AMERICAN SENTINEL, AND GENERAL ADVERTISER.

The American Sentinel

WESTMINSTER:

THURSDAY, FEB. 27, 1868.

FOR PRESIDENT:

GENERAL ULYSSES S. GRANT,

Subject to the decision of the Republican National Convention.

A PROPOSITION TO SUBSCRIBERS.

The Campaign having commenced it is our desire to increase our subscription list at once. We therefore make the following offer: To any subscriber sending us the names of *five* new subscribers with the *cash*, $7.50, we will give a credit of one year on his subscription: or to any one not a subscriber, sending us *five* new subscribers with the *cash*, we will send a copy of the *Sentinel* one year for nothing.

IMPEACH HIM

We are tired of this dillydallying over Andrew Johnson, and we hope that the Congress of the United States will now bring the Impeachment question to a conclusion. Even as the humblest citizen in the land is made to respect the majesty of the law, so should Andrew Johnson, notwithstanding his high position and the power that he weilds, be made to bend before it. Either drop the subject entirely or fearlessly impeach him. Hurl him from the post of honor which he has so frequently disgraced; drag him from the place of trust which he has betrayed; punish with the utmost rigor of the laws which he has broken and tried to force noble and true men to break. Aye, impeach him, and show to the world that American freemen dare remove the cause of so many stains upon our honor as a Nation.

JOHNSON IMPEACHED!

The crisis has at last arrived. The deed has been done. Congress has at length shown the true colors and taken up the glove which Johnson so boastfully cast in their face. The House of Representatives have, by a vote 126 to 47, decided to "impeach Andrew Johnson for high crimes and misdemeanors." The matter is now before the Senate for its action. We feel elated by the result and do not hesitate to say, "well done good and faithful servants of the people."

☞ President Johnson has again undertaken to remove Mr. Stanton. He issued an order removing Stanton and appointing Gen. Lorenzo Thomas (not Geo. H. Thomas the hero of Nashville,) to succeed him and act as Sect. of War *ad interim*. Gen. Thomas went to Sec. Stanton who refused to give up the office; and Stanton lodged complaint before the Chief Justice of the Supreme Court of the District of Columbia, who ordered the arrest of Thomas, on the charge of violating the Tenure of Office act of Congress, in accepting the appointment and attempting to act as Sec. of War. The fifth section of the Tenure of office act attaches a penalty to a party accepting office, and the sixth to the party who exercises the appointing power, contrary to its provisions. Thomas gave bail for his appearance on Monday last.

☞ President Johnson attempted a slight to Grant the other day, by appointing Lt. Gen. Sherman, full General by brevet, but Sherman very politely declined to be used to cast an indignity on his friend and superior officer. Failing in this attempt he tried Gen. Geo. H. Thomas, but he also respectfully refused to be a tool for A. J. Then he made another trial on Gen. Emory, but he couldn't see it in the same light as Andy, so he declined. Ah, Andy, the way of the transgressor is hard and your former friends have in your old age left you desolate.

☞ Gen Grant has issued an order that *all orders to the army must pass thro' his hands, otherwise they are not to be obeyed.* Gen. Emory, who is commandant of the Dept of Washington, when sounded by the President, said "I shall obey only such orders as I may receive through the proper military channels." So Andy is blocked in the game of using the military far his own ambitious purposes.

CONGRESS.

In the Senate, an amendment to the Supplemental Reconstrustion bill, making a majority of the vote only necessary to the ratification of the State Constitutions. A resolution was introduced providing for the admission of Alabama. A vote was taken on the admission of Hon. Philip F Thomas, and he was rejected by yeas 21, nays 28.

In the House, a bill was introduced to amend the several acts establishing National banks. It provides that every stockholder may vote, according to the number of shares he holds, for one share one vote, and for every two additional shares one vote more, no one to have more than 20 votes. Absentees vote by proxy. No salaried officer to vote by proxy. No person, as proxy, to cast more than 50 votes. A bill has been introduced to create a Law Department of the Government, also a bill to prevent the entrance of criminals from foreign lands into the United States. The Civil appropiation bill was passed.

☞ The latest despatches say, all is quiet along the Potomac. We did feel a little nervous when we heard that Swann intended calling out the State Militia in aid of A. J., but being assured by one of them that they would all resign, we have since had hopes for the safety of Congress.

