GREAT DAY IN TOWN

Rally Day was a big occasion in Kent Thursday. The weather was ideal, the crowd large and everything conspired to make the occasion enjoyable. The big band from Cecilton and Newark made good music and added to the spirit of the day. The contests were run off on the Athletic Field at Washington College the results appearing in the News next week. Chestertown defeated Kennedyville in the baseball game 9 to 12.

FIRE AT HURLOCK'S STORE

The residents of Chestertown were awakened shortly after midnight on Tuesday by the alarm of fire. The blaze proved to be quite a serious one in the rear of Frank A. Hurlock's store on Main street and immediately adjoining Culp's hardware store and the new Third National Bank. Chief H. Cannan and Walter Wright directed the work of the firemen who soon had three big streams of water pouring in on the burning building. Within a half hour the fire was gotten under control. At 2 a. m. the blaze broke out anew and the hose had to be turned on afresh. This time a complete job was made and the dozen or more men returned home at 3 a. m. leaving watchmen on duty.

Mr. Hurlock left the store at 9.30 p. m. and has no idea of the origin of the fire which started in the storage room in rear of the store. The roof was burned off and the interior charred and gutted. The contents of back room was destroyed and several hundred dollars' worth of goods damaged by water in main store. The loss is fully covered by insurance as the stock is insured for $7,000 and the building for $5,000.

Again has the Volunteer Fire Co. of Chestertown proven their efficiency and the town's water equipment fine.

The fire was first discovered by several men working on a large moving van which had become disabled on High street. They called to young men in Park who rang the alarm. The van drivers were given a midnight lunch at the home of M. A. Toulson and they left for Philadelphia at 3 a. m.

While the fire at F. A. Hurlock's store was being fought by the fire department a blaze was discovered at the home of Ex-Sheriff J. Thomas Hadaway. It seems that Mrs. Hadaway at the sound of the fire bell arose from her bed and lighted a lamp. Due to excitement she threw the burning match on the floor and hurried down stairs. A few minutes later one of the small children, left upstairs, noticed some wearing apparel in flames and screamed for help. The blaze was extinguished without much damage.

A blaze was witnessed on High street Tuesday evening when gasoline was ignited at A. S. Turner's supply tank while filling a car. The flames were extinguished with only slight damage to the car which was being filled, and which belonged to Norman Crouch.

All the panes of glass in a big window of the bank were broken by the heat.

C. W. Wroth, who occupies a room over the hardware store, was awakened by the alarm and looking out his window saw the reflection of the blaze. He put on his new shoes and all the clothes at hand and got out the window to the ledge over the big show window from which place he was taken by ladder placed there by John Starling.

WARNING.

The State Roads Commission is using an arcenic solution around culverts and guard rail for the purpose of killing weeds and grass and property owners are warned not to allow their stock to graze on the State Road as this solution is poisonous.
Very truly yours,
AUSTIN F. SHURE,
m8 Resident Engineer.

GOLDSBOROUGH WINS CONGRESSIONAL FIGHT

Kent Carried By H. W. Robertson By 35—Less Than Half The Vote Out Little Interest Among The Drys But Wets Vote To A Man.

The official returns of the primary on Monday in the nine Eastern Shore counties nominate T. Allan Goldsborough, Esq., as Democratic candidate for Congress by 77 votes. This is a very close vote and evidences the fact that the wet people turned out while many of the drys remained at home. Some voters in Kent really thought they'd be able to get a crate of beer and a pint of rum on Tuesday if Robertson won.

REAL ESTATE SALES

W. Irving Walker, trustee, has sold to Harvey L. Cooper, of Denton, the two Round Top and Sennett farms, in Queen Anne's, near Chestertown. They contain 1,000 acres and brought $40,000. These farms were offered at public sale a year ago and withdrawn at a bid of $32,398.50. The tenants are Wm. Elliott, David C. Cannon and Lemuel Powell.

A. H. Covey on Monday purchased of John C. Davis his elegant home on High street, adjoining the Elementary School. Price $7,000, possession January 1, 1921. Because of the high cost of labor and material Mr. Covey will defer building on his avenue lot.

John E. Barnes has sold to Louis Hartman, of Michigan, the Thomas Toulson farm of 75 acres located near Pomona. He has also purchased the equipment and stock and taken possession June 1st. The price was $7,000. Mr. Toulson will likely remove to town. His absence from the "Neck" will be missed.

The first soft crabs of the season from Crisfield sold for $1.75 per dozen.
