## DYSPEPSIA AND FITS.

A SURE Cure for these distressing complaints is now made known in a "TREATISE ON FOREIGN AND NATIVE HERBAL PREPARATIONS," published by DR. O. PHELPS BROWN. The prescription, furnished him by a young clairvoyant girl, while in a state of trance, has cured everybody who has taken it, never having failed in a single case. It is equally sure in cases of Fits as of Dyspepsia; and the ingredients may be found in any drug store. Those who are afflicted with Consumption, Bronchitis or Asthma, may also be cured by the use of my Herbal Preparations. I will send this valuable prescription free to any person on receipt of their name. Address, DR. O. PHELPS BROWN, No. 19 Grand Street, Jersey City, N. J

## MARRIED.

Near Westminster, on the 13th inst., by the Rev. John Wm Hoffmyer, Mr. WILLIAM J. MORELOCK to Miss FRANCES MYERLY, both of this County.

## DIED.

At his residence, near Uniontown, on the 1st instant, Rev. DANIEL ZOLLICKOFFER, in the 73d year of his age.

On the 12th inst., in New Windsor, MATTIE, daughter of George and Virginia Shunk, aged 2 years and 1 month.

Little Mattie has left our number,
For the dark and silent tomb;
Closed her eyes in deathless slumber,
Faded in her early bloom.
Heaven retaineth now our treasure,
Earth the lovely casket keeps;
And the sunbeams longest linger,
Where our dearest Mattie sleeps. H.

In Westminster District, on the 9th inst., of Scarlatina, MORGAN, infant son of Charles H., and Francina Haines, aged 3 years, 4 months and 13 days.

"The flower that sweetly blooms to-day,
May droop and die to-morrow;
So earthly hopes do pass away,
And leave behind them sorrow.
For thee, dear child, no tears need fall,
Thy home is now in Heaven,
Where Angel's smile, where God is all,
And every sin forgiven."

Departed this life on the 5th inst., DAVID ANGEL, aged about 25 years. He leaves an affectionate wife and child, father, brothers and sisters, and numerous friends to mourn his loss. His pious mother but a few years preceded him to the grave. Mr. Angel was a native of Middleburg, this County, and consistent member of the Evangelican Lutheran Church. He lived respected and esteemed by all who knew him.

## SHRINER'S BALSAMIC COUGH SYRUP.

*For Coughs, Colds, Croup, Whooping Cough, Asthma, Bronchitis, Spitting Blood, Pain and Weakness of the Breast, Difficulty of Breathing, &c., &c.*

THIS is no new remedy. It has been used for a number of years in Maryland and parts of Pennsylvania, and has wherever known, acquired an unprecedented reputation for curing the various diseases for which it is recommended.

So apparent is its usefulness, and so remarkable have been its cures, that it is fast superseding every other remedy for these diseases. The afflicted can rely upon its doing as much for them, and in many cases more than any other remedy now before the public.

It is recommended and prescribed in the practice of a large number of the most intelligent and able Physicians of Maryland. It is used and considered an indispensable household remedy by a large portion of the first families of the State.

It is used by all classes of society, and the universal opinion is that it is good. *This Syrup is purely Vegetable Compound.* It is pleasant to take and never does injury. But owing to its purifying qualities, must do good under any circumstances. Its effects are truly wonderful, soothing calming and allaying the most violent coughs, purifying, strengthening and invigorating the whole system, calming & soothing the nerves, aiding and facilitating expectoration, and healing the

DISEASED LUNGS,

Thus striking at the root of disease, and driving it from the system.

CROUP.

This disease is announced by difficulty of breathing, shrill whistling or wheezing, hacking cough & threatened suffocation, &c. It mostly occurs in young children. No child need die of Croup if this Syrup is properly used, and used in time.—Mothers who have croupy children should watch the first show of the disease, and always keep this remedy at hand.

For coughs after measles this Syrup is most excellent. Experience has proven that it is equalled by no other preparation.

