### Sets Aside Will Of Mrs. Mary R. Gordon, Of Dover, Del.

By the decision, yesterday, of Register of Wills of Ernest B. Raughley, in the contested will case of Mary R. Gordon, of West Dover hundred, heard several weeks ago, the will is set aside and an appeal to the Superior Court of Kent county will be taken. The estate of the deceased, valued at from $5,000 to $6,000 and and comprising a farm in West Dover and some securities, was left almost in entirety to two young women, Mabel K. Mitchell and Violet Crew, of whom were nurses during the last illness of the deceased, and Dr. Jos. R. Smith, who attended her, was named as executor of the will.

It also was shown in the hearing of the case that Dr. Smith had suggested the making of the will.

Four nephews of the deceased of Betterton were left a legacy of $100 each, while the remainder of the estate was willed to Mabel K. Mitchell and Violet Crew. The nephews are contestants of the will.

The register in handing down the decree says: "The paper, writing purporting to be the last will and testament of the said Mary R. Gordon, deceased, be and hereby is disallowed and rejected, and that proof of the same as and for the last will and testament of the said deceased is hereby held null and void, and that the costs in the case, which are hereby taxed at the sum of $900; be paid by the estate of the said Mary R. Gordon."

### Home Demonstration Notes

The Girls' Club meetings held in the county last week under Miss Hill Home Demonstration Agent, were generally speaking a great success. Besides taking up the regular sewing work the meetings were conducted in a parliamentary manner and included other phases of club work such as poultry, gardening, sanitation and health.

Miss Hill laid stress on the keeping of records and accounts and made it very plain to the girls that it was necessary that all home work be done entirely by the club members. The quality of work done and the interest taken in club work will be two factors that will play an important part in determining a girls standing.

The following program was carried out: Call meeting to order; music; roll call; answer with name of spring flower; reading of minutes; discussion of plans for club work, conducted by Miss Hill; How I shall select eggs for hatching, club member; Suggestions for clean-up week with emphasis on the house-fly, club members; Set up drill; Sewing instructions; Adjournment.
