CHESTERTOWN HIGH DEFEATS SALISBURY

The Salisbury High School quintet, with the scalps of every high school team on the Shore under their belts, throttled out on the floor at the Washington College Gymnasium last Saturday night with the intention of removing the last obstacles from their path to the Eastern Shore champion ship. Altho they had a fine team, and the game was a closely fought contest throughout, they had figured wrong concerning the ability of the Chestertown boys.

Taking the lead from the first few minutes, the Chestertown lads handled the ball like veterans and were never in any immediate danger. Russell, the star forward of the local aggregation, had his eye on the basket and dropped in several tallies from the center of the court.

While Russell and Chapman were rolling up the score for the locals the Salisbury boys were not idle. Jackson, the captain and star forward of the Salisbury team played the best game for the visitors and fought hard to stop the flood of goals that poured thru the basket. At half time the score was 13 to 3. At the beginning of the second half the visitors scored two straight before the local could get under way, but in a few minutes they had the ball under control. From then on until the final whistle blew it could be seen that the Chestertown lads were masters of the situation.

Capt. Parks, Chapman and Russell played the best game for the locals and especially the guarding of Parks kept the visitors at bay.

Chapman and Russell scored the majority of the goals for C. H. S. and their brilliant passing and culling for the basket kept the Salisbury lads guessing. When the whistle blew the score was 24 to 15.

The Chestertown boys go to Centreville Friday night to play a return game with the Centreville boys, whom they defeated at an earlier date.

The Chestertown High School team was composed of Capt. Claude Parks and Elsworth Estes guards, Joe Russell and James Chapman forwards and Billy Usilton, center. Referee Harry Russell, Washington College.

TWO NEW VESSELS FOR ERICSSON LINE

It is understood that the Baltimore and Philadelphia Steamboat Company, the Ericsson Line, has prepared plans for two additional passenger steamboats for its service to the Maryland city via the Chesapeake and Delaware Canal. Since the war passenger traffic over the route has increased considerably, and freight also has increased sufficiently to warrant the construction of the vessels this year, it is announced.

The deepening of the canal, which several years ago was purchased by the Federal government, also has been a factor in the decision of the line to build boats to replace those that have been in the service.

Beware Of Coughs That Hangs On

Pneumonia and serious lung trouble usually start with a cough. So if you have a cold or cough—stop it at once with a few doses of that fine old medicine, Kemp's Balsam. This famous Balsam soothes the nerves of the throat, stops the tickling cough and nature does therest. No form of cough syrup so good for children's coughs. 30 cents at all stores.

For that Cough! KEMP'S BALSAM

RABBIT SHIPMENTS

Shipments of rabbits for release in Maryland, which were postponed by order of the State Game Department because of snow and cold weather will be resumed on February 23.

State Game Warden E. Lee LeCompte announced that he has ordered resumption of shipments, since food is now available due to melting of the snow. The rabbits will be shipped from farms in Missouri and Kansas.

Approximately 3,000 rabbits had already been received before the snow. They have been released in various Maryland counties. About 12,000 more rabbits will be shipped into Maryland and many will be released this spring.

MONEY TO LOAN ON MORTGAGE

I have to loan on a First Mortgage on well secured property the following sums: $500.00, $1000.00, $2000.00, $4000.00, $5000.00, $10,000.00. These sums can be loaned for three years or a shorter period to suit the borrower.

Making walls and woodwork white and clean as tile

Barreled Sunlight is a white paint made by a special process which produces a lustrous, even finish that can be washed like tile. It is the whitest white imaginable, costs less than enamel, requires fewer coats and remains white longer.

For any interior surface where light and cleanliness are desired—use Barreled Sunlight. Easy to apply, flows readily and leaves no brush marks. Comes ready mixed in cans from half-pint to five-gallon size. Can be easily tinted where color is wanted.

Come in—see what Studebaker offers in this Sedan at $1545

NEW beauty—new lines—new performance, and now—new value; these are some of the things the new Studebaker Standard Six Sedan offers at its new reduced price.

It is a fact that this Sedan will out-perform any car selling within hundreds of dollars of its price.

No car possesses greater beauty or is more luxuriously comfortable. No car is more enjoyable to drive or is easier to steer.

Comparison with other cars selling for more — or less—will provide convincing proof of its greater dollar-for-dollar value, its better performance, surplus power, unusual roadability, and many other desirable features.

No matter how much money you expect to invest in a car, by all means see the Standard Six Sedan, ride in it—drive it yourself. It is then that you will realize the difference.

The price of this Sedan is low, simply because of Studebaker's large production, vast physical and financial resources, and because it is manufactured complete—body and chassis—in Studebaker plants.

Its new reduced price—$1545—has entirely revised all standards of closed car values.

STUDY THIS COMBINATION OF FEATURES

Full-sized balloon tires, for which steering mechanism, body lines and even the fenders were especially designed. Automatic spark control. Lights controlled from switch on steering wheel. Upholstered in genuine mohair. Natural wood wheels. Rear-corner lights. One-piece windshield, automatic windshield cleaner, rear-view mirror. Heater. Instruments, including clock and gasoline gauge, in single grouping.
