THE TEACHERS FOR KENT SCHOOLS

Schools Open Monday, September 14 For The Fall Term—A Splendid Corps Will Teach the Young People Of This County.

The public schools of Kent County will open for business Monday, Sept. 14, throughout the county. Many of the rural schools have been abolished in the past few years and the children of the farmer have as good an opportunity for an education now as has the town boy or girl. Of course there are a few exceptions, as will always happen. When the school bus was first introduced the Board of Education had many complaints and protests against them. But conditions are changing rapidly.

Today Committees are asking for bus lines. They went before the Board several years ago bitterly opposed to the idea. So, the people are aroused to obetain better educational facilities for their children, and they are getting the desire of their hearts.

MRS. WILHELMY SAVED BY FRIEND

Doctor Advised Operation Friend Said Try Lydia E. Pinkham's Vegetable Compound First

St. Paul, Minnesota.—"I was all rundown from overwork and worry, had no appetite, could not sleep at night, and looked like a corpse. I have six children (five boys and one girl) and did not get any strength after my last baby was born. I was getting worse and thinner every day. The doctor said I had to go to the Hospital but this I could not do on account of my family. So I went to a friend of mine and told her what the doctor had told me and she said, 'Now do as I tell you. Try Lydia E. Pinkham's Vegetable Compound as I have done. It helped me.' So I started taking the Vegetable Compound and I noticed after the first few bottles that I felt considerably better. After taking 9 or 10 bottles I got over my fainting spells. Everybody who sees me now notices the great improvement in my health. I am gaining in weight and strength and am feeling fine. Eat well and sleep good nights. Any woman can write to me and I will answer her letter."—Mrs. MARY WILHELMY, 309 Duke Street, St. Paul, Minnesota.

Keep Pigs Thriving

A HEALTHY, frisky bunch of romping pigs—who does not like to watch them! They stand for money, profits, tasty fresh meat, good sausage, bacon and hams.

You can get your pigs started quickly, and keep them growing fast by giving

Cal-Sino

with your feed.

A high grade medicinal tonic powder without filler, not loaded with salt—not a stock food.

Cal-Sino tones the digestive organs, regulates and disinfects the bowels, wards off sickness, usually cures when sick, knocks worms, makes even runts thrive, and builds shoats to porkers in 2 to 3 months less time than without it.

On market 15 years. Based on 35 years of practical veterinary experience of Dr. H. Voltz, D. V. S. Really costs nothing to use, as the extra pork it helps to get from your feed alone many many times over pays for it.

Test Cal-Sino at our risk. Comes in 7 sizes.

"Just Remember C.-S. in the Yellow Box"

Ask your dealer what he knows about "Cal-Sino"

THEY SAY IT PAYS:

Mr. Howard S. Kuhn, Linden Grove Farm, Woodbine, Md., wrote

"I am a large shipper of milk and found it hard to start my pigs and keep them going without milk. Over a year ago I started using Cal-Sino, since then I have had no trouble with my pigs or hogs. A small quantity keeps them thrifty and free from sickness. It is more satisfactory than any powder I ever used."

J. W. Churn, Eastville, Va., wrote:

"I used Cal-Sino last year and this. Got splendid results. Three of my 12 month hogs are the best I ever had and average about 400 lbs. I think Cal-Sino is the best for hogs. I did not give any extra attention or feed."

John W. Black, Gettysburg, Pa., R. No. 5, wrote

"Cal-Sino has given me such good results I want to buy it in larger quantities."
