Notice of Redemption of 4¾ Victory Bonds
DECEMBER 15, 1922

We have just received a notice from the Secretary of the United States Treasury that all of the 4¾ Victory Notes, which bear the distinctive letters, A, B, C. D, E. and F prefixed to their serial number, will be called for redemption on December 15th, 1922.

Interest on all the above 4¾ Victory Notes thus called for redemption will cease on said redemption date, December 15th, 1922.

The balance of the Victory Notes bearing the distinctive letters G, H, I, J, K, or L., prefixed to their serial number will not, in any manner, be effected by this call for redemption and will become due and payable May 15th, 1923, according to their terms.

We would therefore call your attention to those holding Victory Notes up to and including letter F that no interest will be paid on these bonds after December 15th.

Any of our friends who desire to cash in their bonds before Dec. 15th, 1922, this Bank will be very glad to dispose of them at market value less usual brokerage fee, etc with accrued interest from their last interest date.

Primaries Very Quiet !

Everybody is happy in Kent over the primaries except the fellow who doesn't want to be. The victorious candidates and their friends had success to rejoice them; the defeated ones and their frienls found comfort in the scars given leaders of the organizations of each party, and some of the scars are deep. For instance the Lewis forces under the leadership of Charles L. Dodd and Senator Wm. F. Russell carried the Court House precinct in Chestertown and beat the Bruce boys by 42 in the Chestertown district. They also carried both Kennedyville districts and came within 5 of carrying Betterton. The friends of David J. Lewis in the counties had much cause for congratulation of their candidate. Mr. Lewis made a far better run against Mr. Bruce than a superficial glance at the returns will indicate. He polled in the counties, where his fight was concentrated, 15,291 votes against 21,504 for Mr. Bruce and 8,871 for Mr. Norris. He had 34 per cent of the entire county vote, as against 48 per cent for Mr. Bruce, and this with organization only in spots and very little financial resources. That strength, mainly personal, not only gave him 28 votes in the State convention, but made him a dangerous candidate against Mr. Bruce in half a dozen counties whose delegates were captured by Mr. Bruce.

The Bruce ranks in charge of W. W. Beck, H. W. Vickers, H. H. Barroll, J. P. Ahern, Leonard Wilson, Walter Hadaway and others fought a hard battle and won the county by incessant work on part of lieutenants who got out the vote. The Bruce precinct was Millington which gave Bruice 162 votes, Lewis 15, and Norris 8.

There are nearly 4,000 Democratic votes in Kent and only about one-half voted proving how unconcerned the public are as to this duty.

Friends of William I. Norris, still smarting somewhat at his defeat, were able to extract pleasure from the bad upset given John Mahon and Frank Kelley in East Baltimore and in other places. In Kent under the leadership of S. S. Beck, Robert R. Ayres, Elmer S. Jarman and others they made a great fight carrying five precincts, Galena and Chestertown, 2nd Edesville, 6th and 7th.

The organization sufferer in the Republican primary was William P. Jackson. He was badly maltreated by the voters and is now in the position, as politicians see things, of having saved Senator France only to be personally humiliated in the act he never has been since he became an active factor in politics 20 years ago. He only won his own county by 59 and lost 5 Eastern Shore counties.

The situation in Kent wasa fulfillment of that prophecy which says "Beware when all men speak well of you." The leaders in Kent professed to be for France, but the vote came out for Garrett. John C. Davis, C. N. Satterfield, Wesley Broadway and other leaders were openly for Garrett. All sorts of charges are made and the reader may judge for himself as to what happened. It is another case of "Who stole de ham?"
