be unsound. The breeding of both was traced, and it was discovered that they were bred in New York State, and were not imported stock. Settlement at the sale was made by notes, and while some of the notes were paid at maturity, others were protested. But no suits have been entered to enforce payment.

Robert T. Cochran has sold to Wm. H. Scott, of Darlington, Md., his brown pacing mare, Little June Bug, for $1,000.

The Crumpton Parsonage Invaded

Like a mighty army moved the parishoners of Crumpton charge on Tuesday evening, March 30, to the M. E. parsonage of Crumpton, Md., to welcome their new old pastor. Words cannot tell the result of the invasion of this great army but if you could only visit the pantry of the parsonage, Lo and Behold! You could see what it means to serve a people like those that live on Crumpton charge. Groceries, vegetables and fruit to the amount of at least $100 left, and the pastor's wife is wearing a smile that won't rub off. Brother and Sister Rowlenson have been returned for the third year and our expectations are for greater results than last year. Our aim is the "Souls of Men." Come over and help us.

Jesse Hicks vs. Mary Hicks

In the Circuit Court for Kent County, In Equity. No. 2088.

The object of the Bill is to procure a Divorce a Vinculo Matrimonii from the said Mary Hicks.

The Bill states:

First — That sometime during the month of August, 1916, he was married to his wife, Mary Hicks, at Georgetown, Kent County, Maryland, with whom he resided until June, 1917.

Second—That although the conduct of your Orator towards his wife, the said Mary Hicks, has always been kind, affectionate and above reproach, the said Mary Hicks, has, without any just cause or reason, abandoned and deserted him, and has declared her intention to live with him no longer, and that such abandonment has continued uninterruptedly since June, 1917, is deliberate and final and the separation of the parties beyond any reasonable expectation of reconciliation.

Third—And that ever since their said marriage, your Orator has behaved himself as a faithful and affectionate husband towards the said Mary Hicks.

Fourth—That the said Mary Hicks at divers times and places has committed the crime of Adultry with persons unknown to your Orator and that your Orator has not lived or co-habited with her since he discovered the said adultries.

Fifth—That your Orator has been a resident of Kent County, State of Maryland, for more than two years last passed and that the said Mary Hicks is now a resident of the City of Philadelphia, State of Pennsylvania; and that no children have been born to them as a result of their marriage.

It is thereupon this 7th day of April, 1920, ordered by the Circuit Court of Kent County in Equity, that the plaintiff by causing a copy of this order to be inserted in some newspaper, published in said Kent County, once in each of four successive weeks before the 10th day of May next, giving notice to the said Mary Hicks, non-resident defendant, warning her to appear in this Court in person or by Solicitor on or before the 28th day of May next, to show cause, if any she has, why a decree ought not to be passed as prayed.

Plant Corn on Time

The owner of a "Frick Tractor" never worries over a late season. When the time comes he can have his fields ready for the planter before the neighbor with horses is well started.

The value of a Tractor which can be depended on, at critical periods of the year, is hard to estimate, for a days work may at times hold in the balance hundreds of dollars.

We are prepared to make emergency deliveries.

Full information on request.

Performance in The Hands of Thousands of Owners

has given the Cletrac its leadership in the Tractor field. All—yes, more than Rollins H. White, designer and builder of the Cletrac, claimed fo it, has been done by Cletrac farmers.

When the farmer buys a Tractor he wants a complete hauling and stationary power service, not simply a Tractor that will plow. A Cletrac meets this need in every way. It has only 4¼ pounds of weight per square inch on your fields. The same as your roller or cultipacker, therefore, does not injure your farm by packing the soil too much.

The Cletrac was designed not only to do a good job of plowing, but all kinds of farm work, and all kinds of hauling under all kinds of conditions. It fits the seed bed, as well as it plows; it does the seeding and harvesting; the hay making and threshing; the farm hauling; the wood sawing; silo filling and road building.

When in town stop in and see this wonderful little Tractor work, get a descriptive catalogue and arrange for demonstration, so as to assure prompt delivery, as the factory is back with orders. The Canadian Government has a contract for 1000 Cletracs, at once. We had more Cletracs in the Great War than any other maker of Tractors. See me before you buy.

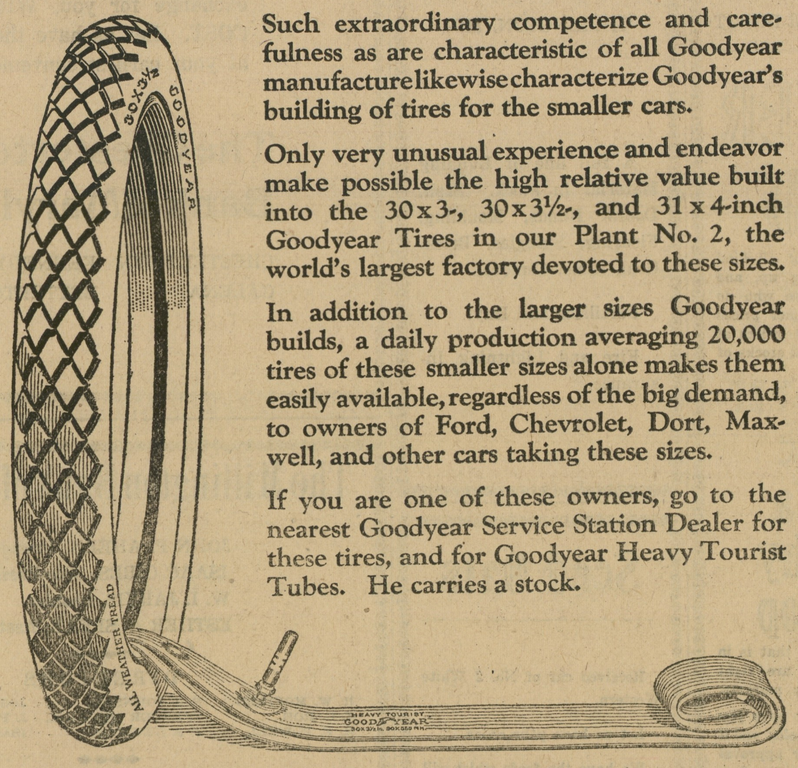
Merit That Makes Mileage —In Tires for the Smaller Cars



Such extraordinary competence and carefulness as are characteristic of all Goodyear manufacture likewise characterize Goodyear's building of tires for the smaller cars.

Only very unusual experience and endeavor make possible the high relative value built into the 30x3-, 30x3½-, and 31x4-inch Goodyear Tires in our Plant No. 2, the world's largest factory devoted to these sizes.

In addition to the larger sizes Goodyear builds, a daily production averaging 20,000 tires of these smaller sizes alone makes them easily available, regardless of the big demand, to owners of Ford, Chevrolet, Dort, Maxwell, and other cars taking these sizes.

If you are one of these owners, go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He carries a stock.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... $23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... $21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size *in water-proof bag* $4.50
