LOCAL NOTES

The Prohibition Law allows cider and fruit juices to be made at home.

The Elementary School Commencement, awarding of certificates to the seventh grades, will be held June 12, at 8 o'clock p. m., in William Smith Hall, Washington College. There will be about one hundred graduates.

The Parents and Teachers' meeting will be held Monday, June 14, at 7.30 p. m. in Elementary School. This will be the last meeting until fall and all interested in the school are urged to be present.

Before any deed for the conveyance of real estate in Caroline county shall be received for record in the office of the Clerk of the Circuit Court the person offering it for record must submit it to the Clerk of the County Commissioners, so that the transfer of assessment may be noted on the books of the County Commissioners office.

Howard F. Owens and John Brice made a trip to Wilmington last Friday to witness the trap shooting. While coming out of the city Mr. Owens' car was struck by a trolly car and completely wrecked. The occupants were somewhat bruised but their escape was indeed miraculous. Dr. A. B. Burris dressed their wounds and they returned to Betterton in a borrowed car same evening. They will demand damages.

Bordley & Son have completely remodeled their store, taking in their entire second floor for their clothing department. They announce in this issue their opening on Saturday, June 12th and offer 20 per cent reductions on every article in the store except Manhattan shirts.

The Frank M. Jarman Post No. 36 American Legion will meet next Friday evening. Matter of importance to be presented by Dr. E. J. Clarke, superintendent of Schools of Kent county.

The full quota for the Kent County Sanitary Organization has been secured. The men will be mustered in next Monday at the Court House by Major Henry A. Mitchell, of Elkton. Dr. Frank B. Hines is the Regimental Surgeon. The company will meet once a week for drill. The State will rent an armory as soon as a suitable place can be found.

Vansant & Newsome advertise 10 per cent reduction in men's and boys' suits.

A meeting will be held in the Court House next Thursday evening, June 17th, at 8 o'clock for the purpose of organizing a Base Ball League. All persons in county interested are invited. Coach Kibler is ready to lend his aid and the college grounds are available. J. G. Metcalfe, Jr., and J. H. Clendaniel, Jr., is the committee.

The Conservation Commission of which Harrison W. Vickers, Esq., is Chairman, will find a score or more desirable berths to be filled. They include one game warden at $1,800, and two deputies at $1,200 a year each, eight district deputy wardens at $900 each, two clerks who are paid, respectively, $1,320 and $1,200; two clerks at $1,040 each, 13 deputy commanders at $720 a year each, and six other subordinates for the force at $240 each; one chief oyster inspector at $83.33 per month, three general inspectors at $100 per month each, two inspectors at $75 per month each, and 14 special inspectors at $50 per month each. The total appropriation to conservation commission for this year is $129,426.

At the public sale of purebred Jerseys held by J. Ford Dorrance at his Harford farm on Saturday 20 head of calves and cows were sold at an average of about $250. While this figure is not high it was considered good, as a large proportion of animals sold were young bulls and heifers. The top price of $1000 was paid for nine months old daughter of Financial Supreme, an Illinois buyer being the successful bidder. Mr. Dorrance has recently bought the Hynson-Coleman farm in Kent.

Another game of ball was played Thursday afternoon between the M. E.'s and M. P.'s, the former winning by 34 to 3. Cox, of Massey, was in the box for winners and played championship game.

The Voshell House is being repainted—but oh, that color!

The alumni banquet held in Chestertown High School Thursday evening was a pleasant affair. The speakers included Rev. Chas. M. Elderdice, of Crisfield, and Rev. Mr. Leach, of Greensboro. The newly elected officers are: President, Alfred P. Blyman; vice-president, Miss Evalyn Russell; secretaries, Helen Rouse, Helen Baxter; treasurer, Miss Flossie Kent. T. D. Bowers was the toastmaster.

SCHOOL NOTES

Chestertown High School defeated Centreville High School in a game of baseball played on Ford's field Tuesday afternoon, score 17 to 6. C. A. Goodwin, Ford dealer, after the game presented Chestertown team with two new bats.

Personal Tidings

Mrs. Thomas Holdson is nursing an injured side from falling partly down stairs.

Mr. and Mrs. Edwin Corwin, of near Chestertown, will take in the San Francisco Democratic Convention going with Capt. and Mrs. Curtis E. Crane and their party. This party leaves Sunday, June 20. Mr. Corwin's beautiful home on the Chester river will be occupied during his absence by R. Hynson Rogers, Esq., and family, of Chestertown.

Major Charles T. Westcott, U. S. M. C., who served in the A. E. F. in France, has been made a lieutenant colonel, temporary, of the Corps. He is a son of the late State Senator Charles T. Westcott, of Kent county.

John Collins, son of Mr. and Mrs. R. Harrison Collins, Chestertown, will graduate at Johns Hopkins University next Tuesday.

E. Stephen Valliant, of Church Hill, who recently purchased the home property of Mr. and Mrs. Spencer Wright, on Chesterfield avenue, has moved to Centreville and with his family is now occupying their new home.

Mrs. Thomas McClain, of New Castle, Del., is spending a few days the guest of Mr. and Mrs. Bertie Crouch at their home on College ave.

Eli Elliott has been suffering several days by having his eye burned with lime while working on his home in Queen Anne's on Monday.

Mr. and Mrs. Jess Smith, of Philadelphia, have been the guests of Mr. and Mrs. Earle A. Barnes for several days past.

Thomas Kemp, the interesting little son of Mr. and Mrs. Carl N. Bordley, was christened on Sunday afternoon in the M. E. Church after the Sunday school session by Rev. Omar E. Jones.

Miss Irene Kirby, of Baltimore, is visiting her parents, Mr. and Mrs. James W. Kirby.

