DR. LA CROIX'S
PRIVATE MEDICAL TREATISE
ON THE
Physiological View of Marriage.
250 PAGES AND 130 ENGRAVINGS.

Price only TWENTY-FIVE CENTS. Sent free of postage to all parts of the Union. On the infirmities of youth and maturity, disclosing the secret follies of both sexes of all ages, causing debility, nervousness, depression of spirits, palpitation of the heart, suicidal imaginings, involuntary emissions, blushing, defective memory, indigestion and lassitude, *with confessions of thrilling interest of a Boarding School Miss, a College Student, and a Young Married Lady, &c., &c.* It is a truthful adviser to the married and those contemplating marriage, who entertain secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness and privileges to which every human being is entitled.

YOUNG MEN who are troubled with weakness, generally caused by a bad habit in youth, the effects of which are dizziness, pains, forgetfulness, sometimes a ringing in the ears, weak eyes, weakness of the back and lower extremities, confusion of ideas, loss of memory, with melancholy, may be cured by the author's NEW PARIS AND LONDON TREATMENT.

We have recently devoted much of our time in VISITING THE EUROPEAN HOSPITALS, availing ourselves of the knowledge and researches of the most skilled Physicians and Surgeons in Europe and the Continent. Those who place themselves under our care will now have the full benefit of the many NEW AND EFFICACIOUS REMEDIES which we are enabled to introduce into our practice, and the public may rest assured of the same zeal, assiduity, SECRECY and attention being paid to their cases, which has so successfully distinguished us heretofore, as a Physician in our PECULIAR department of Professional Practice, *for the past twenty-five years.*

FRENCH FEMALE PILLS.—Ladies who wish for Medicines, the efficacy of which has been tested in thousands of cases, and never failed to effect speedy cures without any bad results, will use none but Dr. [illegible] Female Periodical Pills. The only precaution necessary to be observed is, ladies should not take them if they have reason to believe they are in *certain situations* (the particulars of which will be found on the wrapper accompanying each box,) though always safe and healthy, so gentle yet so active are they.

Price $1 per box. They can be mailed to any part of the United States or Canadas.

TO THE LADIES—Who need a *confidential* medical adviser with regard to any of those interesting complaints to which their delicate organization renders them liable, are particularly invited to consult us.

THE ELECTRO-GALVANIC PROTECTIVE.—For married ladies whose health will not admit, or who have no desire to increase their families, may be obtained as above. It is a perfectly safe preventive to conception, and has been extensively used during the last 20 years. Price reduced to $10.

The Secrets of Youth Unveiled.

A Treatise on the Cause of Premature Decay—A solemn warning. Just published, a book showing the insidious progress and prevalence among schools, (both male and female,) of this fatal habit, pointing out the fatality that invariably attends its victims, and developing the whole progress of the disease, from the commencement to the end.

It will be sent by Mail on receipt of two [3] cent Stamps.

☞ Attendance daily, from 8 in the morning till 9 at night, and on Sundays from 2 till 5 P. M.

Medicines with full directions sent to any part of the United States or Canadas, by patients communicating their symptoms by letter. Business correspondence strictly confidential.

☞ Dr. L.'s office is still located as established, under the name of DR. LA CROIX, at No. 31 Maiden Lane, Albany, N. Y. Oct. 17, 1862.—y

IMPROVED GUTTA PERCHA
CEMENT ROOFING,

The Cheapest and most durable Roofing in use.

It is Fire and Water Proof.

It can be applied to new and old Roofs of all kinds, steep or flat, and to Shingle Roofs without removing the Shingles.

The Cost is only about One-Third that of Tin, and it is twice as durable.

This article has been thoroughly tested in New York City and all parts of the United States, Canada, West Indies and Central and South America, on buildings of all kinds, such as Factories, Foundries, Churches, Railroad Depots, Cars, and on Public Buildings generally, Government Buildings, &c., by the principal Builders, Architects and others, during the past four years, and has proved to be the CHEAPEST and MOST DURABLE ROOFING in use; it is in every respect A FIRE, WATER, WEATHER and TIME PROOF covering for ROOFS OF ALL KINDS.

