PROF. STRANG NOT GUILTY!

But Resignation Demanded

At the meeting of the Kent County Board of Education yesterday a decision was rendered in the Strang case.

The Board was unanimous that Prof. Strang was not guilty.

President Harry Davis and Robert R. Hill united in an opinion that Prof. Strang's resignation should be demanded. Commissioner C. R. Skirven would not vote to demand his resignation.

The following is the opinion of the Board:

Our opinion and decision of the trial of W. A. P. Strang before the Board of Education on August 19th, 1925.

The charges against Mr. Strang have not been proven therefore he is not guilty. But seeing the immense gathering of people from Rock Hall and to our mind about equally divided for and against Mr. Strang and the feeling at times seemed to be very bitter on both sides.

We believe for the best interests of the school and community Mr. Strang's usefulness as a high school teacher at Rock Hall has come to an end, therefore in our judgment the Board of Education should demand the resignation of Mr. Strang forthwith.

HARRY DAVIS,
President Kent County School Board;
ROBERT HILL.

C. Romie Skirven dissents about dismissal.

2 CARS RUN TOGETHER HEAD ON NEAR TOWN

Dr. H. P. Copeland driving his Studebaker sedan and M. Elwood Baker driving a Chevrolet sedan collided head on about 7.30 a. m. Monday on the State road near J. Raymond Bowers' gate. Mr. Baker, with his wife on the front seat, and nine-year-old son alone on the rear seat, were en route to Wilmington. Dr. Copeland was coming to town from Betterton where he had been called on an emergency case. He escaped injury but his car was damaged about $400.

Mrs. Fairfax, of Baltimore, arrived at the scene of accident within a few minutes after it occurred, and brought Mr. Baker and family to town. Dr. H. L. Dodd dressed the wounds. Mrs. Baker's face was badly cut by glass requiring eleven stitches to bind up the wound. Francis was bruised about the face and has a swollen jaw. Mr. Baker received a small cut on the lip and his car damaged about $200. It is a miracle how the occupants escaped with their lives.

WEDDING NOTES

Walter Jewell Hepbron and Anna Rebecca Kendall were quietly married at Grace M. E. Parsonage, Piney Neck, on Sunday night, August 23rd, 1925, by Rev. T. S. Barrett.

Friends of Jewell H. Fesmyer, of Centreville, and Miss Charlotte Rogers Wright, of Chestertown, were surprised this week when it was learned that they had been quietly married Thursday, August 13th, at Salisbury, Md. The wedding ceremony was performed by Rev. Richard L. Shipley, of Salisbury.

The bride and groom were accompanied to Salisbury by B. Harper Fesmyer, brother of the groom. Mrs. Fesmyer is the charming and attractive daughter of Mr. and Mrs. Walter Wright, of Chestertown. She is quite popular with a host of friends in Kent, Queen Anne's and Talbot counties. Mr. Fesmyer is the youngest son of Mrs. Mary C. Fesmyer and the late Joseph Fesmyer. He is engaged in the live stock brokerage business, in which he succeeded his father, after his death. Mr. and Mrs. Fesmyer will reside in Centreville.

Miss Viola Purnell, of Sudlersville, and Wright Robinson, of Templeville, were quietly married Tuesday afternoon at 3 o'clock at Chestertown by the Rev. Mr. Sard. The ceremony took place at the M. E. parsonage, after which the couple left for Washington, and other cities. They will reside near Templeville where the groom is engaged in farming.

Harry Rasin, of Kennedyville, and Miss Bernice S. Jefferies, of Chincoteague, Va., were married last Saturday in Washington, D. C. Mr. Rasin is the son of George R. Rasin, of Kennedyville. He is a graduate of Washington College and is present principal of Millington High School.

THE PRESIDENT IN THE AIR

President Wm. H. Hudson, of the Tolchester Company, paid his weekly visit to the Beach last Wednesday by a new route and an altogether different conveyance. He loves the new steamer "The Tolchester Express," for her splendid capacity, speed and her sturdy worth. It occurred to him however on this particular Wednesday to make a try in the air and take a view of the bay's summer resort from the skies. The voyage was made in the "Amoco" seaplane, under the pilotage of the owner, Duke Jernigin. The trip from Baltimore lasted about 20 minutes including the diving and circling above the resort before landing. Arriving at 11.30 a. m he found quite a large crowd at the water's edge to greet him, foremost among the many was the waiting superintendent, C. Frank Wheatley, loaded with expressions of pleasure for his safe arrival and congratulations for his daring to take the plunge. The president was very enthusiastic in his description of the old Cheasapeake and the many other interests so attractive while being viewed from aloft. Nothing, however, pleased him more than the sky-view of beautiful Tolchester Beach, tho his observations every where were most pleasing. Mr. Hudson immediately called the Baltimore office by phone, giving the information of his arrival and an enthusiastic description of his experience and received from the occupants of said office warm and hearty congratulations. The president has now seen the Tolchester summer resort from every angle and has fallen in love all over again with it.
