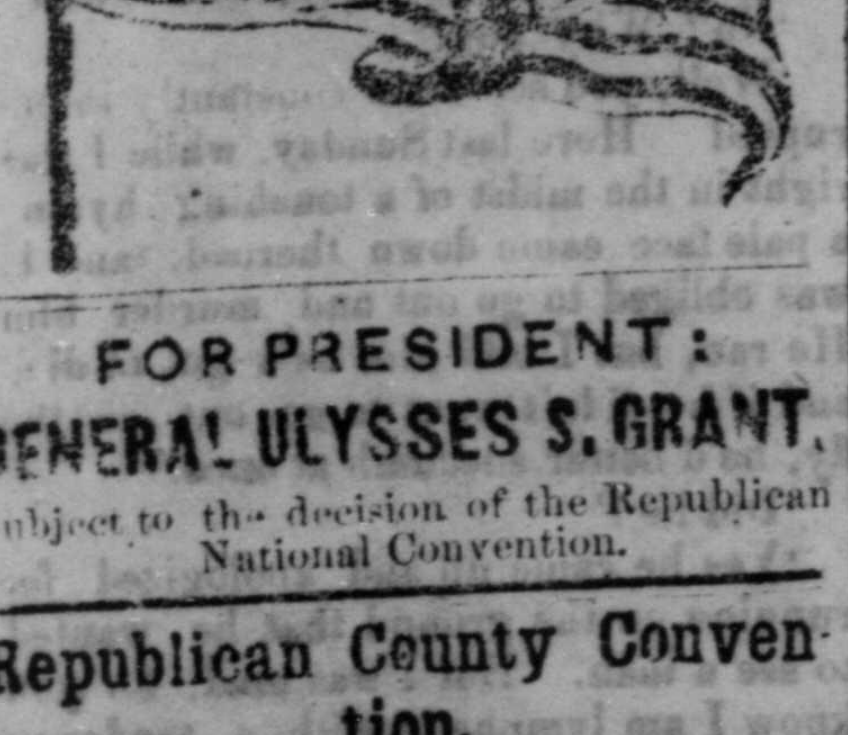
AMERICAN SENTINEL, AND GENERAL ADVERTISER.

Sentinel
INSTER:
AY, FEB. 20, 1868.



FOR PRESIDENT:
GENERAL ULYSSES S. GRANT,

Subject to the decision of the Republican National Convention.

Republican County Convention.

At the Court House in Westminster, on
MONDAY, FEB. 24TH, 1868.

In pursuance of a call of the Republican State Central Committee in Convention assembled, in Balt., held Jan 21, 1868, it was resolved that a State Convention of the Republican party be held in that city on the 5th day of March, 1868.

The purpose of said State Convention besides other important business, is to elect four delegates to represent the State at large, and two delegates from each of the five Congressional Districts of this State, to represent the Republican party of Maryland in the National Republican Convention, to be held at Chicago May 20, 1868, to nominate candidates for President and Vice President of the United States.

An Electoral ticket for the State pledged to support said nominees will also be nominated by said convention.

The Republican voters of the different districts of Carroll county are therefore requested to meet at the Court House in Westminster, on *MONDAY, FEB. 24*, 1868, at 2 o'clock P. M., to designate five delegates to represent the Republican party of Carroll county in the said State convention to be held in Baltimore.

The attention of the various members of the County Central Committee is particularly directed to this call, and they are requested to use their efforts to insure a large attendance of the Republicans throughout the county.

By order of the
CHAIRMAN.
Jan. 30.

A PROPOSITION TO SUBSCRIBERS.

The Campaign having commenced it is our desire to increase our subscription list at once. We therefore make the following offer: To any subscriber sending us the names of *five* new subscribers with the *cash*, $7.50, we will give a credit of one year on his subscription; or to any one not a subscriber, sending us *five* new subscribers with the *cash*, we will send a copy of the *Sentinel* one year for nothing.

ATTENTION REPUBLICANS!

Remember that the County Convention meets next Monday. Let there be a good attendance, for it is important to have the right kind of a delegation sent to Baltimore. Be active in organization, let every district be represented. Go to work with a will. Let us begin this campaign with energy and take for our watchwords, Virgilance and Action.

☞ RECONSTRUCTION in the Southern States seems to move along slowly. The Convention has carried in Texas and the Constitution defeated in Alabama. It is necessary for a majority of the Registered voters to vote on the Constitution question. Nearly all who voted in Alabama voted for the New Conitiution, but as the Rebels staid away from the polls and by threats and violence kept numbers of loyal men away, the Constitution failed to recieve a majority of the registered voters and was lost. So the Democratic party which these anti-Reconstructionists represent, have succeeded in their efforts to keep Alabama unrepresented awhila longer.

