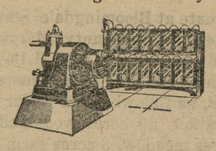
Willys Light Junior

Get Electricity for $295.00

NEVER has such value been offered. Here is a standardized electric power and light plant for the amazingly low price of $295.00.

It is no longer a question of being able to afford the convenience of electricity—at this price, no one can longer afford to be without it.

Willys Light Junior is big enough for light and small power uses. In every respect it has the dependability and quality which are characteristic of all Willys Light products.



Only large resources and great production could make this plant possible at its low price. We have anticipated a great demand and given the public the benefit.

The plant is beautifully finished, neat, compact and equipped with the wonderful air-cooled Auto-Lite engine-generator. It places electricity within reach of every purse.

Behind it is the national service of a great institution. We are anxious to tell you about this remarkable plant. Call us today.

H. E. CROOK & COMPANY, Inc.
Willys Light Division 28 Light St, Baltimore, Md

For a juicy, brown roast—evenly done

ALADDIN SECURITY OIL STANDARD OIL COMPANY

AND when you decide to bake or stew you'll be able to do either on a New Perfection Oil Cook Stove—with the least possible trouble. All the heat you want for any kind of cooking is ready in an instant. No waiting for the coal fire to "come up".

The white-tipped New Perfection flame produces quick, clean heat and the long blue chimney drives it all up to the cooking utensil or oven. All the heat is used to cook with. None of it is wasted in the form of soot on your pans; only a negligible amount is radiated about the kitchen, which makes for comfort, even on warm days.

Then, too, the three million and more housekeepers who use New Perfections are not bothered in their kitchens with coal, ashes, dust, wood and litter. And they know what a saving of time and labor that means.

The New Perfection is sturdily built throughout, is equipped with brass burners and will last for many years with ordinary care.

For best results use clean, pure Aladdin Security Oil—it's economical—for it's all heat.

New Perfection Oil Cook Stoves are sold at most department, furniture and hardware stores.

WEDDING NOTES

Voss—Willis.

St. James Methodist Protestant Church was the scene of a lovely affair Saturday evening. It was just at the time when the fading rays of the sun was lulling nature to sleep and the flowers were giving out their sweetest perfume that two hearts pledged their troth each to the other. The interested parties were Miss Barbara Thelka Willis, daughter of Mr. and Mrs. Harry C. Willis, of near Fairlee, and Dr. Norwood Voss, a prominent young physician, of Wilmington. The church was crowded with relatives and friends of the parties to witness the ceremony, which was performed by Rev. Leonard B. Smith, pastor of the Peninsula Methodist Protestant Church, Wilmington, of which the bride is a member.

The three sisters of the bride, Misses Pauline, Aletha and Jeanette Willis and Miss Voss, of Wilmington, sister of the groom, were bridesmaids and Miss Harriett Skirven was flower girl. The ushers were Ralph Usilton, Chaplin W. Willis, Lionel J. Keyser, Jr., and Mr. Voss, of Wilmington, brother of the groom.

Following the ceremony, Dr. and Mrs. Voss left by automibile for an extended trip, after which they will reside in Wilmington. The bridal party was entertained by the parents of the bride that evening.

Robinson—Medders.

A delightful social event of Still Pond and vicinity was the marriage of Miss Dorothy Medders, of Still Pond, and the Reverend Orris Gravenor Robinson, of Baltimore, Friday evening, June 24th. The ceremony took place at the home of the brides' parents, Mr. and Mrs. William Medders and was performed by the Rev. Ransom P. Nichols, of Smyrna, and the Rev. W. W. Barnes, D. D., District Superintendent of Baltimore. An impressive and unique feature of the service was the unison declaration of the marriage spoken by the two clergymen. Double ring service was used. The ceremony was performed before an altar banked in green under neath an arch of laurel and hydrangeas with a wedding bell of sweet peas.

The wedding party proceeded down the broad stairs to the altar to the strains of "The Prelude" by Rachmaninoff, played by Miss Maude R. Isenberg, of East New Market. The procession was headed by the ribbon girls, Misses Betty Davis, of Brooklyn, N. Y., and Miriam Harper, of Short Hills, N. J., cousins of the bride, who were followed by the matron of honor, Miss Anna Stevens McNeal, of Elkton, and the best man, Rev. R. L. Wood, a brother minister of the groom in the Baltimore Conference of the Methodist Episcopal Church. The maid of honor was Miss Clara Medders, sister of the bride. The bride, on the arm of the groom was attended by the page, little two year old Walter Harris, Jr., cousin of the bride.

