## A Shaded Porch--A Hammock and Easy Chair

Here are the famous Vudor Screens They are made of bass wood strips that will not split or break and are finished in green or tan or combination colors. The safety wind device prevents flapping in summer windstorms- the cords run through guides that will not wear out the cord. Vudor Screens are the only screens made with ventilating strips that while screening your porch insure perfect air circulation. They can be hung in four minutes by anyone—due to the patented self-hanging device. We have them in various widths—all 7 ft 6 in. drop, and priced

| | | | |
|---|---|---|---|
| Five ft. | $6.50 | Eight ft. | $10.40 |
| Six ft. | 7.75 | Nine ft. | 13.85 |
| Seven ft. | 9.40 | Ten ft. | 16.75 |

These screens insure at a minimum cost a cool and private porch and are especially adapted for sleeping porches.

And such comfy porch hammocks! Made in the sturdy standard khaki and some in gray and green duck—and some unusual hammocks in striped duck and cretonnes with pillows and canopy to match. Nearly all these hammocks have soft mattresses and adjustable backs and magazine pockets and some with adjustable head. They offer a most delightful place to spend a drowsy afternoon and they add considerable to the seating capacity—and the informality—of your porch.

They are priced $18.50 to $75.00, ready to hang. Metal stands in green or gray or brown are $7.00 and $8.00.

And there is some attractive reed furniture in gay cretonnes—and strong, sturdy rustic furniture wonderfully low priced—the old-time maple porch rockers—little tables, folding chairs—swings and canvas chairs and many, many suggestions for a comfortable porch here awaiting your selection.

## It's an Eddy!

You never say why you have an Eddy Refrigerator.

Its possession alone marks you as one who knows and will have the best.

If the Eddy were not in our opinion the most efficient refrigerator made we would not have continued selling it year after year.

If we did not know of hundreds of Eddy refrigerators giving real economical service to our customers we could not—dare not—refer you to them.

But it is a good refrigerator—and it will do just what you want a refrigerator to do—keep your food safely and with the least ice expenditure.

Ice Boxes, metal linedf are priced $14.75 to $58.75.
Refrigerators, metal lined, are priced $30.50 to $140.00.
Refrigerators, porcelain lined, $55.50 to $156.00.
We'll gladly mail a catalogue showing the various sizes on request.

YOU need less Certain-teed to cover a given area than you do ordinary paints and varnishes, because the ingredients in Certain-teed are highest quality, are properly proportioned, and are thoroughly ground and mixed by machinery that makes no mistakes. ### REPORT OF GRAND JURY FOR KENT CO., MD., FOR THE APRIL TERM 1921.

To the Honorable Judges of the Circuit Court for Kent County, Md.

Gentlemen:—We the Grand Jurors for the April term of Court 1921 respectfully submit the following report:

We have been in session six days and have examined 169 witnesses, brought in 44 presentments and found 42 true bills.

A petition having been filed with the Grand Jury, complaining of a misuse on the road leading from Chestertown to Quaker Neck caused by the dumping of rubbish, tin cans, paper, etc., on the side of the public road. This Jury recommends that the proper authorities be instructed to take such steps as may be necessary to abate this nuisance.

We desire to commend the sheriff for his zeal in the apprehension of violators of the law, but we find that he and especially his deputies have in our opinion in the performance of their duties, been guilty of conduct unbecoming an officer of the law, and we respectfully request that the Court give such instructions as will insure the proper conduct of these officers in the future.

We visited the jail and found same filled to capacity 23 prisoners being therein. The toilets on the first and second floors are very damp and leaking through floors and we would recommend such repairs as will remedy this condition.

The locks are in very poor condition and need repairing or replacing with new ones.

We investigated the escape of Jas. Davis and conslude that he must have had help from the outside.

We would recommend that Anna Caulk, an aged insane inmate be sent to some asylum.

We desire to thank the Court for its uniform courtesy, the State's Attorney for his very efficient assistance and the Bailiff for his untiring attention.

HARRY C. WILLIS, Foreman.
Test:—A. Parks Rasin, Clerk.

### IN MEMORIAM

In loving memory of our lettle son, Jennings B. Townsend, who died March 25th, 1921.

Dear little hands I miss them so,
All through the day wherever I go,
All through the night how lonely it seems
For no little hands wake me out of my dreams.

By Mamma and Dady.

In loving memory of my dear husband, William T. Slagle, who departed this life March 16th, 1921.

He has gone from his dear ones, his children, his wife,
Whom he willingly toiled for and loved as his life.
Oh, God, how mysterious and how strange are Thy ways,
To take from us this loved one in the best of his days,
O, what a weight of sorrow, must I, the lonely one bear,
A silent room an empty bed and the lonely vacant chair.

By His Devoted Wife.

We never shall forget you father,
While in this world we stay,
We hope that we will meet again
When God calls us away.

By His Sons, Willie, Charlie, Gilbert.

Sleep on dear father and take your rest,
God called you home;
He thought it best,
He saw your suffering was so great and opened wide the golden gate.

By His Daughters, Janie and Lula.

# AFTER ANY ILLNESS THE BLOOD IS WEAK

## If You Get Well Slowly, Try Building Up Your Blood

### IT'S BLOOD THAT FEEDS THE BODY

### Pepto - Mangan Creates Rich, Red Blood, Changes Pale Complexions to Bloom of Health

Serious illness, even a cold that is hard to shake off, can reduce the blood to a weak, watery condition which keeps the normal strength and vigor from coming back.

This poor physical condition brings on a helpless, discouraged mental condition which rich, red blood can restore.

Pure blood should be rich in iron which Nature supplies to some extent in food. But often through faulty digestion or improper diet you don't get the needed iron, and your blood, on which your health depends, grows weaker and weaker.

Gude's Pepto-Mangan enriches the blood, increases the red blood cells and supplies the ingredients that bring a quick response in vigor, vitality, and fine color.

Physicians recommend Gude's Pepto-Mangan. When you order, be sure the word "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan. Furnished in both liquid and tablet form. For sale by all druggists.—Advertisement.