Later dispatches state that unofficial returns from all but fourteen counties of Alabamo indicate that 81,000 votos were cast at the late election—sufficient to ratify the Constitution and elect State officers.

CONGRESS

In the Senate the case of Senator Thomas was under discussion but no vote arrived at. A bill has been introduced to punish parties for the unlawful use of public monies and other property of the United States.

The time of both houses has been taken up with debates on the bills that have been before them for some time past and with the introduction of some new bills. A resolution was introduced in the House declaring that from and after the 1st of June, 1868, all U. S. Bonds shall pay an internal revenue tax of two per cent. per annum, to be deducted from the coupons when presented for payment at the rate of one per cent. every six months.

THE Reconstruction cases from Mississippi and Georgia which have been before the Supreme Court were dismissed, by a unanimous vote of the Court, on the ground that it had nojurisdiction. These cases brought into question the validity of the Reconstruction acts, and now that the Court has decided that, this being a political question it does not properly come before them, the acts of Congress go back to the proper judges to decide, such questions, the people. In the McArdle case it has been decided that the Court has jurisdiction.

Grant and Johnson.

There has been some further correspondence between the President and Gen. Grant. The President merely reiterates what he had said before, charges Grant with insubordination and brings his Cabinet to the rescue. Grant in his answer declines to notice any further the statements except the one charging him with insubordination, and this he proves very conclusively to be false

☞ The Denver *News* speaking of some Mexicans being shot says: "Another shot hit a greaser, entering his *arm* and going into his *ankle*." Singular, wasn't it?

THE LEGISLATURE.

The Legislature has been principally occupied during the past week by local bills. The bill to incorporate a Company to build a turnpike from Westminster to the Baltimore and Liberty road has passed its third reading in the House. Bill incorporating the Montgomery, Howard and Carroll Railroad Co. passed the first reading in the House. Senator Browne presented a petition to the Senate from citizens of the Fifth District of this Co. asking for the appointment of an additional Constable in that district. Bill authorizing the Commissioners of Carroll and Frederick counties to aid in the construction of the Woodsborough and Pipe Creek Turnpike, has passed the second reading in the House. Mr. Jordan presented to the House, petition of citizens of Carroll against the repeal of the Funeral law, and obtained leave to report bills fixing the compensation of the Crier of the Circuit Court and of the Commissioners and their Clerk, of Carroll County. Mr Worthington presented a petition to the House for the payment of a claim for a pension to Elizabeth Houck, widow of Jacob Houck, a soldier of the war of 1812.

APPOINTMENTS.—Among the names of appointees sent by Gov. Swann to the Senate for confirmation, we find the following from this County, which we believe are the same as last year:

Assistant Inspector of Flour—David Roop.

Assistant Inspector of Grain.—Edwin M. Shipley.

Edwin F Reese, notary public at Westminster; Ezra S. Stouffer, notary public at New Windsor. Coroner—Richard Manning. Justices of the Peace—First district, John W Jones, Henry Galt and Wm. Fisher; second district, John Cain, Alfred Warner and Reuben Saylor; third district, John Mause and Levi Yingling; fourth district, Nathan Gorsuch, Wm. Stocksdale and Azariah Oursler; fifth district, Chas. W. Hood, Sr, Cornelius Jenkins and J. Oliver Wadlow; sixth district, Henry Motter, David H. Hoffacker and Wm L. Tracy; seventh district, Wm J. Mitten, J Henry Hoppe, Abner Neal and John B. Summers; eighth district, John Lamotte and Chas. LECTURE.—A Lecture will be delivered in the M. P. Church, Westminster, before the Irving Literary Society, of the Western Md. College, on Wednesday night, Feb. 26, by James Frame Esq. of Baltimore

ACCIDENT AT THE UNION WORKS.—On Monday morning Mr. G. Washington Brown while operating a mortising machine at the Union Works, Westminster, got the thumb of his right hand cut by the machine, splitting it down to the first joint. Dr. J. W. Hering dressed the wound.

☞ Incomparable. Grace's Celebrated Salve is conceded by all to be the best preparation for the cure of cuts, burns, wounds, scalds, sprains, and cutaneous diseases and eruptions generally. In places distant from medical aid it will be found invaluable, and in the nursery it should always be at hand.

☞ It seems as if J. R. Busby's Dry goods store, in the First National Bank building, has passed most all of our old Stores in popularity. His goods we believe are No. 1, and sold as low as they can be bought in Baltimore City. His place is always well filled with customers and appears to be the Centre of attraction. We are under the impression that every train of cars that arrive from Baltimore brings him new goods, as we always find him unpacking large bales of choice styles. While others complain of dull times he says he knows no dull season.

