Farmers' Big Business Stirred By Proposed Laws

Dairymen To Resist Demands Of Sportsmen For Palaces For Cows —Beyond All Bounds Of Reason—Believe In Cleanliness.

The milk producers of Kent and all counties of this Peninsula are considerably agitated over the latest edict issued by the Inter-state Milk Producers Association of West Chester, now in control of the milk situation in all parts of New Jersey, Pennsylvania, all of Delaware and Maryland, ordered effective May 1. Many of the most prominent dairymen here say the regulations cannot be enforced if the milk stations all over the Maryland-Delaware peninsula are to remain in operation. Officials in this county are preparing to hold meetings for the purpose of taking such action as may at least bring about a modification in the orders in so far as they relate to the expenditure of money for the improvement of cow bars.

Tenant farmers cannot possibly comply with such an order and landlords will not do so, hence the tenant farmers must either go out of business or the orders of the Milk Producers Association must be modified to meet the serious situation which has developed throughout the Peninsula because of the publication of the orders.

County Agent Horace B. Derrick, and Daniel W. Ingersoll, president of the County Farm Council, state that the various organizations of the county will fight the movement which they regard as an attempt on the part of some one to put the small producers and the small tenant farmers out of business. The enforcement of such drastic orders as the Milk Producers Association proposes to put in force on May 1, Mr. Ingersoll declares, will cause the most serious revolution in the farming industry ever known on this Peninsula, and local dairymen who have studied the situation state that every milk station on the peninsula will be compelled to close down if the orders are enforced.

Meetings are being planned for early in February all over the county and it is not believed that the dairymen here will submit to the proposed regulations unless some assurance can be given them that the price of their milk will be sufficiently increased to enable them to provide for the observance of the regulations.

These regulations call for splendid barns, cement floors, water for bathing and everything looking to cleanliness. The cans must comply also with certain requirements, milkers to be dressed in white, etc. Will the public pay for all these extras?

TO FORMER STUDENTS OF ST. MARY'S FEMALE SEMINARY

Owing to the disastrous fire that recently destroyed our school, there is great need of concerted action for its restoration. We urge each of you to write at once to your representatives at Annapolis, requesting them to actively support the bill now before the General Assembly for funds to assist in rebuilding the Seminary buildings.

February 27th will be Seminary Day for all old students. This day is set apart for raising funds in your own way for rebuilding and to arouse interest in your friends who may assist in this work. Get your friends to write a letter too. Send any contributions to Mrs. Cary Gourley Reeder, President Alumnae Association, 30 East Preston street, Baltimore, Md.

NERVOUS, RUN-DOWN MOTHERS

Worn Out Caring for Children and Housework—See how Lydia E. Pinkham's Vegetable Compound Helps

Indianapolis, Indiana.—"I was in a very nervous and run-down condition while nursing my baby, and hearing some talk of Lydia E. Pinkham's Vegetable Compound, I began taking it. From the second bottle I noticed a big improvement, and I am still taking it. I am not a bit nervous now, and feel like a different person. It is a great medicine for any one in a nervous, run-down condition and I would be glad to give any one advice about taking it. I think there is no better medicine and give you permission to publish this letter."—MRS. ANNA SMITH, 541 W. Norwood Street, Indianapolis, Indiana.

The important thing about Lydia E. Pinkham's Vegetable Compound is that it does help women suffering from the ailments common to their sex.

If you are nervous and run-down and have pains in your lower parts and in your back, remember that the Vegetable Compound has relieved other women having the same symptoms. For sale by druggists everywhere.
