Dr. Duponco's Golden Pills for Females.

Infallible in correcting, regulating and removing all obstructions from whatever cause, and always successful as a preventive.

INFALLIBLE IN RELIEVING Stoppages and irregularity of the menses. These Pills are nothing new, but have been used by the doctors for many years, both in France and America, with unparalleled success in every case, and he is urged by many thousand ladies who have used them, to make the Pills public for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family where health will not permit it. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any mischief to health, otherwise the Pills are recommended.—Full and explicit directions accompanying each box. PRICE $1.00.

GODEY'S LADY'S BOOK For 1863.

Great Literary and Pictorial Year!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last *thirty three* years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—

MARION HARLAND,

Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam,"

who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other publication. Our other favorite writers will all continue to furnish articles throughout the year.

THE BEST

Lady's Magazine in the World, and the Cheapest.

THE LITERATURE

is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE MUSIC

is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS.

All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S

IMMENSE DOUBLE SHEET FASHION-PLATES.

CONTAINING

From five to seven full length Colored Fashions on each plate. Other magazines give only two.

FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public.—The publication of these plates cost

$10,000 *MORE*

than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefitted.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

OUR WOOD ENGRAVINGS,

of which we give twice or three times as many as any other magazine, are often mistaken for steel.—They are so far superior to any others.

IMITATIONS.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS.

No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS

are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE.

This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTTAGES.

No other magazine has this department.

DR. LA CROIX'S PRIVATE MEDICAL TREATISE ON THE Physiological View of Marriage.

250 PAGES AND 130 ENGRAVINGS.

Price only twenty-five cents. Sent free of postage to all parts of the Union. On the infirmities of youth and maturity, disclosing the secret follies of both sexes of all ages, causing debility, nervousness, depression of spirits, palpitation of the heart, suicidal imaginings, involuntary emissions, blushings, defective memory, indigestion and lassitude, *with confessions of thrilling interest of a Boarding School Miss, a College Student, and a Young Married Lady, &c., &c.* It is a truthful adviser to the married and those contemplating marriage, who entertain secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness, and privileges to which every human being is entitled.

YOUNG MEN who are troubled with weakness, generally caused by a bad habit in youth, the effects of which are dizziness, pains, forgetfulness, sometimes a ringing in the ears, weak eyes, weakness of the back and lower extremities, confusion of ideas, loss of memory, with melancholy, may be cured by the author's NEW PARIS AND LONDON TREATMENT.

We have, recently devoted much of our time in VISITING THE EUROPEAN HOSPITALS, availing ourselves of the knowledge and researches of the most skilled Physicians and Surgeons in Europe and the Continent. Those who place themselves under our care will now have the full benefit of the many NEW AND EFFICACIOUS REMEDIES which we are enabled to introduce into our practice, and the public may rest assured of the same zeal, assiduity, SECRECY and attention being paid to their cases, which has so successfully distinguished us heretofore, as a Physician in our PECULIAR department of professional Practice *for the past twenty-five years.*

French Female Pills.—Ladies who wish for Medicines, the efficacy of which has been tested in thousands of cases, and never failed to effect speedy cures without any bad results, will use none but Dr. DeLaney's Female Periodical Pills. The only precaution necessary to be observed is, ladies should not take them if they have reason to believe they are in *certain situations* (the particulars of which will be found on the wrapper accompanying each box,) though always safe and healthy, so gentle yet so active are they.

Price $1 per box. They can be mailed to any part of the United States or Canada.

TO THE LADIES—Who need a *confidential* medical adviser with regard to any of those interesting complaints to which their delicate organization renders them liable, are particularly invited to consult us.

The "Electro-Galvanic Protective."—For married ladies whose health will not admit, or who have no desire to increase their families, may be obtained as above. It is a perfectly safe preventive to conception, and has been extensively used during the last 20 years. Price reduced to $10.

GREAT IMPROVEMENT IN SEWING MACHINES.

EMPIRE SHUTTLE MACHINE.

Patented February 14th, 1860.

SALESROOM, 510 BROADWAY,
NEW YORK.

This Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be SIMPLICITY AND PERFECTION COMBINED.

The following are the principal objections urged against Sewing Machines:—

1.—Excessive fatigue to the operator.	4.—Incapacity to sew every description of material.
2.—Liability to get out of order.	5.—Disagreeable noise while in operation.
3.—Expense, trouble and loss of time in repairing.	

The Empire Sewing Machine is exempt from all these objections.

It has a straight needle perpendicular action, makes the LOCK or SHUTTLE STITCH, which will NEITHER RIP nor RAVEL, and is alike on both sides; performs perfect sewing on every description of material, from Leather to the finest Nansook Muslin, with cotton, linen or silk thread, from the coarsest to the finest number.

Having neither CAM nor COG WHEEL, and the least possible friction, it runs as smooth as glass, and is

EMPHATICALLY A NOISELESS MACHINE!

It requires FIFTY PER CENT. less power to drive it than any other machine in market. A girl of twelve years of age can work it steadily, without fatigue or injury to health.

Its strength and WONDERFUL SIMPLICITY of construction render it almost impossible to get out of order, and is GUARANTEED by the company to give entire satisfaction.

We respectfully invite all those who may desire to supply themselves with a superior article, to call and examine this UNRIVALLED MACHINE.

But in a more especial manner do we solicit the patronage of

Merchant Tailors,	*Dress Makers,*
Coach Makers,	*Corset Makers,*
Hoopskirt Manufacturers,	*Gaiter Fitters,*
Shirt and Bosom Makers,	*Shoe Binders,*
Vest and Pantaloon Makers.

Price of Machines, complete:

No. 1, or Family Machine, $45 00, No. 2 Small sized Manufacturing, $60 00, No. 3 Large size Manufacturing, $75 00.

A CARD!

WE have been advised that certain persons for purposes best known to themselves have been endeavoring to mislead the farmers and millers with regard to the freight on Flour and Guano to and from Baltimore. For those who are not advised, we would say that the cost for transporting flour per barrel from Westminster is 18 cents. A car will hold 55 barrels, and when sent to Howard St., or Calvert Station, or North-st., it costs 50 cents more for the whole car load, which only adds ¾ cent more. Guanos cost 3½ cents per 100 lbs.

We are arranging a revised Tariff of Freight charges to cover the entire road when completed and will have the various kinds of goods arranged to the *classes* to which they belong and which will be distributed throughout the country. IRWIN & TAYLOR.