☞ At a Municipal election, held in Syracuse, N. Y., on the 18th inst., the Republican ticket was elected by about 100 majority. This is a Republican gain on the vote of last fall of 193, and on that of last spring of 364.

THE LEGISLATURE.

In the Senate, a resoluteon that the Committe on Education be instructed to provide for the continuance of present school system, was adopted. The Com. on Internal Improvements reported, that the County Commissioners have now the power under the law to levy taxes for public roads, &c., and that no additional legislation is necessary.

In the House, a resolution similar to that of the Senate in regard to public schools, was rejected. A resolution in declaring it inexpedient at this time to legislate in relation to the 'eight-hour' system of labor, was rejected.

Mr. Harden presented a petition for a bill providing an Inspector for State Tobacco Warehouse No. 6. Bill to Incorporate Pipe Creek and Taneytown road Co., read second time. Manchester Railroad Co. bill and Deer Park Turnpike Co. bill passed the House. Parkton and Manchester R. R. bill read the first time in the House. Westminster and Liberty Turnpike bill reported to the Senate. Petition presented from citizens of Carroll against the repeal of the funeral law.

Local Items.

☞ JOB WORK, of all kinds done at this office. Now is the time to send in your orders for Sale Bills.

THE G. A. R. meets on Wednesday, 11th of March. See Notice.

☞ The track of the West. Md. Railroad has been laid 1½ miles West of Union Bridge.

☞ The Patapsco Building Association meets next Tuesday evening, in Carroll Hall, Westminster.

☞ We would request any of our subscribers who change their places of residence this Spring, to inform us of the fact at once.

MR. Samuel Bowers, of Myers' Dist., who was hurt some time since, by a fall on the ice, is still confined to his bed.

WE call attention again this week to the advertisement of Cyrus D. Stonesifer, which has been changed since our last issue.

THERE seems to be an unusual number of Tramps around at the present time. We advise our readers to be on the lookout for such characters.

DEBATE.—The subject for debate in the West End Debating Society, on this (Thursday) evening is, "Does America present more crime than England."

OUR friends J. H. Repp, David L. Feeser, and L. F. Byers will please accept our thanks for favors rendered. Will be pleased to hear from them again.

☞ The Boy Orator delivered his interesting Temperance Lecture in this city on the evening of 19th inst., to a crowded house. We feel satisfied that an audience who hear him once will not fail to enjoy that pleasure again when occasion offers.

☞ On Tuesday the 18th inst., Mr. Reuben Southgate, living near Union Bridge, while carrying a stick of timber from the woods near his Dwelling, slipped and fell, breaking his leg below the knee. He is doing as well as could be expected.

VIOLATING CITY ORDINANCE.—On Friday last, Constable Mathews arrested Mary Flynn for being drunk and disorderly on the street. Justice Hoppe fined her $1 and on her failure to pay committed her to jail for three days

☞ Our friend Mr. Thomas Bankard of the West End on Sunday last, lost a valuable Horse. He departed this life from some unknown cause and we presume he is new resting his weary bones in that blessed land known as Horse Heaven.

PAPER HANGING.—Mr. Wm. Coon has just received a lot of all kinds of wall paper, which he will furnish and put up at the shortest notice. Mr. Coon is a practical paper hanger and his work, wherever found, will commend him.

GAS LIGHT.—The Westminster Gas Light Company is not dead, but on the contrary is in a living and moving condition. A Gentleman from Baltimore has offered to buy up all the stock of the Company. We hope our citizens won't allow this but will push the matter on themselves.

☞ The blood owes its red color to minute globules which float in that fluid, and contain in a healthy person, a large amount of Iron which gives vitality to the blood. The Peruvian syrup supplies the blood with this vital element, and gives strength and vigor to the whole system.

MILL BURNED.—The flouring mill of John W. Barrick, Esq., about 1½ miles Southeast of Woodsboro', Frederick Co., was totally destroyed by fire on Thursday evening last. The fire is supposed to have originated among the gearing and machinery in the second story of the building.

MR. Edward Lynch, the enterprising Coal and Lumber man at the Railroad, publishes an advertisement in this week's paper. By our business transactions with this gentleman we know him to be a fair dealer and a prompt, energetic and business man. Persons wishing Lumber or Coal will find it to their interest to give him a call.