Following the ceremony the happy bride and groom received the congratulations and best wishes of the many relatives and friends, present from New York, Baltimore, Washington, Philadelphia, Sioux City, S. D., Sharptown, New Jersey and throughout Delaware and Maryland. A wedding supper was charmingly served in the beautiful dining room by friends of the home.

The bride wore a gown of bridal satin, trimmed with orange blossoms and carried a shower bouquet of orchids, roses and sweet peas. The matron of honor was attractive in white satin, the maid of honor in pink organdie, and both carried delphinium and roses. The little page was dressed in white man's wear satin.

Both the bride and groom are graduates of Wesley Collegiate Institute, Dover, Delaware. The bride has pursued for the past few years a course at Columbia University, and the groom at Johns Hopkins University.

Mr. Robinson is one of the promising members of the Baltimore Conference and is pastor of Summerfield Methodist Episcopal Church of Baltimore. He has just completed a successful work of church building within the year by his leadership having secured a splendid $150,000 edifice.

Many social events preceded the wedding. Among them was a pyrex shower and picnic at the home of Mrs. Walter Harris, aunt of the bride. Another delightful one was the house party at the bride's home for the school mates of the bride and groom and other friends.

Samuel Bernard Moore, of Centreville, and Miss Virgie Plummer, of "Land's End," Spaniard's Neck, were quietly married at the Methodist Protestant parsonage, Chestertown, Monday at 4 o'clock in the afternoon, Rev. N. O. Gibson, pastor, performing the ceremony. After the marriage Mr. and Mrs. Moore motored to the home of the bride's parents, where a sumptuous wedding supper was served. Later they went to the home of the groom's parents, Mr. and Mrs. Robert A. Moore, near Centreville, where they will reside.

It Pays to Be Safe

Don't wait until it is too late. Remember Lightning strikes and destroys millions of dollars worth of property and kills hundreds of people every year.

You have no assurance that this season it may not be your turn to be struck—unless you get Shinn-Flat protection now.

Protect Now—Before Lightning Strikes!

Shinn-Flat
Prevents Lightning Losses

Shinn-Flat is superior to any other form of rod or conductor, for these reasons:

1—It is woven in a flat cable, with greater carrying capacity for electricity.
2—The weave of Shinn-Flat allows for expansion and contraction.
3—The flat form permits each wire to come in contact with moist earth, giving good grounding.
4—The Shinn patented four-legged Brace, with self-locking feature, holds top always in place.
5—Shinn-Flat is always installed by our licensed Dealer, whom we have instructed.
6—A cash Bond issued by a large Bonding Company insures your money back if damage by Lightning occurs.

Lightning Can't Strike If Shinn Gets There First

Telephone us and we will gladly send you our book, "Cause and Control of Lightning," and estimate of cost.

Ford
THE UNIVERSAL CAR
ANNOUNCEMENT

Mr. Edsel B. Ford, President of the Ford Motor Company gives out the following statement:

"Another reduction has been made in the list price of all types of Ford Cars and the Ford Ton Truck to take effect immediately. The list prices f. o. b. Detroit. are now as follows:

Touring Car	$415.00	Runabout	$370.00
Coupe	695.00	Sedan	760.00
Chassis	345.00	Truck	495.00

Fordson Tractort $625.00.

The big reductions last fall were made in anticipation of low material costs which we are now getting the benefit of, and this fact together with increased manufacturing efficiency and the unprecedented demand for Ford Cars, particularly during the past three months permitting maximum production, have made another price reduction possible immediately.

"Ford business for April and May 1921 was greater by 56,633 cars and trucks than for the same two months in 1920.

"During May we produced 101,424 Ford Cars and Trucks the biggest month in the history of our Company. 4,000 cars per day will be produced in June.

"The Fordson Tractor is still being sold at less than cost of production—therefore no further cut in the price of tractor will be made at this time."

Place your order now. Don't put it off.