EXTRA TRAIN.—A specal train of cars will run from Union Bridge, to Westminster on Sunday the 23rd inst., for the accommodation of all persons who wish to attend the dedication of the Lutheran Church on said day. The train will leave Union Bridge at 9 A. M. Return in the afternoon, leaving Westminster at 4 P. M.

RASCALLY TRICK.—On Sunday night, while Mr. Thomas F. Shepherd's carriage and horses were standing in front of Daniel Stouffer & Bro's store in New Windsor, some one with more rascality that brains, cut the hitching strap with which the horses were tied. The horses ran off and broke the carriage, making a complete wreck of the running part.—Constables should keep an eye open for such characters.

ACCIDENT.—On Tuesday evening of last week, while a few friends were enjoying themselves after a short sleigh ride at the residence of Mr. John Sefton, near Uniontown, Mr. David Segafoose, one of the party, met with quite a severe accident. While attempting to perform a gymnastic feat, he fell to the floor, causing a concussion of the brain, and a slight fracture of the left Shoulder blade. Dr. Frank Shaw being present, rendered all necessary aid, and we are happy to say the injured man is rapidly improving.

THE OYSTER SUPPER at the Westminster Hotel, on the night of Tuesday, 11th inst., turned out to be quite a success. It was well attended and every one seemed to enjoy the occasion. Mr. Henry, deserves a great deal of credit for the manner in which the supper was gotten up, everything was in the best of style and in great plenty and the waiters were efficient and attentive. The Westminster Hotel, under Mr. Henry's Charge, is well kept and worthy the patronage of the public.

BANKRUPT COURT.—Before B. F. M. Hurley, Register in Bankruptcy for the 4th Congressional District, during the past week, the following petitions from this County were filed; Henry Spangler and Richard Dell, by their Attorney, Col. Wm. A. McKellip, and Peter B. Mikesell, by his Attorneys, Wm. P. Maulsby & Son. All of the above parties were adjudicated Bankrupt, and certificates of protection given. Among the petitioners of week before last we find Robert Doris, of this County.

A YOUTHFUL DECIEVER.—Mr. Lewis Ecker, living about 1½ miles distant from Union Bridge while on a visit to Washington City, came in contact with a Lad about 15 years old, appearing to be much distressed on account of his being an orphan, far from home and friends, (as he said,) and stating that he had come from Boston to the above City with the expectation of finding an uncle which he failed to do. Mr. E. thinking the Boy's tale a creditable one, concluded to relieve the little man by taking him home with him, which he did. Last Thursday morning, the 13th inst., the young rascal took passage on the 9 o'clock train for parts unknown, taking with him about $60 in silver, $50 in greenbacks, and some gold, that he stole from the House of the above named party. He is also accused of picking a gentleman's pocket of 45 or 50 dollars, at an auction held in Union Bridge a few evenings before he left. Let the Public beware of such scoundrels.

A GOOD IDEA.—There seems to be a disposition on the part of some of our citizens to aid in the improvement of our rapidly increasing City. A friend has suggested to us the propriety of petitioning the Legislature to pass a Bill relieving our citizens of the County Road tax which they are now paying, giving the city authorities sole charge of that section of the turnpike within the City Limits, and allowing them to raise the taxes in proportion. Other cities have charge over their streets but we are hampered by the Turnpike Company. Our citizens are now paying taxes to keep up the County roads and receive nothing in return, and at the same time our Fathers are not allowed to levy a higher tax than ten cents on the hundred dollars. Our citizens now pay enough tax on the County roads, to keep our streets in good condition, so that if this method is adopted, though their City taxes will be raised, their aggregate taxes will be no higher than at present, and the City improvements can go on. We suggest that some of our citizens take this matter in hand.

W. M. RAIL ROAD.—On Thursday Mayor Banks of Baltimore, and the Committee appointed by the City Council started on their trip over the West. Md. Railroad. They examined the whole line of the road from Union Bridge to Hagerstown arriving at the latter place on Friday evening. They found that more than two-thirds of the graduation, masonry, &c., of the entire line between Union Bridge and Hagerstown had been completed. A meeting was held at Hagerstown on Friday evening when it was proposed and adopted that a memorial should be prepared to be presented to the Legislature, asking the passage of a law authorizing Baltimore city and Washington county, through the proper authorities, to have the privilege of relinquishing their priority of right, so as to raise the necessary funds by mortgage, thus creating a first mortgage bond on the road. The memorial will be presented to the Legislature.

The general impression left upon the minds of the gentlemen present was that the road would develope the resources of one of the richest agricultural and mineral regions of the State, to the manifest benefit of Baltimore: and further, that the people of Washington county were alive to the great benefits to be derived from the road. All present appeared satisfied with the exhibit made.

