SHOULD HAVE ANOTHER TERM

Within the next few months the Democrats of the First Congressional District of Maryland will have an opportunity to express their sentiments concerning the standard-bearer for Congress nezt Fall. And there is now every indication that the people will show their appreciation of the splendid efforts and definite accomplishments of Congressman T. Alan Goldsborough by re-nominating him without opposition. In the two terms that Congressman Goldsborough has represented the Eastern Shore at Washington, he has devoted earnest, diligent and efficient effort to the discharge of his duties. He has been a careful and conservative representative, mindful of his duty both to the people of his district and of the Nation. The Democrats of the Shore owe Congressman Goldsborough this consideration on the strength of his faithful and fearless record.
