DODGE BROTHERS ROADSTER

Important Improvements in the Construction of Dodge Brothers Motor Cars

CONVENIENT GEAR SHIFT ARRANGEMENT

The hand gear shift lever has been moved forward, thus allowing easy access to the driver's seat. The throw of this lever hns been shortened to faciliate easy gear shifting, while a strong spring prevents the lever from rattling on its seat. A lock built in the transmission locks the gears in the neutral position. This lock has been approved by the Underwriters' Laboratories.

ATTRACTIVE STEERING WHEEL AND HAND CONTROL

The steering wheel is of moulded fibre construction and holds the spider firmly without the aid of screws.

The spark and hand levers are shorter, conveniently located, and are retained by friction on a handsome nickle quadrant. The horn wire is now carried inside the steering column.

ACCESSIBLE BRAKE CONTROL

The hand brake lever has been moved forward out of the way in an easily reached position.

"Well, sir, four bottles of Tanlac have given me the best appetite and digestion I ever had and I've already made fifteen pound gain in weight to show for it, too," is the striking statement of G. W. Hynson, 3516 Philadelphia Road, Baltimore.

"Three months ago, I thought I'd have to quit work entirely, I was so weak and run-down. My blood was bad, and stomach and liver disorders, coughs, colds, and a lagging appetite were all pulling me down; in fact, my whole system seemed clogged up.

"A friend put me on to Tanlac and it has acted like a charm on my whole make-up. I feel like a new man but I'm going to keep on taking Tanlac and the Vegetable Pills till my strength and energy get to top-notch, which won't be long at the rate I'm gaining. Tanlac is the best medicine I ever took—there's no doubt about that."

Christ M. P. Sunday School Holds 52nd Missionary Anniversary — Biggest Collection In History Of School—Splendid Music.

The 52nd Anniversary of the Home Missionary Society of Christ Methodist Protestant Sunday School was held Sunday evening. A fine audience as usual enjoyed the occasion. The music was from the collection "Risen from the Dead" composed by Rev. W. B. Judefind, the school being accompanied by Miss Clara Usilton, organist, Arthur Bacon, cornet; Norman Nichols, tenor horn; Joseph N. Wheatley and David McMenamin, violins. Walter Barnes delivered in splendid style the president's address.

The event of the evening was a pageant entitled "He is Risen" presented under the expert eye of Mrs. Ellsworth Newcomb and Mrs. G. H. Cannan and by talent that would be difficult to surpass, as follows:

Mary .....Miss Katherine Smith
Martha ..Miss Anna Cooke Coleman
Rebecca .....Miss Mrytle Needles
Judith .....Miss Amye Wheat
Helen .....Miss Martha Crossley
Daphne .....Miss Marion Collins
Peter .....Walter Barnes
Philip .....Wm. B. Usilton, 3rd
Miriam .....Miss Susie Smith
Esther .....Miss Enna Baxter
Roman Soldiers, Allen Stradley, Allen Robinson, Walter Alcott, Everett Sheats.
Chorus of GirlsMiss M. Duyer's Class

The above caste not only knew their parts but the interpretation of their characters was indeed impressive. The collection by classes was another interesting event and resulted in the largest amount ever raised by the school. The report of classes follows:

The four winners for year were classes taught by Miss Clara Usilton, Primary Class taught by Mrs. T. D. Bowers, Bible Class taught by Rev. N. O. Gibson and Mrs. C. J. Reiche's Class of little girls.

The decorations were superb. The back-ground consisted of a large picture of the women at the tomb while the enlarged pulpit platform was transformed into a garden of blooming lillies, ferns and other flowers.

The Triangle Club, Miss Laura Nicholson, president, assisted by Mrs. Frances Culp were the committee on decorations. The officers of this society are as follows:

President, Walter Barnes; vice-president, Wm. B. Usilton, 3rd; secretary, Miss Martha Crossley; treasurers, Miss Clara Usilton and Albert L. Wheat; board of managers, Misses Lida Wheat, Jeannette Ledum, Frank Estes, Everett Sheats.

About Maryland's Telephone System

THE SYSTEM of the Chesapeake and Potomac Telephone Company in Maryland comprises 162,500 telephones serving 117,000 subscribers. Every possible requirement for service is met, from the needs of the large cities such as Baltimore, Annapolis, Cumberland, Frederick and Hagerstown to the sparsely settled rural sections.

Some idea of the present magnitude of the Company's undertaking may be obtained from these significant facts:

35,500 telephones are installed each year.
25,500 telephone are discontinued each year.
1,400,000 bills are prepared and sent out each year, covering, in addition to the charges for local service, itemized statements involving many millions of telephone messages.
250,000,000 local messages pass through the Company's system each year.
10,000,000 toll and long distance messages per year are handled.
825,000 persons call at the Company's business offices each year.
510,000 pieces of mail matter are received annually.
227,000,000 feet of wire are placed each year; and millions of telephone connections are spliced and soldered.

With a system of such size furnishing a service so highly personal, by means of such intricate mechanism, it is only natural that occasional difficulties will arise. But in spite of the possibility of human error or mechanical failure, the service we are now furnishing is the best in the history of the telephone company.

In a subsequent advertisement we will tell some of the things involved in furnishing telephone service and of the efficiency with which they are performed.

SICK WOMAN MADE HAPPY

Entirely Restored to Health by Lydia E. Pinkham's Vegetable Compound

Mart, Texas.—"I have taken Lydia E. Pinkham's Vegetable Compound to build me up as I was all run-down, nervous and sick. I ached and hurt all over so that I was often compelled to go to bed, and I had to have most of my work done. No medicine seemed to help me until one of my neighbors who was taking the Vegetable Compound insisted on me trying a bottle of it. The medicine helped me from the first, and the best of all is that I can even sew again without that awful, nervous feeling I was used to having. And I used to take crying spells, with such a blue feeling that I cannot explain. Now all that has left me. I feel so cheerful, and I have gained in weight, sleep well and eat hearty. Oh! I wish I had words to express what this medicine has done for me! I am a housekeeper and do everything from the sewing to the washing now and it doesn't hurt me. You may use my letter in any way you wish. I will be glad to help any suffering woman to the road of health and happiness."—Mrs. B. F. BRANNON, 404 Travis Ave., Mart, Texas.
