☞ *Only $1.25 a Year in Clubs of Four.*

Arthur's Home Magazine

For 1863. Vols. XXI. and XXII. Edited by T. S. Arthur and Virginia F. Townsend.

Contains Novelets, Stories, Poetry, Fashions, Steel and Wood Engravings, Needlework Patterns in great variety, a Mothers' Department, Children's Department, Housekeepers' and Health Departments, with literary reviews, and all the accessories of a first-class Magazine.

The Lady's Book bears this flattering testimony to the character of Arthur's Home Magazine:—

"As we have often before said, it is, without controversy, the best $2 magazine published in the country; and this is the strongly outspoken testimony everywhere given by the press. We know of no periodical that so well deserves the praise bestowed.—The editors never tire in their efforts to give, each month, a rich and varied literary repast to their readers. Their work is kept fully up to the standard of their promise, is never dull, yet always full of instruction. We have often said and repeat it again, that it should make a part of the reading of every household. We know of no better educator of the people, young and old. Of the editors we need not speak; their names are household words all over the country. In their hands no periodical can fail to reach the highest point of excellence."

A new *serial*, by T. S. Arthur, will be commenced in the January number, entitled "OUT IN THE WORLD."

Ayer's Sarsaparilla.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

Oakland, Ind., 6th June, 1859.

J. C. Ayer & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration* of the *uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

New Orleans, 25th August, 1859.

Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease.* One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

Independence, Preston Co., Va., 6th July, 1859.

Dr. J. C. Ayer: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

SHRINER'S BALSAMIC COUGH SYRUP.

For Coughs, Colds, Croup, Whooping Cough, Asthma, Bronchitis, Spitting Blood, Pain and Weakness of the Breast, Difficulty of Breathing, &c., &c.

This is no new remedy. It has been used for a number of years in Maryland and parts of Pennsylvania, and has, wherever known, acquired an unprecedented reputation for curing the various diseases for which it is recommended.

So apparent is its usefulness, and so remarkable have been its cures, that it is fast superseding every other remedy for those diseases. The afflicted can rely upon its doing as much for them, and in many cases more than any other remedy now before the public.

It is recommended and prescribed in the practice of a large number of the most intelligent and able Physicians of Maryland. It is used and considered an indispensable household remedy by a large portion of the first families of the State.

It is used by all classes of society, and the universal opinion is that it is good. *This Syrup is purely Vegetable Compound.* It is pleasant to take and never does injury. But owing to its purifying qualities, must do good under any circumstances. Its effects are truly wonderful, soothing, calming and allaying the most violent coughs, purifying, strengthening and invigorating the whole system, calming & soothing the nerves, aiding and facilitating expectoration, and healing the

DISEASED LUNGS,

thus striking at the root of disease, and driving it *from* the system.

CROUP

This disease is announced by difficulty of breathing, shrill whistling or wheezing, hacking cough & threatened suffocation, &c. It mostly occurs in young children. No child need die of Croup if this Syrup is properly used, and used in time.—Mothers who have croupy children should watch the first show of the disease, and always keep this remedy at hand.

For coughs after measles this Syrup is most excellent. Experience has proven that it is equalled by no other preparation.

The price of the remedy is such as to place it within the reach of all, the poor as well as the rich, and every person should have it.

Every person should have it in the house. It is a true and faithful friend to all who value health and wish to secure themselves against that most terrible disease, consumption. It will be found the most useful as well as the cheapest family medicine in the world. It has been used for the last four years with a success without a parallel.

Price 37 cents per bottle, or three bottles for $1.

For Sale by
F. L. HERING and H. L. SHRIVER,

The demand for it is becoming immense. To make it still more worthy the preference already shown it, the Proprietor is putting it up in a much handsomer style than formerly. It is now prepared with the greatest care of uniform strength, with plain directions, so that any one can administer it.

It is entirely Vegetable—Perfectly Safe and Harmless!

And has never been known to fail to expel worms, where worms existed. The Proprietors boldly assert that it is superior to any other preparation in the world.

FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS.

HORSES.

These Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these Powders arises from the fact that they are composed of Medicines that have Laxative, Tonic and Purifying properties. The Laxative ejects crudities from the stomach and intestines; the Tonic gives strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the foundation for a healthy and vigorous circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal.

These Powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health.

These Powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state.—They are a sure prevention of Lung Fever, and a certain remedy for all diseases incident to the Horse, as Glanders, Yellow Water, Distemper, Founder, Heaves, Slavering, Coughs, Fevers, Loss of Appetite, and Vital Energy, &c. These powders, if used two or three times a week, through the winter and Spring, your Horse will never get the Lung Fever, Colic or Botts. A few doses of these Powders will remove the worst Cough on any Horse. Were owners of Horses to feed a few of these Powders every year, they might save the lives of many valuable Horses.

CATTLE.

MILCH COWS.

The properties this Powder possesses in increasing the quantity of Milk in Cows, gives it an importance and value which should place it in the hands of every person keeping a Cow. In fattening Cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

HOGS.

In all diseases of Swine, as Coughs, Ulcers in the Lungs and Liver, &c., by putting from half a paper to a paper of these Powders in a barrel of Swill, the above diseases can be cured or entirely prevented. By using these powders the Hog Cholera can be prevented.—Prepared by

S. A. FOUTZ & BROTHER,

GODEY'S LADY'S BOOK For 1863.

Great Literary and Pictorial Year!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last *thirty-three* years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—

MARION HARLAND,

Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam,"

who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other publication. Our other favorite writers will all continue to furnish articles throughout the year.

THE BEST

Lady's Magazine in the World, and the Cheapest.

THE LITERATURE

is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE MUSIC

is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS.

All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S

IMMENSE DOUBLE SHEET FASHION-PLATES,

CONTAINING

From five to seven full length Colored Fashions on each plate. Other magazines give only two.

FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public.—The publication of these plates cost

$10,000 MORE

than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefitted.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

OUR WOOD ENGRAVINGS,

of which we give twice or three times as many as any other magazine, are often mistaken for steel.—They are so far superior to any others.

IMITATIONS.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS.

No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS

are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE.

This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTTAGES.

No other magazine has this department.

TERMS, CASH IN ADVANCE.