The price of the remedy is such as to place it within the reach of all, he poor as well as the rich, and every person should have it.

Every person should have it in the house. It is a true and faithful friend to all who value health and wish to secure themselves against that most terrible disease, consumption. It will be found the most useful as well as the cheapest family medicine in the world. It has been used for the last four years with a success without a parallel.

## FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS.

HORSES.

THESE Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these Powders arises from the fact that they are composed of Medicines that have Laxative, Tonic and Purifying properties. The Laxative ejects crudities from the stomach and intestines; the Tonic gives strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the foundation for a healthy and vigorous circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal.

These Powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health.

These Powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state.—They are a sure prevention of Lung Fever, and a certain remedy for all diseases incident to the Horse, as Glanders, Yellow Water, Distempers, Founder, Heaves, Slavering, Coughs, Fevers, Loss of Appetite, and Vital Energy, &c. These powders, if used two or three times a week, through the winter and Spring, your Horse will never get the Lung Fever, Colic or Botts. A few doses of these Powders will remove the worst Cough on any Horse. Were owners of Horses to feed a few of these Powders every year, they might save the lives of many valuable Horses.

CATTLE.

MILCH COWS.

The properties this Powder possesses in increasing the quantity of Milk in Cows, gives it an importance and value which should place it in the hands of every person keeping a Cow. In fattening Cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster,

HOGS.

In all diseases of Swine, as Coughs, Ulcers in the Lungs and Liver, &c., by putting from half a paper to a paper of these Powders in a barrel of Swill, the above diseases can be cured or entirely prevented. By using these powders the Hog Cholera can be prevented.—

On the infirmities of youth and maturity, disclosing the secret follies of both sexes of all ages, causing debility, nervousness, depression of spirits, palpitation of the heart, suicidal imaginings, involuntary emissions, blushings, defective memory, indigestion and lassitude, *with confessions of thrilling interest of a Boarding School Miss, a College Student, and a Young Married Lady, &c., &c.* It is a truthful adviser to the married and those contemplating marriage, who entertain secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness, and privileges to which every human being is entitled.

YOUNG MEN who are troubled with weakness, generally caused by a bad habit in youth, the effects of which are dizziness, pains, forgetfulness, sometimes a ringing in the ears, weak eyes, weakness of the back and lower extremities, confusion of ideas, loss of memory, with melancholy, may be cured by the author's NEW PARIS AND LONDON TREATMENT.

## GODEY'S LADY'S BOOK For 1863.

Great Literary and Pictorial Year!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last *thirty-three* years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—

MARION HARLAND,

Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam,"

who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other publication. Our other favorite writers will all continue to furnish articles throughout the year.

THE BEST

*Lady's Magazine in the World, and the Cheapest.*

*THE LITERATURE*

is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

*THE MUSIC*

is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

*OUR STEEL ENGRAVINGS.*

All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

*GODEY'S*

IMMENSE DOUBLE SHEET FASHION-PLATES.

CONTAINING

From five to seven full length Colored Fashions on each plate. Other magazines give only two.

FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost

$10,000 *MORE*

than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefitted.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

*OUR WOOD ENGRAVINGS,*

of which we give twice or three times as many as any other magazine, are often mistaken for steel.—They are so far superior to any others.

*IMITATIONS.*

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

*DRAWING LESSONS.*

No other magazine gives them, and we have given enough to fill several large volumes.

*OUR RECEIPTS*

are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

*LADIES' WORK TABLE.*

This department comprises engravings and descriptions of every article that a lady wears.

*MODEL COTTAGES.*

No other magazine has this department.

*TERMS, CASH IN ADVANCE.*

One copy one year. $3 Two copies one year. $5
Three copies one year, $6. Four copies one year $7.
Five copies one year, and an extra copy to the person sending the club, $10.

And the *only* magazine that can be introduced into the above clubs in place of the Lady's Book is Arthur's Home Magazine.