This is the ONLY material manufactured in the United States which combines the very desirable properties of Elasticity and Durability, which are universally acknowledged to be possessed by GUTTA PERCHA AND INDIA RUBBER.

NO HEAT IS REQUIRED IN MAKING APPLICATION.

The expense of applying it is trifling, as an ordinary Roof can be covered and finished the same day.

IT CAN BE APPLIED BY ANY ONE,

and when finished forms a perfectly Fire Proof surface with an elastic body, which cannot be injured by Heat, Cold or Storms, Shrinking of Roof Boards, nor any external action whatever.

LIQUID
GUTTA PERCHA CEMENT

For Coating Metals of all Kinds when exposed to the Action of the Weather, and

For Preserving and Repairing Metal Roofs of all kinds.

This is the only Composition known which will successfully resist extreme changes of all climates, for any length of time, when applied to metals, to which it adheres firmly, forming a body equal to three coats of ordinary paint, costs much less, and will last three times as long; and from its elasticity is not injured by the contraction and expansion of Tin and other Metal Roofs, consequent upon sudden changes of the weather.

It will not CRACK IN COLD OR RUN IN WARM WEATHER, AND WILL NOT WASH OFF.

Leaky Tin and other Metal Roofs can be readily repaired with GUTTA PERCHA CEMENT and prevented from further corrosion and leaking, thereby ensuring a perfectly Water Tight Roof for many years.

This Cement is peculiarly adapted for the preservation of Iron Railings, Stoves, Ranges, Safes, Agricultural Implements, &c., also for general manufacturers use.

GUTTA PERCHA CEMENT

For preserving and repairing Tin and other Metal Roofs of every description, from its great elasticity, is not injured by the contraction and expansion of Metals, and will not crack in cold or run in warm weather.

MARRIAGE.—ITS LOVES and hates, sorrows and angers, hopes and fears, regrets and joys; MANHOOD, how lost, how restored; the nature, treatment and radical cure of Spermatorrhœa or seminal weakness; involuntary emissions, sexual debility, and impediments to marriage generally; nervousness, consumption, fits, mental and physical incapacity, resulting from SELF ABUSE—are fully explained in the MARRIAGE GUIDE, by WM. YOUNG, M. D. This most extraordinary book should be in the hands of every young person contemplating marriage, and every man or woman who desires to limit the number of their offspring to their circumstances. Every pain, disease and ache incidental to youth, maturity and old age, is fully explained; every particle of knowledge that should be known is here given. It is full of engravings. In fact it discloses secrets that every one should know; still it is a book that must be locked up, and not lie about the house. It will be sent to any one on the receipt of twenty-five cents, in specie or postage stamps. Address DR. WM. YOUNG, No. 416 SPRUCE Street, above Fourth, Philadelphia.

☞ AFFLICTED AND UNFORTUNATE, no matter what may be your disease, before you place yourself under the care of any of the notorious *Quacks*—native or foreign—who advertise in this or any other paper, get a copy of Dr. Young's Book, and *read it carefully*. It will be the means of saving you many a dollar, your health, and possibly your life.

DR. YOUNG can be consulted on any of the diseases described in his publication, at his office, No. 416 SPRUCE Street, above Fourth, Philadelphia.

TAKE NOTICE.

This reaper which has already established for itself a world-wide fame, and needs no eulogy from us to convince the farmers of Carroll of its superiority over all others—yet we cannot suffer the occasion to pass without giving our testimony in its favor. Therefore we deem it no more than sheer justice, when we say, that for simplicity, durability, lightness of draught, and capacity to answer the wants of the farming community, that it is with the present improvements the best REAPER now in use.

A CARD!

WE have been advised that certain persons for purposes best known to themselves have been endeavoring to mislead the farmers and millers with regard to the freight on Flour and Guano to and from Baltimore. For those who are not advised, we would say that the cost for transporting flour per barrel from Westminster is 18 cents. A car will hold 80 barrels, and when sent to Howard-St., or Calvert Station, or North-st., it costs 50 cents more for the whole car load, which only adds ½ cent more. Guanos cost 8½ cents per 100 lbs.

We are arranging a revised Tariff of Freight charges to cover the entire road when completed and will have the various kinds of goods arranged to the classes to which they belong and which will be distributed throughout the country. IRWIN & TAYLOR.
