Election, Tuesday, November 5

Torch Light Procession.

We hope our readers will bear in mind the grand Torch Light Procession of Carroll Union League, on Monday Evening next. Let there be a full turn out of the members, by all means, as well as by the Republicans generally of the town and District. Arrangements have been made to secure speakers from abroad, and an interesting occasion may be relied on.

THE ELECTION.

On Tuesday next the voters of Carroll will be called upon to decide by their ballots one of the most important questions that has ever been presented to them, viz: Whether Loyal men, or the abettors of treason and rebellion, shall rule the administration of our County and State affairs. On the one hand, the Republican party have presented you a ticket composed of men whose loyalty, patriotism and honest integrity is beyond question, while their qualifications for the different positions assigned them is of a character equally unquestionable, and all worthy your most cordial and earnest support.

On the other hand the Democrats have presented a ticket composed of old fossils, and men notorious for their rebel sympathies during the late bloody struggle, two at least, of whom had sons in the Rebel army, whose *patriotic valor* some of our citizens may only too well remember; whilst others are mere political whirligigs considerately shaping their political principles to suit any party that will elevate them to office. Can loyal men hesitate in their choice between the two tickets? Can any man who regards the interest and welfare of his country elevate to positions of trust and honor men who sympathised with an attempt at its destruction? Surely not! Then the way is clear; vote for the men only who stood by their country in her hour of peril, and who by their past records have proved themselves worthy of your confidence and support. Let no consideration of personal regard induce you to scratch a single name, but vote the full ticket as presented by your representatives in the Convention, and all will be well. The vital interests at stake have been ably discussed at the different meetings held throughout the County, and it only remains for us to urge upon the people a full turn out on TUESDAY NEXT to the polls, to ensure a triumphant victory, and administer to the aiders and abettors of treason and rebellion another well merited rebuke.

An Important Fact.

Last winter $25,000 were appropriated by the Democratic Legislature to defray the expenses of the new militia which they called into existence. That sum has been expended, and in addition thereto debts have been contracted for arms, accoutrements, uniforms, &c., to the amount of *half a million of dollars.* The bills for this half million will be presented to the next Legislature for payment, and if the people send Democratic delegates, appropriations will be made to pay this sum, and the taxation must increase.

The Prospects.

From every District in the County we are hearing gratifying tidings, the people appear to be fully alive to the importance of the issue to be pronounced upon at the ballot-box, and the indications are that a decision confirmatory of the principles vindicated by a long and bloody war, will be rendered. In every District our Ticket is hailed with perfect satisfaction, as it well deserves to be, and the busy note of preparation for its energetic support is heard on all sides; men who have hitherto taken no part in political campaigns, are now enlisted in the work, and manifesting by deeds, as every one should, that they are in earnest and mean to win when the impending trial of strength takes place. The signs of the times so far as this County are concerned, are propitious, and it needs but an extra effort on our part to carry it by a decisive majority, and place it beyond the control of men who seek to reward treason by nominating to office men who sustained and sympathised with the rebellion.

Let us then earnestly entreat our party friends to go into the remaining few days of this campaign with re-doubled energy, with the determination to achieve a complete and decided success—to carry every man on the ticket through triumphantly. We want this County no longer to be debatable ground. While there is an aching heart, or a desolate fireside remaining as a memorial of the Rebellion, in Carroll county, we want that party which denounced and opposed the defenders of the Government to feel and realize that there are no honors in store within our borders for them. They have cast their lot with the enemy, and it is too soon by many years for them to ask or expect honor and distinction from us.

Be Sure to Vote.

We doubt whether there was a true Republican in this County, or State, who was not disappointed, chagrinned and disgusted with the result of the election in Pennsylvania and Ohio,—particularly so when we learned that it was through the apathy of the party, and the neglect of some 50,000 Union men to vote. Pennsylvania is loyal to the core, and so is Carroll County; but the same defeat awaits us here, if our friends remain at home on Tuesday next, and thus neglect so plain a duty. No matter if we had in this County 5,000 majority over the Rebels, it would avail us nothing if they all remained at home. Be sure then and vote; and see also that every loyal vote is registered and polled. Let neither rain, storm or anything else deter you from that duty, and success is certain.

