REMEDY FOR PILES.

THE Subscribers are now making at Westminster, Md., an OINTMENT which, after long and extensive experience, they confidently pronounce a sure and pleasant cure for that distressing complaint known as Hemorrhoids or Piles. From many Certificates of persons who have been cured by it, they select the following:

Westminster, Md., Aug. 7th, 1867.

Having been long and severely afflicted with Piles, after trying many remedies without getting relief, I was at length induced to use the Pile Ointment prepared by Drs. Butler & Evans, *which effected a thorough cure.*

J. T. WARD, Minister of the Methodist Protestant Church.

On receipt of $1, a box of the Ointment, with full directions, will be sent, postage paid, through the mail to any address.

NEW STYLE VERTICAL MILL.

THE VICTOR!

For completeness of adjustment, strength, durability and working power, THE VICTOR CANE MILL has no equal. The fluted roll is the important feature that regulates the feeding of the mill. The ridges seize upon the cane as soon as presented, thus relieving the labor so often necessary to force the stalks to an entrance between smooth rolls, and at the same time secures its direct passage to the discharge roll.—They also break the woody fibre at short intervals, and thus rupturing the cells cause the more ready flow of the juice. We also have horizontal mills, for horse, water and steam power.

Cook's Sugar Evaporator.

First Premium at Forty State Fairs!

12,000 IN USE, ALL FULLY WARRANTED.

COOK'S EVAPORATOR is simple, yet scientific in its construction. It consists in an evaporating pan of sheet metal, copper or galvanized iron, placed on rockers with wooden sides, and so divided by ledges as to form a continuous transverse channel over a heated and cooling surface of from 75 to 125 feet.

It is estimated that 20,000,000 gallons of syrup have been manufactured on the above Evaporator in the past season. We also have Plantation Pans, adapted to a brick arch. Circulars and Pamphlets with full description and price list, sent to all applicants.
