TO THE AFFLICTED.

The Greatest Discovery of the Age!

CALDWELL'S HERB BITTERS,

which are now so extensively used by the afflicted and also as a tonic appetizer, are carefully compounded from roots and herbs, whose medicinal properties are well known and they are therefore presented to the public as a

PURELY VEGETABLE PREPARATION.

There are no mineral poisons nor nauseating drugs used in their distillation (which unfortunately is the case with some now in the market) but they are exclusively the production of the woods, the garden and the forrest, selected from Nature's pure laboratory, and therefore carry with them that life, health and longevity originally designed for man.

CALDWELL'S HERB BITTERS!! correct the gastric juices of the stomach, aid the important work of digestion; strengthen the mucus membrane; assist the bowels in the discharge of their functions, and, therefore, guarantee a daily supply of pure and healthful blood. In this they not only effect a positive cure of disease where it already exists, but guard and protect persons in health from the advances of those maladies which prove so fatal to human life. The secret of the success of these Bitters as a curative, lies in their health giving action upon the stomach, and their absorption and expulsion from the system of all vile and dangerous impurities.