Harry McNeil, of Baltimore, is the guest of her sister, Mrs. Charles Schreiber.

Miss Susan S. Roberts, who has been teaching in the mountains of Virginia, has returned to her home here.

Mrs. Derringer and Miss Estalena Derringer attended the Naval Commencement in Annapolis last week. Ensign Harry Derringer is on one of the vessels which is to take the cadets to the Pacific Coast for their annual cruise.

Miss Ruby J. Graham, daughter of Mr. and Mrs. Harry R. Graham, has completed her year teaching in Delaware and is home for the summer vacation. Miss Graham has been requested to return next year with a substantial increase in salary.

An informal bridge party was given on Monday evening of this week at the home of Mrs. John E. George, of Sudlersville, at which time announcement was made of the engagement of her daughter, Miss M. Madeline George, to Edgar Pennington Young, of New York City. Miss George is the daughter of the late John E. George and socially prominent thruout this section. Mr. Young is the President of The Young Industrial Advertising Corporation of New York and well known by publishers thruout the country. The wedding is expected to take place during the summer months. After an extended honeymoon the bride and groom will make their home in New York City. They both have the best wishes of a host of friends.

Clerk A. Parks Rasin is attending the Republican National Convention, at Chicago, this week, as alternate delegate at large.

Velie Six

POWER

Velie success in the development of power is known thruout motordom. The power plant of the new Velie 34, maintains and enhances the Velie reputation.

Here you will find everything you expect of motor science for 1920—a new assurance of energy for every emergency for the steep climb—the hard going in snow, slush, mud, clay and sand—as well as for speed on the broad, hard highway.

It is a remarkable motor. Here is a new experience in quick, sure pickup. Here is a flexibility that marks a distinct advance in this quality for which engineers have striven so long. We are proud of the new Velie's power plant—and you will justify our pride after an inspection of its performance.

COMFORT

Plenty o froom even when the car has five odult passengers. Easy, restful riding—even when the roads are not the best.

These things so essential to the 1920 ideal of car comfort, are realized in the new Velie 34, to a degree that sets it apart from all ordinary light sixes.

RELIABILITY

"The Name Insures the Quality" is a slogan backed by records in the case of the Velie. The new model 34, we can confidentially assert, will add new lustre to the line. For more than ten years Velie cars have made exceptional history of performance. Some of the first Velie cars are in faithful use today.

STYLE

When you make your comparisons of the new Velie 34 for style, you will appreciate at once the smartness and distinction which mark it as one of the finest creations of 1920 art in automobile design and finish.

This is the result of special concentration by the Velie body builders, long famed for their leadership in this line. With its high cowl, its extra length defined in well-harmonized lines, its charm of perfectly-unified form, it expresses a style ideal of which any owner will be proud in any company.

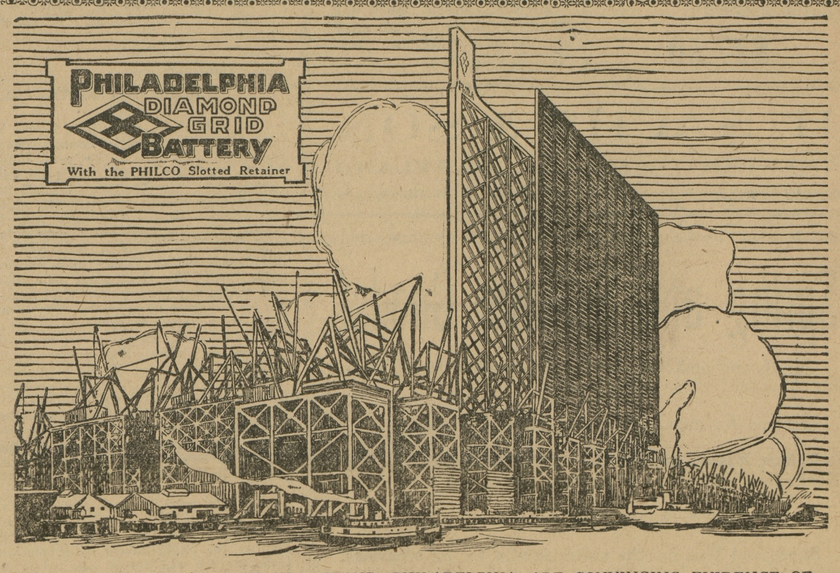
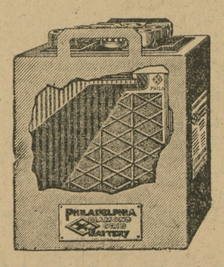
BORDLEY & SON
"The Men's Store"



THE GIANT SHIPYARDS AT HOG ISLAND, PHILADELPHIA, ARE CONVINCING EVIDENCE OF "DIAMOND CONSTRUCTION FOR STRENGTH."

An Automobile Starting Battery Guaranteed for Two Years!

A GUARANTEE is the measure of a manufacturer's faith in his battery—based on past performance. If he guarantees his battery for only ninety days or six months or a year, he is probably sure that it will last that long. But beyond the period of the guarantee he is asking you to take a risk which he is not willing to take himself. It is unbusinesslike for you to take such a risk when you can buy a Philadelphia Diamond Grid Battery that is guaranteed for TWO YEARS.



The Diamond Grid is the framework on which each of the plates is formed. Its Diamond Construction is similar to the Diamond Construction used on the ways and cranes at Hog Island and in most other strong structures. In your battery the Diamond Grid means strong plates and is your insurance against plate trouble.

The Philco Retainer is a sheet of hard rubber closely perforated with long narrow slots. A Retainer is placed flat against the active material on each side of each positive plate. In any battery the positive active material tends to slough off as the battery grows older. The slots in the Philco Retainer are so narrow that the material cannot readily pass through them and the result is greatly prolonged battery life.