FIRE IN THE COUNTY.—A fire occurred near Hampstead, in this County on the morning of Thursday, 6th inst., of which we have learned the following particulars, through a friend from that neighborhood:

Rockdale Woolen Factory, was a large two story building owned by Mr. David W. Houck and Mrs. Hoffman, widow of Isaac Hoffman, deceased, and leased by Mr. Elias Frank who has been keeping the mills in operation. About one o'clock on Thursday morning, some of the workmen discovered a fire in the second story of the Factory and gave the alarm, when all the hands set to work to remove the goods. There was a large quantity of raw material and some finished goods in the Factory at the time of the fire, the latter of which were saved. In spite of the exertions of those present the buildings were destroyed. The loss on the buildings and machinery amounts to about $4,000, on which there was no insurance. We have not learned the amount lost on the material burned. Mr. Frank was not at home at the time of the fire having gone off a few days before with a load of goods. One of the old Weavers was in the Factory until nine o'clock on Wednesday night, at which time there was no fire in the stoves and no one about the premises, from which and other circumstances it is supposed that the fire was the work of an incendiary. We believe it is the intention of the owners of the property to rebuild the Factory at once.

STOVES AND TIN WARE.—James W. Hopwood the enterprising Tinner of the West End, deserves a call from the public. Prompt, energetic and skillful we have found him and so will others who patronize him. See advertisement in another column.

LECTURE.—The Lecture of Mr. Wm. R. Hunter, of North Carolina, was well attended and his audience seemed highly entertained. The subject of the Lecture was the Bible, which he illustrated with forty beautiful pictures. Mr. Hunter's manner is attractive and agreeable and particularly pleasing to the children.

RELIGIOUS NOTICE.—The Rev. Wm. C. Creamer, German Reformed Minister, of Sunberry, Pa., will preach on Sunday, Feb. 23rd as follows:—At Silver Run Church at 10 o'clock A. M; at Krider's Church at 2 o'clock, P. M., and at the M. P. Church, Westminster at 7 o'clock, P. M. The Sermon in the morning will be in German, and in the afternoon and evening in English. The Public are invited to attend.

CHURCH DEDICATION.—The New Evangelical Lutheran Church in Westminster, will be dedicated to the service of Almighty God, on Sunday, *February 23rd*, 1868. The Rev. H. C. SCHENCK'S SEAWEED TONIC

This medicine, invented by Dr. J. H. SCHENCK, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

DR SCHENCK makes professional visits in New York, Boston, and at his principal Office in Philadelphia every week. See daily papers of each place or his pamphlet on consumption for his days for visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price $1 50 per bottle, or $7 50 the half dozen. All letters for advice should be addressed to Dr. SCHENCK'S Principal Office, No 15 North 6th street, Philadelphia, Pa.—General Wholesale Agents: Demas Barnes & Co, N.Y; S. S. Among the many restoritives which nature has supplied to relieve the afflictions of humanity, there is no more favorite one for a certain class of diseases than the "medicinal gum" of the Wild Cherry Tree but however valuable it is, its power to heal, to soothe, to relieve and to cure, is enchanced tenfold by scientific and judicious combination with other ingredients, in themselves of equal worth. This happy mingling exists to a remarkable degree in

Dr. Wistar's Balsam of Wild Cherry

whose value in curing *Coughs, Colds, Bronchitis, Whooping Cough, Croup, Asthma, Pulmonary Affection, and Incipient Consumption* is inestimable.

Strong Testimony.

From Benjamin Wheeler, Esq Depot Master of South Royalston, Mass.

"In the spring of 1858 I was most severely afflicted with a hard, dry cough, with its usual accompaniments of night sweats, completely prostrating my nervous system and producing such a debilitated state of health that, after trying medical aid to no purpose, I had given up all hopes of ever recovering, as had also my friends. At this stage of matters I was prevailed upon through the influence of a neighbor to try Wistar's Balsam of Wild Cherry, and before using two bottles the effect was almost magical. My cough entirely left me the night sweats deserted me, hope once more elated my depressed spirits, and soon I had attained my wanted strength and vigor. Thus has this Balsam, as has often been remarked by persons conversant with the above facts, literally snatched me from the yawning grave.

You are at liberty to use this for the benefit of the afflicted."

At an early period of life Mr. Davis went to Baltimore, actuated by an ambition now rarely found in the youths of the present day. It would be a work of supererogation to enlarge upon the many and excellent virtues which adorned his character. Those who were admitted as bosom friends duly appreciate his worth; but it is a duty we owe to his memory to speak of him as a rare specimen of benevolence. His whole soul appeared to be absorbed in that most estimable quality, and his deeds concealed from public view, can only be known by those who have received his many and valuable favors.