☞ On Tuesday night last, Mr. Charles Myerly come to town in a sleigh and fastened his horse in front of Mr. Butler's residence, at the West End, where he left it standing. Some one frightened the horse, caused him to break loose and run away. Up to the time of going to press, the horse has not been heard of.

WHO IS RESPONSIBLE?—On Tuesday Evening, as Mr. Wm. H. H. Geatty was driving past our office, his sleigh ran on the stonepile which we have mentioned heretofore as being before our door. The sleigh was upset, throwing Mr. Geatty and his wife out in the snow, bruising them both and cutting Mr. G.'s hand.—Now with all due respect for that stone pile, we say it is a nuisance which ought to be abated.

MR. Foutz, whose advertisement appears in another column, was formerly a resident of this County, and was ever a pushing business man. He was formerly the proprietor of the celebrated "Foutz's Horse and Cattle powders," which are so well known in this community. Since his removal to Baltimore he has transfered that branch of business over to his brother, and he is now engaged in the manufacture of his Health Restorer and Blood Panacea.

☞ The Baltimore Conference of the M. E. Church, will begin its Eighty-fourth annual session in the Eutaw St., Baltimore Church on Wednesday the 4th of March. This Conference numbers about 100 Ministers, and will be presided over by Bishop Matthew Simpson of Philadepbia.

OUR neighbor, Mr. A. J. Beaver the Stone Cutter seems to be doing a thriving business. We are informed that among his numerous orders, he has recently received one for a fine marble Monument, nine feet in height. Formerly such orders went to Baltimore, but we are glad to see that the public appreciate the fact that they can have such work as cheaply and as well done at home.

SALES OF PROPERTY.—Mr. Samuel Weimert has sold his House and lot on Pennsylvania Avenue near Union Street, to Geo. W. Weimert, for $600

Mr. Adam Rickle has sold his house and Lot on Liberty Street, to Mr. Ed. Lynch, for $1,250.

Mr. David L. Feeser, Trustee in 970 Equity, has sold a Farm in Myers' Dist., for $1,004.91, to Jeremiah Myers.

Elder Philip Boyle, has sold his farm containing 22 acres, in New Windsor district, to Mr. Isaac C. Baile for the sum of $4,500.

CALDWELL'S HERB BITTERS.—Dr. Caldwell's Celebrated *Herb Bitters*, are certainly one of the most remarkable discoveries of the age. More cures have been affected by their use, that any other medicine ever brought before the Public. They purify and strengthen the vital organs, build up, and re-establish the broken-down and failing constitution, and thus cast off and vindicate local ailments.

For sale by Mikesell & Shipley, Agents for Carroll County, West End, Westminster, Md.

CITY IMPROVEMENTS.—Among the Improvements going on at this time we note the following:—On Pennsylvania Avenue, O. H. P. Mathias, ——— Case and Wm. Case, have erected Houses—Mr. Daniel Leister is about completing a fine House on Liberty Street, and Mr Ephraim Fowler has erected a house on Green Street near Centre. We hope some of our capitalists will build some houses as they are in great demand.

THE Exhibition of the Irving Literary Society of the West. Md. College, came off on Friday night last, and proved a decided success. The opening address on the life and character of Washington, was delivered by Mr. Jno T Oursler, President of the Society. The exercises consisted of Recitations, Dialogues, Prose and Poetry Readings, Compositions, Music, &c., which all passed off in a very creditable manner. The audience was quite large and seemed well pleased with the exercises of the evening.

CHURCH DEDICATION.—The Dedication of the New Lutheran Church in Westminster, on last Sabbath, attracted more than usual attention. The day was beautiful and all that could be hoped for. At an early hour multitudes could be seen wending their way to the beautiful new church, and it was soon filled to its utmost capacity. The following Clergymen were present on the occasion: Rev. J G. Butler of Washington, D. C., Rev. C. A. Stork of Baltimore, Rev. S. Henry of Littlestown, Rev. R. Weiser of Manchester, Rev. H. C. Holloway the Pastor, and Rev. J. T Ward. At ten o'clock, the services were opened by a voluntary from the organ, and an invocation by the Pastor. The Dedication Sermon was preached by Rev. C. A. Stork of Balt., from the text: "The word of the Lord endureth forever." The Sermon was most able and eloquent, and the distinguished young divine, held the large audience spell bound during the delivery of his master sermon. The dedication services were performed by the pastor. The collection towards the liquidation of the Church debt, amounted to $1500.

