LOCAL NOTES

Engineer Kaufman is now progressing finely on the Rock Hall road.

Strawberries grown in Double Creek were on sale at F. A. Hurlock's Thursday at 40 cents per quart.

Chestertown High School defeated the champion Trappe baseball team Wednesday by score of 9 to 8.

Frogs from the Choptank river marshes are going into the Baltimore market already. The wholesale price is $2 to $2.50 per dozen. Last season the frog catchers made considerable money.

Queen Anne's county's strawberry crop will soon be ready for the harvest. County growers report their patches in fine shape and picking may start the latter part of this week. Good prices are in prospect.

An unusual combination was to be seen on High street Tuesday morning just opposite Kent Square. There was a big air plane on exhibition in the Park while in the road stood a fish truck, gasoline truck, a Ford touring car and an auto hearse! Take your choice.

The Bertie Tull has been chartered by Baltimore merchants to freight goods to New York. Owing to the freight congestion on railroad all kinds of facilities are being used.

The big circus in Baltimore and Wilmington this week attracted scores from Kent.

A colored man charged with assault whom the officers had been after for some weeks walked into the jail Tuesday stating that he was tired being haunted.

Among the deaths this week are noted: John Tilghman, a respected colored, citizen of Chestertown, who died last Friday, aged 80 years. He was for many years employed by the late J. K. Aldridge. John Comegys, for 25 years a faithful servant of H. C. Willis, of Worton, dropped dead Tuesday morning, while engaged in making a fire. John Griffin, employed by Wm. H. Whitely, Jr., Morgnec, died suddenly last Friday.

The Kennedyville School staged their play "Son John" as advertised at William Smith Hall, Washington College, last Friday, May 14th. Due to the competition of a good "movie" at the Lyceum Theatre, and the excampussing of the college students, the audience was as good as expected Everyone who were present claimed to enjoy the play and some said it was not inferior to that played at Kennedyville.

Attorney-General Palmer has set the margin of profit to be allowed on sales of sugar at 1 cent a pound for wholesalers and 2 cents a pound at retail.

Wm. S. Collins has lost every hog on his farm near Chestertown by the ravages of hog cholera. Mr. Collins has had his hogs inoculated every year with hog cholera serum, but he has suffered severe losses.

Deputy Sheriff Mark Perkins has resigned his position same to take effect June 1st. He will likely take a position in Baltimore. Officer Perkins has made one of the most efficient men Kent has ever had in the jail and his resignation is regretted.

The trials of G. D. Calloway, former cashier of the Stevensville Bank, and W. H. C. Lowe, accused of complicity in taking $70,000 of the bank's funds, have continued to the November term of court. Both men are out on bail.

S. Scott Beck, Esq., representing Mrs. W. D. Boggs, and H. E. Perkins, Esq., as counsel for defendant, have been at Centreville Court several days this week trying the case. The jury brought in a verdict for Mrs. Boggs for support of her son to the amount of about $350, it being the full amount claimed.

Robert Corddry, 14 years old, son of Wm. D. Corddry, was drowned in the Potomac river at Snow Hill Sunday afternoon. Young Corddry, with Robert White, about the same age, was canoeing when the boat suddenly upset. White was rescued by Edw. Bratten, son of Wm. E. Brattan, who was in a boat nearby, but Corddry sank before he could be rescued. Several brothers of the deceased have attended college here and his father is Mayor of Snow Hill.

OTHER MEN'S SHOES

Stupendous is the word! You'll say so, too. It's the motion picture of the hour—one containing an appeal to the deepest human feelings.

It's a heart revelation, and nothing is so interesting, fascinating and mysterious as the heart. This photodrama X-rays the heart. It shows a man come up from the depths of a prison hell—come back to step into his brother's shoes. His brother was a parson, a tender, sensitive soul, while he was a fighter—a big, red-blooded doer of things.

If you love children; if you like to see a man batter down obstacles and come back a winner; if you like to have your heart torn with a tender, noble story; if you like to be lifted by an inspired message and your mind exalted—you'll just have to see "Other Men's Shoes." at "Lyceum Theatre, Friday and Saturday, May 28 and 29.

Free.—A Child Welfare Afternoon, May 29th, in the Lyceum at 3 p. m., consisting of music, an illustrated lecture and moving pictures. Come and bring your children. No admission charged. The dates thru county announced next week. Under auspices of Kent County Health Work.

