WONDERFUL MEDICAL CURES OF RHEUMATISM BY THE APPLICATION OF PROF. CHARLES DE GRATH'S "ELECTRIC OIL."

I propose to cure almost instantaneously, individuals afflicted with Headache, Neuralgia, Chill, Fever, Ague, (while the paroxysm is on,) Rheumatism, and all Bronchial affections.

I propose to check and effectually dissipate more ache and pain, and to accomplish nearer and more perfect equilibrium of all the circulating fluids in the human system than can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.

I do not propose to cure every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on chemical and electric principles, and is, therefore, applicable to the cure or natural restoration of any organic derangement, arising from an improper circulation of Nervo vital fluid.

One of the most remarkable cures was made in Centreville, Md., of the painful limb of Albert Jump, Esq., so well known, (having suffered nine years;) that Dr. Goldsborough, together with the first merchants, druggists, and both the editors of the place, gave a certificate, (the manuscript being in our office now) He was cured in one day. It made a great excitement, and hundreds of bottles have been sold there since.

GREAT CURES,—CITIZENS, READ!

RHEUMATISM.—Mr. Joseph D. Bartle, 9, Myrtle street, says the Electric Oil cured him immediately.

PILES.—Charles Sexton, Esq., Ex-Mayor of Camden, says six applications cured him.—Also, cured his Rheumatism.

NEURALGIA.—Mr. David Mann, 499 Vine st, says he was a great sufferer, but the Oil cured him. So says E. H. Grant, Esq., 517 North Eighth street.

CROUP.—This Oil is infallible for Croup.—Ask a lady at Girard House.

FEVER AND AGUE.—The Electric Oil will cure this in one night. Ask Wm. Watson, corner of Rose and Shippen lanes, and others.

De Grath's Electric Oil is the marvel of this age, for the following (not everything:)
Cures Rheumatism often in a day.
Cures Deafness one to ten days.
Cures Neuralgia Toothache, two minutes
Cures Cramp in Stomach, five minutes.
Cures Burns, Bruises, Wounds, one to three days.
Cures Pains in Back, Breast one day.
Cures Headache, fifteen minutes.
Cures Ear-ache, Stiff Neck, Ague, one night.
Cures Piles Swelled Glands, ten days.
Cures Felons, Broken Breast, Salt Rheum, three to six days.
Cures Quinsy, Palpitation, Pleurisy, one to ten days.
Depot 217 South Eight Street, Philadelphia. Sold by all Druggists. Jan. 10,—3m

BLACKWOOD'S MAGAZINE AND THE British Reviews.

GREAT INDUCEMENTS TO SUBSCRIBE!!!

PREMIUMS AND REDUCTIONS.

L. SCOTT & CO., New York, continue to publish the following leading British Periodicals, viz:
1.—THE LONDON QUARTERLY [Conservative.]
2.—THE EDINBURG REVIEW [Whig.]
3.—THE NORTH BRITISH REVIEW [Free Church.]
4.—THE WESTMINSTER REVIEW [Liberal.]
5.—BLACKWOOD'S MAGAZINE [Tory.]

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journals, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of ADVANCE SHEETS from the British publishers gives an additional value to these reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

TERMS.—[Regular Prices.]

For any one of the four Reviews,	$3 00
For any two of the four Reviews,	5 00

For Blackwood and the four Reviews,	10 00

Money current in the State where issued will be received at par.

POSTAGE.—The Postage to any part of the United States will be but 24 cents a year for "Blackwood," and but 14 cents a year for each of the Reviews.

At the above prices the Periodicals will be furnished for 1862.

And as a PREMIUM to new subscribers the Nos. of the same Periodicals for 1860 will be furnished complete, without additional charge.

Unlike the more ephemeral Magazines of the day, these Periodicals lose little by age. Hence a full year of the Nos. for 1860, may be regarded nearly as valuable as for 1862.

Subscribers wishing also the Nos. for 1861, will be supplied at the following extremely low rates:

Thus a New Subscriber may obtain the re-prints of the four Reviews and Blackwood,

GREAT IMPROVEMENT IN SEWING MACHINES,

EMPIRE SHUTTLE MACHINE,

Patented February 14th, 1860.

SALESROOM, 510 BROADWAY NEW YORK.

THIS Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable improvements having been examined by the most profound experts, and pronounced to be SIMPLICITY AND PERFECTION COMBINED.

