The glad Easter season is here again. What would this old world be without it? A place without Hope, a house without the spirit of Love. Easter is the Christian anchor and the sinner's salvation. It is the renewing of our better selves when the heart beats with joy at the prospect of a better life, of a joyful reunion, of a home without sin, sorrow or partings. It is what makes life worth living. It is to our souls what food is to the body. Christ is Risen! As He lives so we shall also live. Therefore, rejoice and be exceedingly glad.
