AMERICAN SENTINEL, AND GENERAL ADVERTISER.

Farmers of Carroll County,

TAKE NOTICE.

THE undersigned hereby announce that we have purchased the right of

"RUSSELL'S SELF RAKER, FOR McCORMICK'S REAPER,"

and are now ready to attach this Improved Self-Raker to the McCormick or any other Reaper now in use, and warrant its successful performance. Those desiring the Self-Raker for the present harvest should forward their Machines or orders without delay as we are prepared to attach only a limited number the present season.

We also give notice that we are the only Agents in Carroll County, for the sale of *McCORMICK'S IMPROVED REAPER AND MOWER FOR 1862.*

This reaper which has already established for itself a world-wide fame, and needs no eulogy from us to convince the farmers of Carroll of its superiority over all others—yet we cannot suffer the occasion to pass without giving our testimony in its favor. Therefore we deem it no more than sheer justice, when we say, that for simplicity, durability, lightness of draught, and capacity to answer the wants of the farming community, that it is with the present improvements the best REAPER now in use.

As a limited number of these machines have been built for this season, those desiring to purchase had better forward their orders without delay. WM. H. HARMAN & Co.

Union Works, Westminster, April, 25.

N. B. We are also manufacturing "Seidle & Eberly's Patent Spring tooth Hay and Grain Horse Rake. The Patent Right of which (for this county) is owned by Geo. A Krouse, Esq. this is also, an excellent rake.

TO THE PEOPLE OF THE UNITED STATES!

In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. BOVEE DODS' IMPERIAL WINE BITTERS, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling body ailment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

Dr. J. Bovee Dods'
Imperial Wine Bitters!!

from all who have no used them. We challenge the world to produce their equal.

These BITTERS for the cure of WEAK STOMACHS, GENERAL DEBILITY, and for PURIFYING and ENRICHING the BLOOD, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give *a fine tone and healthy action* to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to FEMALES, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them as they are revivifying in their action.

THESE BITTERS
Will not only Cure, but Prevent Disease,

and in this respect are doubly valuable to the person who may use them. For

INCIPIENT CONSUMPTION,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles and for all cases requiring a Tonic

Dr. Dods' Celebrated Wine Bitters
Are Unsurpassed.

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely [illegible]

[illegible] TERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

In all Affections of the Head, Sick Headache, or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacious.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them, will not fail to keep a supply.

DR. J. BOVEE DODS'
Imperial Wine Bitters

Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years.—The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breakfast.

DR. J. BOVEE DODS'
Imperial Wine Bitters

Are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valued Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a

Tonic Medicine and a Beverage.