At 3. P. M., there was a very interesting service held in the Church, in commemoration of the Reformation by Martin Luther, very able addresses were delivered by Revs. C. A. Stork and J. G. Butler. In the evening a very large audience was again assembled in the Church, when Rev. J. G. Butler, preached a very earnest and impressive sermon. The exercises throughout the entire day, were all of the most interesting character.—The Choir, under the able Leadership of Mr. Harry Sanders of Balt., in connection with one of his fine Organs, perfectly charmed the large assemble with their sweet strains of music.

REPUBLICAN CONVENTION.—Pursuant to the call of the Chairmen of the Republican County Central Committee, the Convention met at the Court House on Monday last, on motion, S. R. Gore was called to the chair and H. J. Shellman appointed Secretary. The following gentlemen were elected by ballot as delegates to the Republican Convention, to be held in Baltimore, on the 6th of March.

Hon. Jno. E. Smith, Thos. F Shepherd, Jonas Ecker, Jacob Campbell, Jos. L Haines.

On motion the following resolutions were read and unanimously adopted:

Resolved, That we, the representatives of the Republican party of Carroll County, in Convention assembled, hereby reaffirm our unshaken confidence in the wisdom and integrity of the present Congress of the United States and reassert our approval of its plan for the reconstruction of the lately rebellious States of the Union, believing that this method as adopted by our loyal representatives is the only safe and certain road to a speedy and lasting peace.

Resolved: That we the Republicans of Carroll County, favor a speedy restoration of the States lately in rebellion, to a coequal position with all the States, but such restoration should be made upon a loyal basis only, and not upon such terms as will make said States nurseries of treason, requiring standing armies in every election precinct to protect loyal residents.

Resolved: That we confide in none save those who stood by the Union in its darkest hours of peril and who still stand by it, and thus believing we are determined to support no man for any position whose record has been tarnished by either antiquated Democracy or modernized Conservatism.

Resolved: That inasmuch as Gen. Ulysses S. Grant conquered treason in the field we feel assured of his ability to conquer it at home, we therefore announce him as the first and last choice of the Republicans of Carroll County, as their candidate for the next Presidency of the United States, and with him for the Vice Presidency—Maryland's talented Son—the Hon. John A. J. Cresswell.

On motion the following additional resolution was adopted:

Resolved, That our delegates to the State Convention be and they are now instructed to vote for no delegates, to the Chicago National Convention, who are not unequivocally in favor of Gen U. S Grant for President and the Hon. John A. J Cresswell for the Vice President of the U. S.

On motion the proceedings were directed to be published in the *American Sentinel*. The Secretary was authorized to furnish the delegates with credentials.

The Convention then adjourned.

ASSAULT.—On complaint of Mr. Solomon Barnes who was brought to town in a very much bruised and battered condition, one day last week, Columbus Frizzell was arrested by Constable Matthews, and taken before Justice Hoppe. We understand the facts to be as follows: Mr. Barnes was seated near the stove in his dwelling on the Washington Road, about 6 miles from Westminster when one of his little children fled to him for protection from its mother who was chastising it. Mrs. B. demurred to this and her son Columbus Frizzell came in and to settle the matter, knocked Mr. Barnes down bruising him very much. Mr. Barnes remembers nothing more about it. By some means or other, Barnes got terribly scalded over the head and shoulders while in an insensible condition, some of the neighbors brought him to town when he lodged complaint against Frizzell.—Justice Hoppe held Frizzell to bail in the sum of $500 to appear at the May term of Court, and in default of security sent him to jail.

A Peace Warrant was also issued against Levi T and Robert E Frizzell, who gave bail for their good behaviour towards Solomon Barnes.

☞ We regret to announce the death of Mr. Jacob D Hoppe, late Sheriff of Carroll County. Mr. Hoppe was a self-made man, starting out in life a poor boy, by his energy and industry he has pushed his way slowly but surely onward. Some years ago he went to the West where he filled a number of minor political positions. Returning to this County about the commencement of the war, he took a bold stand in support of the Government, which he maintained up to the time of his death. He was elected Justice of the Peace in this District and served as Deputy Sheriff under Sheriff Ebaugh. In 1865 he was elected Sheriff of Carroll County by the Republican party, which office he held until last fall, since which time he has been living on his farm near town. He was a member of the order of Mrsons. Mr. Hoppe has for more than a year past been suffering from consumption which has finally taken him to his grave. He was buried in the Westminster Cemetery yesterday, with Masonic honors.