"Advance the Whole Line."

When the roll is called on the 5th day of November, at the ballot-box, let every Republican voter in Carroll county respond to his name, and deposit his vote. Do not let any thing keep you away. Be present to do your duty, and your whole duty. "Advance the whole line," and win a certain victory. The stragglers of an army never yet did any effective service, and we must see to it that there are no stragglers from the ranks on Tuesday next. There is none so busy that they cannot spare one day for their country, let Tuesday next be that day, and let it be cheerfully and heartily given.

Important Questions.

"Can a political party who opposed the nation in time of war, when its very life was imperiled, be trusted with its interest in time of peace? Can men who rejoiced at national defeats, and at rebel victories, be safely trusted with power?"

Let these questions be asked by every loyal man in Carroll County before he casts his ballot in November. By voting the Rebel ticket you are voting to honor men for their treason against the Government, and thus make loyalty odious. A man who has once harbored treason in his heart can never be trusted, and should forever be denied all political honors.—Who ever thought of choosing Benedict Arnold to any office.

The candidates on the Republican ticket, both State, County and Judicial have been loyal to the Government at a time when loyal men were needed. You cannot say the same of the opposition ticket. Their sympathies were all with Jeff. Davis, Lee, Moseby and other rebels. Vote for the Union candidates—against the treason sympathisers.

STRIKE.

Freemen of Carroll County! On Tuesday, the 5th of November an opportunity is again afforded you of striking another blow at the traitorous Copperhead party! Strike hard and let it be the death blow! Crush out the little remaining evidence of vitality which still manifests itself in the scaly and miserable carcass of the copperhead monster, and let the result on that day consign to the grave of infamy that foul and writhing mass of political treachery and corruption, which has so persistently endeavored to ruin and destroy the country! Strike!!

RAIN OR SHINE.

Go to the polls on Tuesday the 5th of November and vote the UNION TICKET from top to bottom! Do not stay at home because the weather looks unfavorable or on account of rain, but go to the polls, and see that your neighbors accompany you. Go early and vote, one day to the cause of the Union, and the Victory achieved will be all the more glorious to you for your efforts in its behalf! VOTE EARLY AND SEE THAT EVERY UNION VOTE IS OUT.

The True Issue.

The issue between loyalty and treason was never more clearly defined than it is in the present campaign. The "Conservative element has been completely ignored by the Democracy, and the latter has hoisted the Confederate banner, purged of any taint of "Yankee ideas," or "Yankee sentiments." A year ago the Democracy were anxious to secure men who had served in the Union army, as candidates on their ticket; to-day they deem it wise policy to place "confederate" instead of federal soldiers on their ticket. Surely treason has been made "odious." It cannot fail to awaken, in the minds of all honest men, fearful apprehensions for the future of the Republic, when we reflect that open and armed treason has become the surest road to advancement.

WORK, WORK!

Finish up your work, men of Carroll County! Hasten your business, for Gold is going up, up, every day since the Rebels triumphed in Pennsylvania thr'o the apathy of about 75,000 Republicans. The political barometer predicts foul weather. Andy Johnson foolishly imagines that because Republicans did not vote in Pennsylvania and Ohio, they endorse his policy of stopping reconstruction. Take care that you do not neglect your duty on the 5th of November, by remaining at home. Every Republican who fails to vote against the Rebel candidates, gives just that much aid and encouragement to treason, and puts life into the cause of Jeff. Davis, which cost us so many lives in crushing it out. Vote as you did when Northern cheers echoed Sheridan's victories in the Valley of the Shenandoah; or else look to your homes, and your rifles—the latter may be needed to protect the former.—Give one day to your country! Your wives, your children, humanity demands this duty of you. The victory is within our reach. Will you reach out your hands to receive it? If you do not, you deserve to be beaten and to suffer all the consequences of Rebel misrule and intolerance.

One Vote is Important.

