Reaper & Mower,

for 1865, in Carroll County and in that part of Frederick County North of Frederick City, and also in that part of Baltimore County North of Texas. With this Machine the Farmer saves money, time and labor, and is, without controversy, superior to any other now in the market, and fully warranted to reap and rake heavy, light, tangled or lodged Grain, where hand rakes or droppers will fail. We offer it on trial with any other, the purchaser to keep and pay for the one preferred. Also are Agents for *Geiser's Patent Self-Regulating Grain Separator, Cleaner and Bagger.*
At a time like the present, when labor is very scarce, it is important that Farmers, who are interested, should give attention to this improvement, which will considerably reduce the expense of Threshing Grain in the common way. This is now considered the best Separator before the public. It is particularly adapted to Farmers for their own use, and will apply to Lever or Railway power, and will Thresh and Clean from 100 to 150 Bushels per day, using four to six horses and as many hands. Also, for sale MONTGOMERY'S "DOUBLE-SCREENED ROCKAWAY WHEAT FAN."
