Elsewhere in the Kent News the State Road Commission is asking for bids for 1.5 miles of concrete road in Piney Neck and 2.03 miles of concrete road near Tolchester. This is good news to both of these sections. KILLS OWN BROTHER AT KENNEDYVILLE

Arlie Caulk Kills Brother Alfred With Number 10 Shot Gun

Following an argument over a card game, which was being played at the home of Ben Scott, at Smoketown, a colored settlement one-half mile from Kennedyville, on Wednesday morning Arlie Caulk, aged 25, shot and instantly killed his brother, Alfred, aged 29.

A party of darkies had gathered early in the morning at home of Ben Scott and started a card game, when according to the statement of Arlie Caulk, who was a looker-on, took his brother to task for playing unfair, to which Alfred took offense, the two brothers became enraged, an altercation ensued. Alfred went to his home nearby and secured his gun, threatening to shoot his brother, whereupon Arlie got Scott's number 10 gun and emptied the full load into the stomach and breast of Alfred, killing him instantly.

Sheriff Goodman was notified of the killing and he and his deputy were soon on the scene. Arlie Caulk is now in the county jail awaiting the April term of court. A coroner's inquest decided that Caulk came to his death from a gun shot wound delivered by his brother.

HOPE H. BARROLL,

CHESTERTOWN'S NEW FIRE TRUCK HERE

New County Wide Equipment Given Test At Chester River Witnessed By Large Crowd

The new county-wide equipment, which had been under construction for the past four months, at the U. S. Fire Apparatus plant, of Wilmington, was delivered Tuesday afternoon at about four-thirty o'clock. A test was held at the foot of high street which was witnessed by a large and enthusiastic crowd of spectators. The test which proved entirely satisfactory, resulted as follows: with three streams, nozzles being equipped with 7-8 in. tips the Pierce-Arrow delivered 775 gallons of water per minute, a single line with 1½ in. tip a maximum of 517 gallons per minute and with a 2 in. tip 625 gallons gallons per minute was delivered.

Chestertown with this new equipment added to its present International truck, is prepared to give to the people of the town and county fire protection equal to any town on the shore.

The total cost of the truck was $5,000, and after a most satisfactory test Barber R. Bartley, treasurer of the fire company, handed over a check for $4,500 to the representatives of the Wilmington builders.

The new fire-fighter gives Chestertown and Kent county property such protection against fire as few towns on the Shore enjoy, and with the truck purchased last year by the fire company the town has one of the best equipped companies on the Eastern Shore.

The money which was used to pay for the new truck was raised by private subscriptions, fetes and suppers.

In appreciation of the splendid work of the local firemen Hope H. Barroll promptly sent the company a check for $200 to be used for the pleasure and benefit of those members who aided in the work of saving his home.

32½ CENTS FOR TOMATOES

At Buck Neck Wharf, Capt. W. H. Cooper, is offering contracts from reliable packers at 32½ cents per basket for tomatoes.

Swing Bros., at Price's Station, Queon Anne's, are contracting for tomatoes at 30 cents per basket and sugar corn at $15 per ton.

Resolution were adopted at a meeting of representatives of the Maryland Farm Bureau Federation held at Chestertown this week for the purpose of considering the tomato crop outlook for this year and warning farmers against propaganda for heavy and early future sales.

CHESTERTOWN LOSES

The Chestertown High School Basket Ball Team defeated Salisbury several weeks ago at Washington College by a decisive score. Last Saturday night on the same floor Salisbury defeated Chestertown by score of 27 to 24. This was one of the most exciting games played on the Washington College floor this year. It was the last game of the tournament that Coach Tom Kibler had arranged among the Eastern Shore High Schools. Chestertown had defeated the heavy Sudlersville team and Salisbury defeated the weak Cecilton team. Then Chestertown and Salisbury played for the victors of the meet and Salisbury won.

Many of the partisans of Chestertown would like to see a third game played between Chestertown and Salisbury to decide which team really is entitled to be called the champion high school team of the Eastern Shore.

In the game last Saturday night Chestertown was in the lead at the half. All the breaks seemed to be with Salisbury. But it was certainly a great game and though defeated the Chestertown High School team is entitled to much credit in putting up such a good game.

Coach Dumschott, of the Chestertown High School team, developed a young team that for weight and age would be hard to defeat by the best of them.

The following was the score.
