Dr. Frank W. Smith, of Fairlee, writes, "I wish to take issue with an article printed by you in your last weekly with reference to the Tuberculosis Meeting held in Baltimore recently, in which it stated the County Nurse and Secretary-Treasurer of Kent county were present but no physician from here.

It has always been our misfortune that arrangement for such meeting did not come at a time when it is convenient for the county doctor to attend. It is especially so in the winter and early spring, that the most sickness prevails among us. Just at this time we see an unusual amount and I feel that many among the profession would gladly take advantage of any medical gathering in order that he may gather knowledge and experience for the betterment of fellow man. I am interested, especially in tuberculosis and would gladly spend a few days at the Maryland State Sanitorium to further this interest."

Citizens of Smyrna and Clayton held an enthusastic meeting at the garage of W. F. Keith & Son, Main street, Monday night to boost a concrete road from Smyrna thru Clayton and Blackistons to the Maryland line on road to Millington, The Maryland State Highway Commission has given assurances to extend the Galena road from Golts to Millington and the Delaware line. if the Delaware State Highway Commission will build a road from State line thru Clayton and Smyrna to the newly proposed duPont Highway. The route from Millington to Clayton is almost straight due west and east and the consensus of opinion was that it sould follow the Smyrna Branch railway from Clayton through Commerce street, Smyrna, to join up with the duPont Boulexard when it is built, from the "Finger Board," to "Armstrong's Corner."

IN MEMORIAM

Resolutions of respect upon the death of Brother John A. Jacquette.

Whereas, we have learned with profound regret of the death of Brother John A. Jacquette, a member of our church and Sunday school and for several years a faithful and earnest teacher in our Sunday school ,and

Whereas, we have had no more faithful andefficient teacher and worker in both church and Sunday school than Brother Jacquette. There has gone from our midst one of those splendid men who built his life in the shadow of the church. It was well built, for it was patterned and constructed after the life of God's own son, Jesus Christ. Therefore, be it
