

RING'S
Vegetable Ambrosia,
FOR
GRAY HAIR.

This is the AMBROSIA that Ring made.

This is the Cure that lay
In the AMBROSIA that Ring made.

This is the Man who was bald and gray,
Who now has raven locks, they say.
He used the Cure that lay
In the AMBROSIA that Ring made.

This is the Maiden, handsome and gay,
Who married the man once bald and gray,
Who now has raven locks, they say.
He used the AMBROSIA that Ring made.

This is the Parson, who, by the way,
Married the maiden, handsome and gay,
To the man once bald and gray,
But who now has raven locks, they say,
Because he used the Cure that lay
In the AMBROSIA that Ring made.

This is the Bell that rings away
To arouse the people sad and gay
Unto this fact, which here does lay—
If you would not be bald or gray,
Use the AMBROSIA that Ring made.

N.B.—Prescriptions carefully compounded. April 23.

To the People of Carroll County.

THE Subscribers, Corporators and Members of the Carroll Lumber Company, beg leave to inform their friends and the public generally, that they have obtained a Charter from the Legislature of this State authorizing them to manufacture, vend and deal in all kinds of Lumber, and also to purchase and sell Lands in this State, and elsewhere. That the Capital Stock of the Company is $500,000 in Shares of $50, each. We propose now to sell Seventeen Hundred Shares of the Stock at $30 per Share, Cash. The Company has already purchased Twenty-Seven Hundred and Seventy-Five Acres of the finest Timber Lands in West Virginia, located on Cheat River, on which there is also large quantities of the finest Bituminous Coal

We are now preparing to erect Steam Saw Mills of great power and with all the latest improvements, and will in a very short time be producing large quantities of Lumber.

From a careful examination of every matter connected with this business we are quite sure that the Company will make it a decided success, and that the purchasers of the Stock at the above named price will realize large dividends.

This is a Home Institution, and we are fully determined that it shall be conducted with the strictest economy and efficiency, and that the Stock shall be a safe, secure and profitable investment.

Books have been opened at the First National Bank, Westminster, and the Farmers and Mechanics' National Bank, Westminster, where our friends are invited to call and subscribe to the Stock.
