The annual meeting of the club known as "Minding Everbody's Business But Your Own" was held at the wharf on Thursday, May 18th, 1922. A full attendance was at the meeting. Minutes of last year's meeting was read and approved. There being no special business on hand the club proceeded to elect a president for the ensuing year, as E. T. Tuesday, May 23, was the first anniversary of the terrific hail and wind storm which swept over this county, leaving in its wake a twenty-mile path of destruction. The property loss throughout the county was estimated to be over $200,000, when thousands of acres of growing wheat were devastated, window panes shattered and live stock and poultry killed by the hail stones. Many farmers suffered the loss of whole crops, and have not fully recovered from financial loss. within a week of a year from date of this storm, another hail storm, but which did no damage visited us.

The Noland-Bennett-Russell Motor Company, during the past week sold a Chevrolet sedan, a Buick sedan and a Buick six open model.

The Paige 6-66 Daytona Model, says J. H. Clendaniel, Jr., the local agent, established a new world's stock chassis record for 25 miles on the Cotati, California, track Sunday, May 7th, when it covered the distance in 15 minutes and 27 95-100 seconds, traveling at the terrific speed of 96.98 miles an hour plus. The most interesting and significant feature of this remarkable performance is the fact that in order to establish a new world's mark for 25 miles the Paige had to shatter records made by itself about one year ago on the Uniontown, Pa., track. At that time it broke all world's stock chassis speedway records from 5 to 100 miles. These records remained untouched and even unchallenged until the Paige tackled them on the California track. The previous world's record for 25 miles, set by the Paige itself, was 16:37.94, or 90.1 miles an hour, so that the performance in California shows a marked improvement over a figure that no other car was able to lower or even equal in a year's time.

J. ROMIE BYRON'S DEATH

Found Early Saturday Morning On "Lover's Lane" Road, Near Town Died While Extricating Car Of Heart Attack.

This community was shocked Saturday when the dead body of J. Romie Byron was found on the "Lover's Lane" road near Hopewell school site, two and ahalf miles from Chestertown. Nathan Ray, a colored farm hand employed at S. V. Nickerson's discovered a car stalled on the road late Friday night and reported it to his employer next morning. Mrs. Nickerson with two others went to the road and there found the automobile on the roadside with the body of Mr. Byron near with a coil of rope in his hand. Coroner H. L. Dodd and his physician, Dr. H. G. Simpers, were notified and viewed the remains. They gave as their opinion that Mr. Byron endeavored to get his car out of the ditch unassisted and was stricken with heart failure and died before assistance had reached him, because it is known that some one telephoned to a local garage to come out and get his car out of the ditch, and men were sent but did not go far enough into the road and returned to report failure to find the car.

Mr. Byron's body lay along the roadside all night, and when his family learned he had not returned Friday night they became alarmed and reported the matter to the authorities here. Coroner Harry L. Dodd rendered a verdict that death was due to heart failure. There was nothing whatever about the body of Mr. Byron or the condition of the car, to indicate that he had been a victim of foul play. He was about 62 years of age and leaves a widow. The funeral was held Monday afternoon, Dr. S. S. Hepburn and Rev. N. O. Gibson, officiating, interment in Chester Cemetery, C. L. Dodd, undertaker.

The bearers were H. C. Lusby, Walter Bennett, John N. Bennett, W. F. Russell, Stewart Matthews, Wilbur Morris, Frank Shinn.

KENT NEWS $1.50 PER YEAR

THE MASONS AT MILLINGTON.

The Masons of Kent county had a red letter day last Sunday in Millington. The Chaplain of Chester Lodge No. 115, A. F. & A. M., Rev. Ollie Connelly, invited the members to a special service in Millington M. E. Church in the morning and over eighty Masons were present. Chaplin Connelly delivered a splendid sermon on the subject "Builders," which was very pleasing and instructive to the large congregation. Special music was well rendered by the choir.

The text found was in 1st Cor., 3rd chapter, 10-16 verses inclusive, read from the old Bible used by the Eureka Masonic Lodge, No. 78, of Millington, of which Mr. Joseph Mallalieu was a member.

After the services at the church the Masons were invited to Central Hotel, where a bountious dinner was served at the dining room.

An address of welcome was delivered by Prof. A. J. Bolin on behalf of the Millington Masons and the response delivered by Mr. Wm.A.Wheatley, the secretary of Chester Lodge. One prominent figure at the services was Joseph Mallalieu, of Millington, who was made a Mason just fifty-nine years ago. He is one of Kent's most estimabe and beloved citizens.

Among the visitors from other lodges than Chester Lodge were: Dr. H. P. Copeland, Fort Cumberland Lodge, Cumberland, Md.; Elder D. Albaugh,, Lafayette Lodge, No. 71, Philadelphia,, Pa.; C. T. Redden, St. George Lodge, Delaware; T. Frank Price, Centreville Lodge, No. 180, Centreville, Md.

KENT COUNTY RESPONDS NOBLY

The reprt of the committee for worn clothing for The Near East Relief is as follows: 88 bags of clothing by express, 3870 lb, 2 bundles by parcels post, 40 lb, making a total of 3910 pounds.

Competent judges laid a valuation of $10 on each bag, which they considered a low estimation at that. We feel Kent county has surely shown her liberality in this work in the clothing of all kinds that was donated. It seemed more than a stupendous job to the committee, when they beheld the fire engine house, which was so kindly loaned to store the clothing in, to see such a grand showing of donations as an answer to this worthy call.

By the kind and most excellent help of Mrs. Harry Graham, Mrs. Barber Bartley, Mrs. Walter Bramble, Mrs. Bonwill Dukes, Mrs. Norman Cooper, Mrs. Edward Furbush, Mrs. Hope H. Barroll and Miss Emily Ford and the invaluable assistance of Mr. Charles S. Smith and Mr. John C. Davis, the committee were enabled to complete the work in a short time.

To the churches and schools of the county is due a large part of the credit of getting this work started and getting interest imbued in the hearts of the people, so each one would feel their little bundle was a help towards making the big bundle

The following schools, also desired to contribute towards caring for the hungry children. Seventeen cents cares for a child for one day.

Worton, $2.00; Lynch, $2.00; Chestertown Grammar, $20.00; Chestertown High $27.00; Mrs. John Medders, personal, $1.00; Total $52.00.

This is a fine showing for these schools and if any of the other schools have any money to report, please send it in at once.

The committee wishes to express their thanks and appreciation to each and every one who helped in any way to push this work through, thereby, making it a great success.