NEWSPAPER LAWS.—We would call the special attention of Post Masters and the subscribers to the SENTINEL to the following Synopsis of the Newspaper laws:

1. A Postmaster is required to give notice *by letter*, (returning a paper does not answer the Law) when a subscriber does not take his paper out of the office and state the reasons for its not being taken; and a neglect to do so makes Postmasters *responsible* to the publishers for the payment.

2. Any person who takes a paper from the Post office, whether directed to his name or another, or whether he has subscribed or not is responsible for the pay.

3. If a person orders his paper discontinued, he must pay up all arrearages, or the publisher may continue to send it until payment is made, and collect the whole amount *whether it be taken from the office or not*. There can be no legal discontinuance until the payment is made.

4. If the subscriber orders his paper to be stopped at a certian time and the publisher continues to send it, the subscriber is bound to pay for it, *if he takes it out of the Post office*. The law proceeds upon the ground that a man must pay for what he uses.

5. The courts have decided that refusing to take newspapers and periodicals from the Post office, or removing and leaving them uncalled for is *prima facia* evidence of intentional fraud.

☞ Our friends in the different parts of the County, will do us a great favor, if they will send to us the particulars of anything of local interest transpiring in their vicinity.

THE BALL.—The Military Ball came off on the 20th inst. We cannot speak of it as a success, because of the non-attendance of many of those who were favored with invitations, which we conclude was owing to the badness of the roads, and other causes over which the managers of the affair had no control. The managers did everything in their power to achieve a success, and we will say for them that while we were present in the ball room they manifested an evident desire to make the occasion a pleasant one. The supper was furnished by our friends Mikesell & Shipley, and Cyrus D. Stonesifer.

Among the many restoritives which nature has supplied to relieve the afflictions of humanity, there is no more favorite one for a certain class of diseases than the "medicinal gum" of the Wild Cherry Tree but however valuable it is, its power to heal, to soothe, to relieve and to cure, is enchanced tenfold by scientific and judicious combination with other ingredients, in themselves of equal worth. This happy mingling exists to a remarkable degree in

Dr. Wistar's Balsam of Wild Cherry

whose value in curing *Coughs, Colds, Bronchitis, Whooping Cough, Croup, Asthma, Pulmonary Affection, and Incipient Consumption* is inestimable.

Strong Testimony.

From Benjamin Wheeler, Esq. Depot Master of South Royalston, Mass.

"In the spring of 1858 I was most severely afflicted with a hard, dry cough, with its usual accompaniments of night sweats, completely prostrating my nervous system and producing such a debilitated state of health that, after trying medical aid to no purpose, I had given up all hopes of ever recovering, as had also my friends. At this stage of matters I was prevailed upon through the influence of a neighbor to try Wistar's Balsam of Wild Cherry, and before using two bottles, the effect was almost magical. My cough entirely left me the night sweats deserted me, hope once more elated my depressed spirits, and soon I had attained my wanted strength and vigor. Thus has this Balsam, as has often been remarked by persons conversant with the above facts, literally snatched me from the yawning grave. You are at liberty to use this for the benefit of the afflicted."

Consumption Curable by Dr Schenck's Medicines.

TO CURE CONSUMPTION, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good wholesome food, which, by these medicines will be digested properly, and good healthy blood made; thus building up the constitution. SCHENCK'S MANDRAKE PILLS cleanse the stomach of all billious or mucous accumulations, and, by using the Sea Weed Tonic in connection, the appetite is restored.

SCHENCK'S PULMONIC SYRUP is nutricious as well as medicinal, and by using the three remedies all impurities are expelled from the system, and good wholesome blood made, which will repel all disease. If patients will take these medicines according to directions, Consumption very frequently in its last stages yields readily to their action.—Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhoea they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation. Then all that is required to perform a permanent cure is, to prevent taking cold. Exercise about the rooms as much as possible, eat all the richest food—fat meat, game, and in fact, anything the appetite craves: but be particular and masticate well.

This lovely bud so young and fair,
Called hence by early doom;
Just come to show how sweet a flower,
In paradise could bloom.