The following are the principal objections urged against Sewing Machines:—
1.—Excessive fatigue to the operator.
2.—Liability to get out of order.
3.—Expense, trouble and loss of time in repairing.
4.—Incapacity to sew every description of material.
5.—Disagreeable noise while in operation.

The Empire Sewing Machine is exempt from all these objections.

It has a straight needle perpendicular action, makes the LOCK or SHUTTLE STITCH, which will NEITHER RIP nor RAVEL, and is alike on both sides; performs perfect sewing on every description of material, from Leather to the finest Nansook Muslin, with cotton, linen or silk thread, from the coarsest to the finest number. Having neither CAM nor COG WHEEL, and the least possible friction, it runs as smooth as glass, and is

EMPHATICALLY A NOISELESS MACHINE!

It requires FIFTY PER CENT. less power to drive it than any other machine in market. A girl of twelve years of age can work it steadily, without fatigue or injury to health.

Its strength and WONDERFUL SIMPLICITY of construction render it almost impossible to get out of order, and is GUARANTEED by the company to give entire satisfaction.

We respectfully invite all those who may desire to supply themselves with a superior article, to call and examine this UNRIVALLED MACHINE.

But in a more especial manner do we solicit the patronage of

Merchant Tailors, Coach Makers, Hoopskirt Manufacturers, Shirt and Bosom Makers, Dress Makers, Corset Makers, Gaiter Fitters, Shoe Binders, Vest and Pantaloon Makers.

☞Religious and Charitable Institutions will be liberally dealt with.

PROSPECTUS OF THE ATLANTIC MONTHLY, FOR 1862.

THE January number will commence the Ninth Volume of this Magazine. Its very large and still increasing circulation, is a gratifying evidence of public approval, and no industry will be spared to render the forthcoming volume adequate to the requirements of a time so pregnant with great events as those of to-day. The life of the Republic, the best interests of the nation, demand of literature a manly and generous action, and the conductors of this journal will remit no efforts in enlisting the best talent of the country to support with vigor and eloquence those opinions and principles which bear to the great public heart to stand firm on the side of Freedom and Right. An elevated national American spirit will always be found illustrated in these pages. The ATLANTIC Series will never give other than the best literature, and it will be the constant aim of its conductors to render it worthy of its attractions better each month than the last.

Among the contributions already in hand for 1862, the following will commend themselves as sufficient inducements for every family to provide the forthcoming numbers for household reading.

PROFESSOR AGASSIZ will begin in the January number a series of articles on Natural History, and other kindred topics, to be continued from month to month throughout the year. The name of so distinguished a man of science in connection with this announcement, is a sufficient guaranty of the great benefit to be derived from his monthly contributions.

A New Romance by NATHANIEL HAWTHORNE, will appear in the pages of THE ATLANTIC early in the year.

A New Story by the late THEODORE WINTHROP, author of "Cecil Dreeme," will be commenced in the January number.

Mr. GEORGE B. WINDSHIP, well known for his remarkable experiments in Gymnastics, has written for THE ATLANTIC "The Autobiography of a Strength Seeker," giving an account of his method of training for feats of strength, with advice in matters of health.

The author of "Life in the Iron Mills" and "A Story of To-Day," will contribute a series of Tales during the year.

Articles by PROFESSOR JAMES RUSSELL LOWELL, on topics of national interest, will appear frequently.

BAYARD TAYLOR has written a story which will be printed in the February number.

The Staff of Writers, in Prose and Poetry contributing regularly to the Atlantic Monthly, comprises among its popular names, the following:

James Russell Lowell; Henry W. Longfellow; Ralph Waldo Emerson; Nathaniel Hawthorne; [illegible]; T. W. Higginson, author of "Life in the Iron Mills," and "Story of To-Day;" Oliver Wendell Holmes; John G. Whittier; E. P. Whipple; Bayard Taylor; Charles E. Norton; George S. Hillard; Henry Giles; Rev. HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Mrs. C. Tebow, 11 Christopher Street, N. Y. writes: "Feb. 20, 1860.—I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to

D. Westervelt, Esq., of South 5th, near 10th St., Williamsburg, L. I., writes: "August 5, 1860.—Having been troubled with a difficulty in the Liver, and subject to billious attacks, I was advised by a friend to try

Darling's Liver Regulator.

I did so, and found it to operate admirably, removing the bile and arousing the liver to activity. I have also used it as a
