It flows easily, does not corrode the pen a particle, never gums up, is not injured by freezing and its color will last forever—Every family in America will buy it, as a package will last a family for years, and ink can be made in small quantities as wanted. With each gross we send a thousand circulars, with testimonials from clergymen, lawyers, teachers, merchants commercial colleges, editors &c, and the agents name on the bills. Only one person will be made agent for a county. The first one sending Thirty Dollars for a gross, will receive it by return express, together with one thousand circulars and the right to sell in the county he or she designates. If others send for the same county, the money will be returned to them free of expense. To make sure, one had better designate several counties, either of which he or she will take. Send for trade list and circulars if you dare run the risk of waiting or send the money for a gross. Letters addressed to the Mayor, Postmaster, cashiers of the banks, or the express agents of this city, will show that the business is honorably and squarely conducted.
