A KENT COUNTY GIRL GIVES LOVELY RECITAL

The following from the Jacksonville newspaper will be read with interest by News readers:

"Complimenting Thomas Meighan and the large company of artists that accompanied the screen favorite to Florida to make scenes in the filming of the production.

The management of the Qui-Si-Sana Hotel gave a delightful concert Saturday and Sunday evenings at the celebrated hostelry.

The artist singer on these two occasions was Mrs. Helen Boyd Marx of Jacksonville, who possesses a voice of wonedrful range and timbre. The concerts were delightfully given and were well received, Mrs. Marx receiving an ovation at the conclusion. Mr. Meighan complimenting the possessor of this lovely dramatic soprano, one of the voices that are very rare.

The recital was given before hundreds of guests of the hotel and members of the Thomas Meighan company, Mr. and Mrs. Meighan, Frank Mayo and many invited for the occasion."

Washington College Defeats Two Teams Recently

Washington College five easily defeated Penn Jr. Varsity, of Philadelphia, here last Friday night by the one sided score of 31 to 16. The Red and Blue passers were so totally blotted out of the picture in the second half that all they could accomplish from a scoring standpoint was to tally one field goal. The line-up:

SUDLERSVILLE QUINT WINS

Sudlersville High School quintet won for the George Biddle High School team of Cecilton in the preliminary to the Western Maryland-Washington College game, The final score was 31 to 9. Only during the early part of the game were the Cecil Countians able to make the Sudlersville boys extend themselves.

This is Sudlersville High's first year at the game. Since the tossers have no building in which to play, all their games are away from home. Practicing is done on an outdoor court when the weather is good. Notwithstanding this handicap they have won the majority of their games.

SIX GUNNERS NARROWLY ESCAPE DEATH IN GALE

A. G. Webber, Leonard Hall, Leon Bryan, Andrew Hance, George W. Till, and John Usilton had narrow escapes from death from drowning and being frozen while duck hunting at Parson Island, in the Chesapeake Bay.

The men in two boats on either side of the island were laying in blinds for the ducks when a 60-mile gale started without warning. With Webber were Hance and Till ,Young Usilton, the guide. The latter had both hands frozen while helping shove the boat to shore.

Later Webber headed a rescue party that saved Parson and Bryan, who were helpless to force their boat ashore against the wind and heavy ice.

Wright Robinson

Wright Robinson, a highly respected farmer of near Templeville, died at his home early Friday morning, January 18th, aged 63 years.

He is survived by his widow, one daughter, Mrs. Grover Moore, of Hamilton; four sons, John and Albert, of Washington, D. C.; and Wright and Russell, of Templeville; four sisters and three brothers.

Twenty Years of Successful Automobile Building

January 28, Buick celebrates its twentieth birthday.

Proud as Buick is of its growth within the short space of two decades, it is not in its vast organization that Buick takes its greatest pride. Rather it is in what these attainments indicate.

Buick's position of leadership has been achieved solely by the accomplishments of Buick cars in the hands of more than a million owners. In their dependable performance, in their satisfying comfort, and in their year by year fulfillment of every demand of motoring, Buick cars have won the place they occupy.

From the rich background of experience—with all of its unequalled manufacturing facilities—and inspired by a deep sense of personal obligation to Buick friends, owners and the general public—Buick will seek ever to maintain on an even higher level the confidence of the public which it now enjoys.

HAVE YOU
Heard the Latest

Have you heard any of the comments all around the county about the new doctor in Chestertown? According to folks who have been to him he cures 95 per cent of all human ailments by working on the spine and spinal nerves.

Some say he practices the greatest Health System known. Others call him a fake. Those who praise him have tried him. Or some of their friends have told them of the remarkable results they obtained. Those who "knock" are the kind who knock everything new without trying it. Some day some one will knock at their bed room door, and walk in to find them "knocking" their heads against the bedstead, because they had nothing else to knock. While yet a comparatively new method in this part of the country, Chiropractic is growing by leaps and bounds and winning public confidence and favor.

If you are sick of being sick and want to get well, call on Dr. Dill, the Chiropractor, in Chestertown. You will find him honest and reliable, and anxious to rid you of your troubles. He uses no medicine, pills, massage or electricity. He traces 95 per cent of all human ailments to the spine, the great switchboard of the body.

4. That on August 11th, 1921, the said William F. Malin undertook to convey the aforesaid property to the Complainants in this case in fee simple. See deed R. R. A. No, 2, folio 157.

5. That by virtue of the above conveyances the Complainants acquired a five-sixth interest in and to said property, and the remaining one-sixth interest is owned by the said Defendants.

6. That the Defendants Eunice DeMott, Charles Storke and Raymond Storke are non-residents of the State of Maryland, and Eva Lynch and Wilbur Storke are residents of Baltimore City, Maryland, and all are adults.

7. That the said real estate is not susceptible of partition among the parties entitled thereto without material loss and injury, and that in order to make division of said interests, it will be necessary that said real estate be sold and the proceeds thereof divided amongst the parties according to their several interests.
