In the Circuit Court for Carroll County, sitting as a Court of Equity.

Delilah Bish, vs. William Bish, } THE object of this suit is to procure a Decree divorcing the Complainant from the Defendant, *a vinculo matrimoni.*

The Bill charges that they were lawfully married on the 19th day of April, 1864, at Manchester, Carroll County, Maryland, by Rev. J. W. H. Eneter, and that complainant's maiden name was Delilah Yaggie. That the complainant in all things conducted and demeaned herself as a true and faithful wife, and that without any just cause or provocation the defendant abandoned complainant on the 16th day of May, in the year 1864, and resides beyond the limits of the State of Maryland in parts unknown to complainant. That the defendant has abandoned complainant, and that such abandonment has continued uninterruptedly for more than three years, is deliberate and final, and the separation is beyond any reasonable hope or expectation of reconciliation.

The Bill prays an order of publication giving notice to the defendant of the object and substance of this bill, and warning him to appear in this Court at some certain day to be therein named.

It is therefore ordered and adjudged that the complainant by causing a copy of this order to be inserted in some newspaper published at Westminster, Carroll County, Maryland, in each of four successive weeks before the *fifteenth day of June*, 1867, giving notice to the absent defendant of the object and substance of the bill, and warn him to appear in this Court in person or by solicitor on or before the *Fifteenth day of September, next*, to answer the premises and show cause if any he has, why a Decree ought not to pass as prayed.

IN THE NAME OF HUMANITY
AND
TO THE GLORY OF THE GRAND ARCHITECT OF THE UNIVERSE.

FAITH. HOPE. CHARITY.

MEN AND BRETHREN:—While you are reading these words, thousands of human beings born on our own soil, our own countrymen and countrywomen, are enduring the unimaginable tortures of starvation. In the Southern States of our Union there is unexampled destitution. The reports which reach you through the newspapers are more than verified by private letters and circulars which are being received, daily, by individuals, and especially by the Masonic Fraternity of the Northern, Middle and Border States. From the mouth of the Mississippi to the mountains of Georgia, there is a cry for *bread*. In certain localities, the whole population is haunted, night and day, by the ghastly presence of *famine*. They call upon *us* for relief. A half million of widows and orphans beseech us to rescue them from the merciless demon of hunger, against whom the cries of women and children are equally unavailing. They appeal, especially, if we may use their own language, "to the great Masonic heart."—Hearing that appeal, and moved, by its accents, to action, DOOR TO VIRTUE LODGE, No. 46, A. F. and A. M., at a communication held on the 9th inst., appointed the undersigned a "Committee of Relief," in the name of our common humanity and in accordance with the benign teachings of our ancient order, to solicit contributions for the benefit of our starving brothers and sisters in the Southern States. This committee confidently appeal to the community at large for liberal and timely aid.

Men and Brethren:—Let there be no delay. While you hesitate, your fellow-creatures are going down to their graves *for want of a crust of bread.* Women! ever foremost in works of charity, we look to you for countenance and active assistance in our labor of love. All that is received by us will be distributed through *safe and speedy* channels. It will reach those who are in actual need; it will relieve actual distress; it will be to the suffering as a message from Heaven. "He that hath pity upon the *poor*, lendeth unto the Lord; and look, what he layeth out, it shall be paid him again." Contributions will be willingly received by any one of the undersigned, either at his place, of business or private residence.

ICE PITCHERS.—A nice lot of Fine Silver Plated Ice Pitchers, just opened and for sale low. Wm. Moore,

SOMETHING NEW TO SMOKERS!

ADVANTAGES OF THE

PATENT GRANULATED

SMOKING TOBACCO.

IT has the flavor of the best Havana Cigar. It has the flavor because it is manufactured from the finest part of the leaf, and of the choicest Tobacco, previously reduced to a comminuted state.

Owing to its "Granulated" state, the ashes of this tobacco never rises up in the pipe; while the ashes of all other smoking tobacco does, often falling on, burning, or soiling the clothes.

A pipe full of the "Granulated" will last longer in smoking than any other form of tobacco.

The flavor of the last inhalation is as pure as the first; its "Granulated" condition preventing the tobacco in the bowl and the pipe from becoming impregnated by the smoke, as it is drawn through it.

The "Granulated" does not foul the pipe or stem nearly so much as any other tobacco; nor does it leave any unpleasant taste or foulness in the mouth, so usual and strongly marked, after smoking other form of tobacco.

The above advantages of the "Granulated" (are not vague and theoretical, but) are simple and practical points which may be tested and proved by actual trial. Let each one verify for himself the important advantages claimed.

Intending to make a speciality of the Segar and Tobacco trade in connexion with the Watch, Clock and Jewelry business,—We invite those fond of a *Good Segar* to give us a call, promising them something nice in that line. Also, the Patent Granulated Smoking Tobacco, warranted to be superior to any Tobacco in market, always on hand.

THE GREAT CAUSE OF HUMAN MISERY.

Just Published, in a Sealed Envelope. Price six cents.

A Lecture on the Nature, Treatment and Radical Cure of Seminal Weakness, or Spermatorhœa, Induced by Self-Abuse; Involuntary Emissions, Impotency, Nervous Debility, and Impediments to Marriage generally; Consumption, Epilepsy, and Fits; Mental and Physical Incapacity, &c.—By ROBERT J. CULVERWELL, M. D., Author of the "Green Book," &c.

The world-renowned author, in this admirable Lecture, clearly proves from his own experience that the awful consequences of Self-Abuse may be effectually removed without medicine, and without dangerous surgical operations, bougies, instruments, rings, or cordials pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.—THIS LECTURE WILL PROVE A BOON TO THOUSANDS AND THOUSANDS.

Sent under seal, in a plain envelope, to any address, on receipt of six cents, or two postage stamps, by addressing the publishers.

Also, Dr CULVERWELL'S "Marriage Guide," price 25 cents.