Mr. and Mrs. J. Mark Ashley, of Baltimore, are receiving congratulations on the birth of a daughter, Dorothy May, on May 17th, 1920. Mr. Ashley is the son of Benj. I. Ashley, of Rock Hall, and is well known among government operations of Baltimore, being employed as Chief Clerk of the Receiving Department of the four U. S. quartermaster warehouses.

Mr. and Mrs. Chas. H. Meredith and Harry and John Beck, of Philadelphia and Miss Ida Willis, of Glassboro, N. J., motored from Philadelphia and spent the week-end at the home of Mr. and Mrs. Hicks Tucker, of near Chestertown.

First Sergt. James R. Brown, now stationed at Philadelphia, delightfully surprised his parents Mr. and Mrs. J. W. Brown, of Quaker Neck, Saturday by a telegram announcing his arrival in the U. S. He has been stationed at Hati, West Indias for nearly four years. He is looking fine and likes his work. While at home over one hundred of his friends called to see him, friends from Baltimore, Philadelphia, Chester, Lynch, Worton, Chestertown and elsewhere. He says he had often pictured in his mind his homing coming, but nothing to compare to his welcome by his friends and loved ones at home. Mr. and Mrs. B. also entertained their two sons, Cooper and Charles Brown, of Chester, Pa., and their daughter, Mrs. Hadaway and family, of Broad Neck.

Mrs. B. says it was a real Thanksgiving Day to her.

Mr. and Mrs. Mason Latham and little daughter, of Chester, were week-end guests of Mrs. Enoch Latham.

Mrs. John Hecker and little son, of Baltimore, were guests of her mother, Mrs. Jane Canman, this week.

Velie Six

POWER

Velie success in the development of power is known thruout motordom. The power plant of the new Velie 34, maintains and enhances the Velie reputation.

Here you will find everything you expect of motor science for 1920—a new assurance of energy for every emergency for the steep climb—the hard going in snow, slush, mud, clay and sand—as well as for speed on the broad, hard highway.

It is a remarkable motor. Here is a new experience in quick, sure pickup. Here is a flexibility that marks a distinct advance in this quality for which engineers have striven so long. We are proud of the new Velie's power plant—and you will justify our pride after an inspection of its performance.

COMFORT

Plenty o froom even when the car has five odult passengers. Easy, restful riding—even when the roads are not the best.

These things so essential to the 1920 ideal of car comfort, are realized in the new Velie 34, to a degree that sets it apart from all ordinary light sixes.

RELIABILITY

"The Name Insures the Quality" is a slogan backed by records in the case of the Velie. The new model 34, we can confidentially assert, will add new lustre to the line. For more than ten years Velie cars have made exceptional history of performance. Some of the first Velie cars are in faithful use today.

STYLE

When you make your comparisons of the new Velie 34 for style, you will appreciate at once the smartness and distinction which mark it as one of the finest creations of 1920 art in automobile design and finish.

This is the nesult of special concentration by the Velie body builders, long famed for their leadership in this line. With its high cowl, its extra length defined in well-harmonized lines, its charm of perfectly-unified form, it expresses a style ideal of which any owner will be proud, in any company.

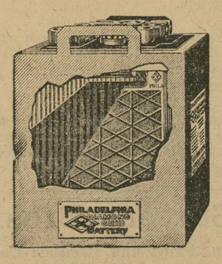
THE GIANT SHIPYARDS AT HOG ISLAND, PHILADELPHIA, ARE CONVINCING EVIDENCE OF "DIAMOND CONSTRUCTION FOR STRENGTH."

An Automobile Starting Battery Guaranteed for Two Years!

A GUARANTEE is the measure of a manufacturer's faith in his battery—based on past performance. If he guarantees his battery for only ninety days or six months or a year, he is probably sure that it will last that long. But beyond the period of the guarantee he is asking you to take a risk which he is not willing to take himself. It is unbusinesslike for you to take such a risk when you can buy a Philadelphia Diamond Grid Battery that is guaranteed for TWO YEARS.



The Diamond Grid is the framework on which each of the plates is formed. Its Diamond Construction is similar to the Diamond Construction used on the ways and cranes at Hog Island and in most other strong structures. In your battery the Diamond Grid means strong plates and is your insurance against plate trouble.

The Philco Retainer is a sheet of hard rubber closely perforated with long narrow slots. A Retainer is placed flat against the active material on each side of each positive plate. In any battery the positive active material tends to slough off as the battery grows older. The slots in the Philco Retainer are so narrow that the material cannot readily pass through them and the result is greatly prolonged battery life.