In the contest now going on between the friends and foes of human liberty and progress, the importance of one vote should not be overlooked. Not that there is an indispensable need of one vote or that the success of the Republican party in this county, depends upon one vote—its triumph is a foregone conclusion but because there is a vital principle involved, and because one vote here and one vote there helps to count in the aggregate. It is a principle every Union man should avail of, and he who hesitates or neglects to exercise the right of suffrage, when his own and the public interests are at stake, is guilty of a dereliction of duty, and is recreant not only to himself, but to his children and his country. Carelessness and indifference in one voter begets carelessness and indifference in others, and in this way hundreds of votes may be lost in the county, each one thinking his vote of little importance. Union men, we trust, will measure the importance of their votes by a higher standard than this. Now is no time for failure in the discharge of duty, and it should be borne in mind that while one is faltering and thinking his vote of no importance, others are faltering and thinking so too.

Judge Bond, Abroad.

The New York Independent says:—Judge Hugh L Bond, of Baltimore, has been nominated as the Republican candidate for Governor of Maryland No nobler man lives in that State. Incorruptible, able, ardent, young, he is the fittest man in Maryland to lead her party of freedom at the present juncture. For years past Judge Bond has been a brave, indefatigable, uncompromising advocate of the equal rights of all American citizens, whether white men or black. We have known him long and well, and seen him in many trying political situations; but we never once knew him to surrender his principles for the sake of party, nor ever once blush at standing in a minority for the sake of right. Long before Mr. Lincoln had made up his mind to free the slaves, Judge Bond was a frequent visitor to the Executive Chamber, to urge that great measure. Throughout the whole course of the war Judge Bond's influence in Maryland for the cause of emancipation was too great to be ever mentioned by the Radical party without mingled admiration and gratitude. Since peace (if there yet be peace!) he has been unremitting in his exertions to secure the full fruits of the war. On one signal occasion, when he threw himself gallantly in the breach against the haughty usurpation of the President, by a legal decision which which proved that his judgment was equalled by his courage the whole country gave him a spontaneous outburst of applause. He now stands on a platform which demands "universal manhood suffrage, uniform education, payment of the notional debt," and which pledges the Republican party of Maryland "to fight it out on that line." It is not often that a candidate for Governor is moulded out of such pure, ringing metal as Judge Bond The Republican party generally chooses its Governors as the Episcopal dioceses choose their bishops—from men who are neither entirely radical nor entirely conservative. But Judge Bond is every inch a Radical—holding the noblest ideas of democratic equality, believing religiously in the brotherhood of man, and preferring at all times to be right rather than to be Governor. Let him be elected. Maryland may wait fifty years without seeing another candidate of as sound a head and as manly a heart. A good wish is of itself a kind of half-embodied vote; and we hereby cast our best wishes as so many suffrages for the election of Hugh Lenox Bond.

☞EVERY VOTE!☜

Every Union vote must be polled on Tuesday, the 5th of November! Stir up the indifferent and luke-warm, and see that they attend the polls and deposit their votes for Union candidates, and a glorious UNION VICTORY will crown the day! THEN POLL EVERY UNION VOTE!

A Sound Radical Beet.

On Saturday last Mr. JACOB MYERS, the efficient Steward of the Alms House, presented us with a Garden Beet measuring nineteen inches in length, twenty-eight inches in circumference, and weighing twelve and a quarter pounds. This is not one of the mongrel, turnip, mangel-wortzel, grey streaked, rebel conservatives, but a regular *bloody* Radical, of the reddest hue, and if it be an emblem of the *beat* which awaits our opponents on Tuesday next, they may as well knuckle under.—If, however any one can beat this, we are anxious to hear from them.

City Affairs.

The City Council met at their office, Wednesday night, October 23d 1867.—President Sharrer in the Chair. The Committee on Lamps reported a proposition to furnish Lamps from H. Crout, Esq. On motion Messrs. Ammidon Crombie & Co.'s proposition to furnish Lamps complete at $4.75 was accepted, and the Committee authorized to contract for sixty-five Lamps.

The Clerk was ordered to insert notice in both newspapers for proposals to light the Lamps from dusk until 11 o'clock, except on moon-light nights.

