AT 20 PER CENT OFF

For months we have been anticipating the time when we could reduce our clothing and offer our customers a good suit at a reasonable price.

In our opinion the time has come when this move should be made and such losses taken on our inventory as may be necessary to bring this about. We, therefore, offer our entire stock of Clothing, Shoes and Furnishings at 20 per cent. discount.

This is all new, fresh merchandise, bought and priced at 10 to 15 per cent. less than the same quality sold for in the spring.

We realize that from now on, we will be buying and selling on a slowly falling market, and we have decided to unload, regardless of the sacrifices we will be compelled to make to accomplish this. We have not only sacrificed our profit but in many instances part of our cost as well, making them below present wholesale costs.

This Sale Lasts for a Limited Time Only

After which regular prices prevail. All merchandise still bears original prices. Make your own selection and then deduct 20 per cent. Come early while the selection is best cover your winter needs and save money.
