"IF A MAN DIE SHALL HE LIVE AGAIN."

TO Prolong Life and restore health is the great aim of all medical research. As long as the blood can be kept pure and the system properly toned and invigorated, disease and death cannot assert their empire. Thousands die annually the victims of their own carelessness and neglect. A little attention properly bestowed in time, would have saved many—very many from an untimely grave.

DR. CALDWELL'S CELEBRATED HERB BITTERS,

are the discovery of years of patient toil and investigation, and are composed exclusively of roots and herbs; compounded in a manner known only to the Proprietor. More of them have been sold in the Eastern States during the last year than any other medicine known to modern times; and they have cured hundreds of the most desparate and aggravated cases that had been given up as hopeless by the family physician.

LET THE AFFLICTED REJOICE.

You need not suffer the pains of *Rheumatism, Neuralgia*, and kindred diseases. You need not waste away, a confirmed *Dyspeptic* to the grave. You need not burn with fever, or die with the slow tortures of a diseased liver or lungs.
