WASHINGTON PLAYS WONDERFUL FOOTBALL

But Loses To St. Johns By Score Of 9 To 3 At Annapolis—Game Won In Last Four Minutes.

KEENAN, CARROLL AND CAVANAUGH STAR FOR WASHINGTON.

By a wonderful drive in the last four minutes of play, St. John's redeemed a stricken field, winning from Washington College 9 to 3 last Saturday. Up to the final score Washington had the better of the struggle 3 to 2. St. John's had scored on a safety within a few minutes of the opening of the game, while the visitors scored on Cavanaugh's field goal late in the final period.

The game was interesting to the last degree, though played on a soft field. St. John's, able to gain at any period of the game, came near to losing through poor generalship at times. In the second period, when a touchdown was within their grasp, the Cadets lost the ball because Anderson was caught slugging and banished from the field.

St. John's kicked off and a fumble shortly afterwards gave Alexander and Companion a chance to pounce on Crowe and down him behind his own lines for a safety.

St. John's held their enemy to their own territory in the third quarter, and started the fourth with the advantage. The team, however, was weakened when Kirkpatrick and Cain went to the side lines, and did not deliver the punch when necessary. Keenan, the giant guard of the visitors, was brought behind the line to carry the ball, and usually made telling gains. Crowe and Cavanaugh were also effective, Keenan surprised the St. John's team and spectators when he crashed through the line for his 20-yard gain. He played a wonderful game, Coach J. T. Kibler deserves great praise for the team he has gotten together.

A poor punt by Kirkpatrick gave Washington its chance and Cavanaugh kicked a goal from the field from the 15-yard line. With but four minutes to play, St. John's received the kickoff. On the first line-up Kirkpatrick ran 40 yards to Washington's 25-yard line. Ridgely, in successive rushes, carried the ball to the one-yard point, Engelke then drove through for a touchdown, with but one minute to play. On the try for point Engelke kicked goal with a drop kick. The game was a fine exhibition for so early in the season, and many believe that the two strongest college teams of Maryland met.

The lineup:

St. John's		Washington
Anderson	L.E.	Reiger
Perry	L.G.	Duffy
Stecher	L.G.	Monoghan
Fineburg	C.	Kelly
Barger	R.G.	Keenan
Alexander	R.T.	Fiore
Banfield	R.E.	Carroll
Rarley	Q.B.	Cavanaugh
Norris	L.H.	Galvin
Kirkpatrick	R.H.	Bankard
Ridgely	F.B.	Crowe

Touchdown—Enelke. Try for point (drop kick)—Engelke. Goal from field—Cavanaugh. Safety—Companion and Alexander tackling Crowe. Substitutess: St. John's—Companion for Fineburg. Brown for Anderson, H. Wegner for Kirkpatrick, Rapp for Banfield, Jarvis for Perry, Kelso for Norris, Cain for Ridgely, for Cain, Norris for Kelso, Engelke for Darley, Kelso for Cain, Brown for Alexander, Dugan for Brown. Washington—Scarborough for Monagham, Tyson for Galvin, Johnston for Reiger. Referee—Armstrong, Tufts. Umpire—Harlan, Princeton. Head linesman—Howard, Navy. Time of quarters—12 minutes.

Score by periods:

St. John's	2	0	0	7—9
Washington	0	0	0	3—3

EVERYBODY CAN GROW CHRYSANTHEMUMS

Just ordinary everyday people who like flowers, who have no special skill in raising them, perhaps not a very good place to grow them and who do not care to spend much money, will be glad to know that the New York Botanical Gardens has printed a list of hardy chrysanthemums which they warrant to grow. "Chrysanthemums for Everybody" they call them. It is a list recommended by Arthur Herrington in a lecture at the garden.

"Chrysanthemums of the past," said Mr. Herrington, 'made their chief appeal to people who had greenhouses to give the flowers the necessary shelter and bring them to perfection. In recent years great changes have been wrought and new types and varieties have been developed, so that today we have a really hardy chrysanthemum which any one who wishes, in town or country, can grow in the garden.

"This is not a figure of speech; looking from the windows of elevated trains in the season, I have seen glorious white, yellow, pink and crimson chrysanthemums, which have been planted in boxes in small back yards in the heart of the city, making a charming little oasis in a dirt and disorder. You can have a perfect riot of chrysanthemums, if you wish, for a period of from six to eight weeks. Have the heart's desire, and the rest is comparatively easy.

Here is Mr. Herrington's list as the Garden has printed it of the most satisfactory varieties, the great number on the dealer's lists being confusing to the beginner.

Early flowering kinds which begin to bloom in September—Smith's Advance (white); Cranfordia (yellow); Charles Jolly (pink); A. Barham (bronze).

Pompons, large-flowered — Lillian Doty (pink); White Dity (white); Connie Dick (yellow); Anna Moran (bronze).

Pompons, small-flowered—Little Gem (light pink); Rose Trevenna (deep pink); Zenobia and the Baby (yellow); Mrs. Frank Wilcox (bronze).

Single-flowered varieties—Mrs. Buckingham and Kitty Riches (pink).

Single-flowered. Very early — Mensa (white); Golden Mensa(yellow); Gloriann and Ida Schiff (bronze).

"The cost is little," says Mr. Herrington, "for the young plants can be purchased at planting time in May for about 20 cents apiece. May is a good time to plant them out. They will grow in any ordinary garden soil, but if the soil is poor enrich it by adding bone meal or pulverized sheep manure, which can be obtained from seedmen in handy packages.

"About two weeks after planting, when the young plants have become established and begin to grow, the growing tip should be pinched or cut off. This tends to make the plants bushy, well-branched and comparatively self-supporting. A second pinching may be given if the plants seem to be growing too tall, but do not pinch later than the last week in June. If, after the plants are started, they seem to be in need of stimulant, because of poverty of soil, they can be given liquid food, a table spoonful of nitrate of soda dissolved in two gallons of water. This will work wonders, but it must not be applied more than twice during the season. Or sheep manure may be spread on the ground and watered in.

"Of plant enemies the one persistent one of the chrysanthemum, and not a serious pest, is the Aphis or green fly. This invariably appears during the growing season. It must be killed by a contact poison and the best remedy is a nicotine preparation such as 'Black Leaf 40,' applied as directed on the container, in a fine mist spray which thoroughly wets the shoots and the insects on them. If

NOLAND

Bargains, yes bargains. What do we mean by this? We've packed a world of meaning in this word BARGAIN. Low price alone doesn't make any item cheap. But it must be something you need of the right quality at a low price. The goods must come up to the standard to be bargains. This is our plan of low prices. We are now opening our Fall and Winter Lines of Shoes for Men and Boys, the standard makes of Endicott Johnson.

Afull line of Percales and Ginghams, Dependable Hosiery for all. A big line of Underwear for all the family. Boys School Pants. Men's and Young Men's Pants in great variety.

Floor Coverings, a splendid line to suit all floors and all pocket books. Men's and Boys Caps and Hats, Gloves, Girls' School Dresses, Shoes and Sweaters. Men's Work Shirts, the Longfellow kind. Don't forget we keep almost everything and all are sold at BARGAIN PRICES. Not one day but every day.