The following Ordinance was adopted:

Be it enacted and ordained, by the Mayor and Common Council of the City of Westminster, that the Treasurer of the Corporation be, and he is hereby authorized to issue bonds pledging the faith of the Corporation to the payment, to each and every person who has loaned money to the city for the purpose of lighting its streets, of the money so loaned by him or them.

The Clerk was ordered to have one hundred certificates printed.

Adjourned to meet Wednesday night, Oct. 30th, 1867.

☞Senator Wilson at a political meeting held on Monday evening, at Marlboro' Mass., after reciting the predictions he had made at different times, and their more than fulfillment, then stated that General Grant would be elected President by the votes of not less than thirty States, and would be supported by a two-thirds majority in both Houses of Congress.—The ever-loyal white men, the repentant Rebels, and the six hundred thousand enfranchised colored men are to reconstruct the Southern States, and send a majority of Republican Senators and Representatives to Washington.

☞General Grant has judiciously ordered three light batteries to Fort McHenry, Baltimore. Too great precaution cannot be taken in view of the excited condition of the rebel sympathizers, who under the stimulus of the late elections, have grown overbearing and threatening. The determination and prudent preparations of the General-in-chief cannot be too highly commended, and will be grateful news to the country at large.

☞The Democratic papers throughout the State are endeavoring to make people believe that the State's indebtedness has been paid, and that the last Legislature did not make her bankrupt—Their assertion is false, and the Treasury has not one dollar with which to pay the honest debts of the State, much less the dishonest ones which have been saddled upon her by the scheming politicians who overwhelmed her with useless appropriations last winter.

Poll a Full Vote.

We urge upon the Republicans of Carroll county the necessity of polling a *full vote.* If all the Republican votes in the county are polled on the 5th of November we will guarantee the election of every man on our ticket by handsome majorities. We have a clear Republican majority of at least two hundred votes in the county. Bring them out, and secure success.

Dr. WISTAR'S BALSAM OF WILD CHERRY.

In the whole history of medical discoveries NO REMEDY has performed so many or such remarkable cures of the numerous affections of the THROAT, LUNGS, and CHEST, as this long-tried and justly celebrated *Balsam.* So generally acknowledged is the superior excellence of this remedy that but few of the many who have tested its virtues by experience fail to keep it at hand as a speedy and certain cure for sudden attacks of *Cold*—fully believing that its remedial powers are comprehensive enough to embrace every form of disease, from the slightest cold to the most dangerous symptom of pulmonary complaint.

UNSOLICITED TESTIMONY.

From REV. FRANCIS LOBDELL, *Pastor of the South Congregational Church, Bridgeport Connecticut.*

"I consider it a duty which I owe to suffering humanity to bear testimony to the virtues of DR. WISTAR'S BALSAM OF WILD CHERRY. I have used it—when I have had occasion for any remedy for Coughs, Colds or Sore Throat—for many years, and never in a single instance has it failed to relieve and cure me. I have frequently been very hoarse on Saturday, and looked forward to the delivery of two sermons on the following day with sad misgivings, but by a liberal use of the Balsam my hoarseness has invariably been removed, and I have preached without difficulty.

I commend it to my brethren in the ministry, and to public speakers generally, as a certain remedy for the bronchial troubles to which we are peculiarly exposed."

Prepared by SETH W. FOWLE & SON, 18 Tremont St., Boston, and for sale by Druggists generally.

GRACE'S CELEBRATED SALVE

From Mr. E. TUCKER, Depot Master at Salisbury, Mass.

"I have been troubled for years with a bad humor; sometimes outwardly and sometimes inwardly. During the past summer it manifested itself more than usual outwardly, and I used your Salve.—All signs of it have since disappeared, without affecting me inwardly, indicating, I think, the eradicating nature of the Salve.

SCHENCK'S SEAWEED TONIC.

This medicine, invented by Dr. J. H. SCHENCK, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

Dr. SCHENCK makes professional visits in New York Boston, and at his principal Office in Philadelphia every week. See daily papers of each place or his pamphlet on consumption for his days for visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price $1 50 per bottle, or $7.50 the half dozen.
