A CARD!

WE have been advised that certain persons for purposes best known to themselves, have been endeavoring to mislead the farmers and millers with regard to the freight on Flour and Grain from Baltimore. For those who are not advised, we would say that the cost for transporting flour per barrel from Westminster is 70 cents. Our will hold 10 barrels, and when sent to Howard St. or Calvert Station, or Northst., it can do so cents more for the whole car load, which only adds 3 cents more. Grain costs 25 cents per 100 lbs.

We are arranging a revised Tariff of freight charges to cover the entire road when completed and will have the various kinds of goods arranged to the classes by which they belong and which will be distributed throughout the country. ERWIN & TAYLOR.

BŒRHAVE'S
HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND,

FEVER AND ACUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Bilious and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, honoring that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect. It fads its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY!

The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle, or six bottles for Five Dollars. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

☞ Beware of Imposition. See that our name is on the label of every bottle you buy.

Willoughby's Patent
GUM SPRING & GUM FEEDER
ORIDE.
MANUFACTURED BY
E. WAGONER.

The Best Drill ever heard of!

IT Sows all kinds of Grain perfect, from one peck to four bushels without chunking the Machine. The quantity can be changed when in motion, by a slide. It will sow Wheat, Buckwheat, Rye, Oats, and Barley without chunking by white caps, wheat heads or straws. This Drill feeds by two vulcanized rubber cylinders revolving together. The spring drag bar is very useful in rough land, stumpy or rocky. It will pass over any thing not over fifteen inches high without breaking of pins or anything else. The hoe will pass over and fall in its proper place. I also build them with Guano or other fertilizer sowers attached, which all farmers who use any of those manures ought to have, as they will save one half of the manure and have more grain, as
