Vegetable Cough Syrup!

For the Rapid Cure of Coughs, Colds, Hoarseness, Croup, Whooping Cough, Asthma, Difficulty of Breathing, Spitting of Blood, First Stages of Consumption, Soreness of the Throat and all Affections of the Pulmonary Organs.

THIS SYRUP is an invaluable remedy for the alleviation and cure of Pulmonary Diseases.—It is prompt in its action, pleasant to the taste, and from its extreme mildness, is peculiarly applicable to the use of children and persons in delicate health. As an anodyne expectorant, it will always be found to be beneficial, by alleviating and arresting the several spells of coughing so distressing to the patient.

The afflicted can rely upon its doings as much, or more than any other remedy in soothing the nerves facilitating expectoration, and healing the DISEASED LUNGS, thus striking at the root of all diseases and eradicating it from the system.

A trial of it is all that is necessary to convince the public of the true merits of the above preparation.

All I ask is a trial of this preparation as it has no equal in its effects, and never fails to give entire satisfaction to all who use it. We warrant it in all cases, or the money refunded.

Try it—only 25 cents and 50 cents a Bottle
